The Kings Of Israel

Rev. Robert Tuck

The Kings Of Israel:

The Kings of Israel and Judah George Rawlinson, 2023-12-15 George Rawlinson's *The Kings of Israel and Judah* is a meticulously researched exploration of the ancient monarchies that shaped the historical narrative of the Hebrew Bible. Employing a critical historical approach, Rawlinson delves into the political, social, and spiritual dimensions of these rulers, weaving together biblical accounts and archaeological evidence. His literary style combines erudition with accessibility, making complex historical events comprehensible to the lay reader while maintaining academic rigor. This work stands as a significant contribution to the fields of biblical history and ancient Near Eastern studies, offering a chronological account of the kings and their intertwined destinies reflective of the tumultuous epochs through which they reigned. George Rawlinson, a noted British historian and scholar of the 19th century, brought to this work his profound interest in ancient languages and cultures alongside a significant background in Assyriology and biblical studies. Influenced by his contemporaries and the growing interest in historical criticism, Rawlinson sought to illuminate the cultural and historical intricacies surrounding the rulers of Israel and Judah, driven by a passion to reconstruct the past through a faithful examination of existing texts and artifacts. This scholarly yet engaging account is a must-read for history enthusiasts and students of biblical scholarship alike. Rawlinson's synthesis of extensive research not only enhances our understanding of the Israelite and Judaic monarchs but also invites readers to ponder the complexities of leadership and faith in an ancient context. For anyone seeking to grasp the intricate history that laid the groundwork for subsequent religious traditions, *The Kings of Israel and Judah* offers invaluable insights.

The Chronology of the Kings of Israel and Judah Gershon Galil, 2023-08-21 This pioneering study wrestles with the perpetual problem of chronology in the Books of Kings. Starting from the conservative assumptions that the courts of Israel and Judah maintained regnal records and that these for the most part accurately reflect regnal length, the author arrives at a new and persuasive dating for the reigns and their synchronisms. In addition, his chronological scheme includes all points of contact between Israel and Judah and external powers, especially Assyria. The result is one of the most responsible and yet most critical chronologies proposed to date and will be the standard chronological reference for the next decade if not longer.

The Kings of Israel Chris Adkins, 2014-09-13 *Chronicles Of The Kings Of Israel And Judah Timeline And List Of The Kings Of Israel In Order* Discover The Northern And Southern Kingdoms Of The Kings of Israel And Judah. God's intention was always to be His people's God and Father to love and be loved by His people. In Exodus, Leviticus, and throughout the prophets, God's says so many times that He will dwell with His people. He said, "I will be their God and they will be my people." He even made a covenant promise and an inheritance that He would always be their God. In 1 Samuel 8, God's people ask for a king. And they said to him, "Behold, you have grown old and your sons do not walk in your ways. Now appoint a king for us to judge us like all the nations." But the thing was displeasing in the sight of Samuel when they said, "Give us a king to judge us." And Samuel prayed to the LORD. The LORD said to Samuel, "Listen to the voice of the people in regard to all that
