The Kitchen Turns Twenty Kitchen Center for Video, Music, Dance, Performance, Film, and Literature (New York, N.Y.),1992 **A Power Stronger Than Itself** George E. Lewis,2024-05-31 Founded in 1965 and still active today the Association for the Advancement of Creative Musicians AACM is an American institution with an international reputation George E Lewis who joined the collective as a teenager in 1971 establishes the full importance and vitality of the AACM with this communal history written with a symphonic sweep that draws on a cross generational chorus of voices and a rich collection of rare images Moving from Chicago to New York to Paris and from founding member Steve McCall s kitchen table to Carnegie Hall *A Power Stronger Than Itself* uncovers a vibrant multicultural universe and brings to light a major piece of the history of avant garde music and art **Artists' SoHo** Richard Kostelanetz,2015-01-02 During the 1960s and 1970s in New York City young artists exploited an industrial wasteland to create spacious studios where they lived and worked redefining the Manhattan area just south of Houston Street Its use fueled not by city planning schemes but by word of mouth recommendations the area soon grew to become a world class center for artistic creation indeed the largest urban artists colony ever in America let alone the world Richard Kostelanetz s *Artists SoHo* not only examines why the artists came and how they accomplished what they did but also delves into the lives and works of some of the most creative personalities who lived there during that period including Nam June Paik Robert Wilson Meredith Monk Richard Foreman Hannah Wilke George Macuinas and Alan Suicide Gallerists followed the artists in fashioning themselves their homes their buildings and even their streets into transiently prominent exhibition and performance spaces *SoHo* pioneer Richard Kostelanetz s extensively researched intimate history is framed within a personal memoir that unearths myriad perspectives social and cultural history the changing rules for residency and ownership the ethos of the community the physical layouts of the lofts the types of art produced venues that opened and closed the daily rhythm and the gradual invasion of new people *Artists SoHo* also explores how and why this fertile bohemia couldn t last forever As wealthier people paid higher prices galleries left younger artists settled elsewhere and the neighborhood became a *SoHo* Mall of trendy stores and restaurants Compelling and often humorous *Artists SoHo* provides an analysis of a remarkable neighborhood that transformed the art and culture of New York City over the past five decades **After the Revolution** Eleanor Heartney,Helaine Posner,Nancy Princenthal,Sue Scott,2013-11-04 Why Have There Been No Great Women Artists asked the prominent art historian Linda Nochlin in a provocative 1971 essay Today her insightful critique serves as a benchmark against which the progress of women artists may be measured In this book four prominent critics and curators describe the impact of women artists on contemporary art since the advent of the feminist movement **The Grand Union** Wendy Perron,2020-09-08 *The Grand Union* was a leaderless improvisation group in SoHo in the 1970s that included people who became some of the biggest names in postmodern dance Yvonne Rainer Trisha Brown Steve Paxton Barbara Dilley David Gordon and Douglas Dunn Together they unleashed a range

of improvised forms from peaceful movement explorations to wildly imaginative collective fantasies This book delves into the collective genius of Grand Union and explores their process of deep play Drawing on hours of archival videotapes Wendy Perron seeks to understand the ebb and flow of the performances Includes 65 photographs Alternative Art, New York, 1965-1985 Julie Ault, Social Text Collective, Drawing Center (New York, N.Y.), 2002 A sweeping history of the New York art scene during the 1960s 1970s and 1980s reveals a powerful alternative art culture that profoundly influenced the mainstream Simultaneous Fine Arts Audio Culture, Revised Edition Christoph Cox, Daniel Warner, 2017-07-27 The groundbreaking Audio Culture Readings in Modern Music Continuum September 2004 paperback original maps the aural and discursive terrain of vanguard music today Rather than offering a history of contemporary music Audio Culture traces the genealogy of current musical practices and theoretical concerns drawing lines of connection between recent musical production and earlier moments of sonic experimentation It aims to foreground the various rewirings of musical composition and performance that have taken place in the past few decades and to provide a critical and theoretical language for this new audio culture This new and expanded edition of the Audio Culture contains twenty five additional essays including four newly commissioned pieces Taken as a whole the book explores the interconnections among such forms as minimalism indeterminacy musique concr te free improvisation experimental music avant rock dub reggae ambient music hip hop and techno via writings by philosophers cultural theorists and composers Instead of