The Killing Pages:

The Killing Pages Bobbie L. Washington, 2000-08 Just how safe am I These will be the five words that will haunt you after reading *The Killing Pages* a horrifying look into the disturbed consciousness of a methodical serial killer It is a chilling look of how we take things for granted in our day to day routines that s become second nature to us We will take a step back in reassessing on of our hallowed traditions and ponder the fact that the world is changing Detective Andre Holman will lead his team on a search for a killer who leaves clues behind as intriguing as the way the victims are discovered What does the number three represent What does Dante s *Inferno* have to do with the killings Why does a local newspaper section play a role in the killings And just when you think that you have solved the questions a twist appears in the thread for justice As soon as that surprise is revealed another revelation is presented But don t settle in to relax just yet because there is another twist in this suspense thriller What was the real motive The unveiling of the killer will leave your mouth open Bobbie L Washington is an architect a photographer a homebuilder a radio producer and now adds writing to his ever expanding resume Bobbie Washington first took to screenwriting through effort and determination then shifted his efforts to comedy writing in radio After writing articles for magazine publications he shifted his focus into the study of the most vicious of human predators the serial killer

The Cherry Pages Gary Ruffin, 2013-03-07 A small town Florida cop finds big trouble when he becomes a seductive movie star s bodyguard in this clever mystery from the author of *Hot Shot Det Samuel Cooper* known as Coop to his friends is the chief of police in Gulf Front Florida a sleepy little beach town that doesn t see many outsiders Indeed chief of police is a grand title considering Coop s the only officer on the force Then out of the blue he gets offered an intriguing side gig as bodyguard to the movie star Cherry Page Cherry will be shooting on location in Atlanta and someone s been sending twisted threats to her personal email Coop is surprised when his girlfriend Penny encourages him to take the job with the famous femme fatale But he gets more drama than he bargained for when the celebrity stalker turns out to be a serial killer who follows Coop and Cherry back to Gulf Front

The Chiwaya War E. Page, 2022-02-28 *The Chiwaya War* s basic conclusions are that the First World War was a major turning point in the history of Malawi s peoples creating the first glimmers of a shared national identity and that it marked more than any event before or since the entry of Malawians into the emerging modern world system far more quickly than likely they and certainly even the most enlightened British colonial administrators of the time would have preferred

The Cruel Radiance Susie Linfield, 2011-05-27 In *The Cruel Radiance* Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China s Cultural Revolution and recent terrorist

acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book s concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book The Cruel Radiance convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look Pamphlets on Forestry in Missouri ,1910 **The Secret History of AA Comics** Bob Rozakis,2011 In the 1940s M C Gaines sold his All American Comics line to his partners at DC Comics But what if instead he had bought out DC And suppose Green Lantern and The Flash had become the surviving heroes of the Golden Age with new versions of Superman and Batman launching the Silver Age of Comics Comic book industry veteran Bob Rozakis delivers a fascinating tale of what might have been complete with art from the Earth AA archives Amazon com **The Fifteen** William Geroux,2025-03-18 The revelatory true story of the long forgotten POW camps for German soldiers erected in hundreds of small U S towns during World War II and the secret Nazi killings that ensnared fifteen brave American POWs in a high stakes showdown In the pantheon of American history it s very hard to find compelling original stories and even harder to find authors worthy of them In The Fifteen William Geroux delivers the goods John U Bacon New York Times bestselling author of The Great Halifax Explosion The American government was faced with an unprecedented challenge where to house the nearly 400 000 German prisoners of war plucked from the battlefield and shipped across the Atlantic On orders from President Franklin D Roosevelt the Department of War hastily built hundreds of POW camps in the United States Today traces of those camps which once dotted the landscape from Maine to California have all but vanished Forgotten too is the grisly series of killings that took place within them Nazi power games playing out in the heart of the United States Protected by the Geneva Convention German POWs were well fed and housed Many worked on American farms and a few would even go on to marry farmers daughters Ardent Nazis in the camps however took a dim view of fellow Germans who befriended their captors Soon the killings began In camp after camp Nazis attacked fellow Germans they deemed disloyal Fifteen were sentenced to death by secret U S military tribunals for acts of murder In response German authorities condemned fifteen American POWs to the same fate and in the waning days of the war Germany proposed an audacious trade fifteen German lives for fifteen American lives Drawing on extensive research journalist and author William Geroux shines a spotlight on this story of murder and high stakes diplomacy and on the fifteen American lives that hung in the balance from a fearless P 51 Mustang fighter pilot to a hot tempered lieutenant colonel nicknamed King Kong Propulsive and vividly rendered The Fifteen reminds us that what happens to soldiers after they exit the battlefield can be just as harrowing as what they experience on it

Pendleton's *The Executioner* in 1969. This is the first overview of the serial vigilante genre which featured such hard-boiled protagonists as Nick Carter, Mark Stone, Jake Brand, and the Able Team among the 130 series that followed. Pendleton's novel. Serial vigilantes repeatedly take the law into their own hands, establishing and imposing their own moral standards, usually by force. The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys, private eyes, spies, and cops in different media. A complete bibliography for each series is featured. *The Story of the Santa Fe* Glenn Danford Bradley, 1920

Indic Manuscript Cultures through the Ages Vincenzo Vergiani, Daniele Cuneo, Camillo Alessio Formigatti, 2017-12-18. This collection of essays explores the history of the book in pre-modern South Asia, looking at the production, circulation, fruition, and preservation of manuscripts in different areas and across time. Edited by the team of the Cambridge-based Sanskrit Manuscripts Project and including contributions of the researchers who collaborated with it, it covers a wide range of topics related to South Asian manuscript culture, from the material dimension (palaeography, layout, decoration) and the complicated interactions of manuscripts with printing in late medieval Tibet and in modern Tamil Nadu to reading, writing, editing, and educational practices from manuscripts as sources for the study of religious, literary, and intellectual traditions to the creation of collections in medieval India and Cambodia, one major centre of the so-called Sanskrit cosmopolis, and the formation of the Cambridge collections in the colonial period. The contributions reflect the variety of idioms, literary genres, religious movements, and social actors (intellectuals, scribes, patrons) of ancient South Asia, as well as the variety of approaches, interests, and specialisms of the authors and their impassioned engagement with manuscripts. **A Digest of the Criminal Law of the Presidency of Fort William, and guide to all criminal authorities therein** Francis Lestock BEAUFORT, 1849