focusing on some crossover between high art and popular culture Audio Culture takes all these musics as experimental practices on par with and linked to one another While cultural studies has tended to look at music primarily popular music from a sociological perspective the concern here is philosophical musical and historical Audio Culture includes writing by some of the most important musical thinkers of the past half century among them John Cage Brian Eno Ornette Coleman Pauline Oliveros Maryanne Amacher Glenn Gould Umberto Eco Jacques Attali Simon Reynolds Eliane Radigue David Toop John Zorn Karlheinz Stockhausen and many others Each essay has its own short introduction helping the reader to place the essay within musical historical and conceptual contexts and the volume concludes with a glossary a timeline and an extensive discography **Uptown Conversation** Robert G. O'Meally, Brent Hayes Edwards, Farah Jasmine Griffin, 2004 Uptown Conversation asserts that jazz is not only a music to define it is a culture The essays illustrate how for more than a century jazz has initiated a call and response across art forms geographies and cultures inspiring musicians filmmakers painters and poets Four Musical Minimalists Keith Potter, 2002-04-25 Offers the most detailed account yet of the early works of these four minimalist composers **English Literature in Context** Paul Poplawski, 2017-05-18 From Anglo Saxon runes to postcolonial rap this undergraduate textbook covers the social and historical contexts of the whole of the English literature **The Lofts of SoHo** Aaron Shkuda, 2024-06-19 A groundbreaking look at the transformation of SoHo American cities entered a new phase when beginning in the 1950s artists and developers looked upon a decaying industrial zone in Lower Manhattan and saw not blight

but opportunity cheap rents lax regulation and wide open spaces Thus SoHo was born From 1960 to 1980 residents transformed the industrial neighborhood into an artist district creating the conditions under which it evolved into an upper income gentrified area Introducing the idea still potent in city planning today that art could be harnessed to drive municipal prosperity SoHo was the forerunner of gentrified districts in cities nationwide spawning the notion of the creative class In The Lofts of SoHo Aaron Shkuda studies the transition of the district from industrial space to artists enclave to affluent residential area focusing on the legacy of urban renewal in and around SoHo and the growth of artist led redevelopment Shkuda explores conflicts between residents and property owners and analyzes the city s embrace of the once illegal loft conversion as an urban development strategy As Shkuda explains artists eventually lost control of SoHo s development but over several decades they nonetheless forced scholars policymakers and the general public to take them seriously as critical actors in the twentieth century American city Tomorrow Is the Question Benjamin Piekut,2014-04-09 Essays investigating and sparking new questions in experimental music **Before, Between, and Beyond** Sally Banes,2007-05-25 Sally Banes has been a preeminent critic and scholar of American contemporary dance and Before Between Beyond spans more than thirty years of her prolific work Beginning with her first published review and including previously unpublished papers this collection presents some of her finest works on dance and other artistic forms It concludes with her most recent research on Geroge Balanchine s dancing elephants In each piece Banes s detailed eye and sensual prose strike a rare balance between description context and opinion delineating the American artistic scene with remarkable grace With contextualizing essays by dance scholars Andrea Harris Joan Acocella and Lynn Garafola this is a compelling insightful indispensable summation of Banes s critical career **Hold On to Your Dreams** Tim Lawrence,2009-10-23 Hold On to Your Dreams is the first biography of the musician and composer Arthur Russell one of the most important but least known contributors to New York s downtown music scene during the 1970s and 1980s With the exception of a few dance recordings including Is It All Over My Face and Go Bang 5 Russell s pioneering music was largely forgotten until 2004 when the posthumous release of two albums brought new attention to the artist This revival of interest gained momentum with the issue of additional albums and the documentary film Wild Combination Based on interviews with more than seventy of his collaborators family members and friends Hold On to Your Dreams provides vital new information about this singular eccentric musician and his role in the boundary breaking downtown music scene Tim Lawrence traces Russell s odyssey from his hometown of Oskaloosa Iowa to countercultural San Francisco and eventually to New York where he lived from 1973 until his death from AIDS related complications in 1992 Resisting definition while dreaming of commercial success Russell wrote and performed new wave and disco as well as quirky rock twisted folk voice cello dub and hip hop inflected pop He was way ahead of other people in understanding that the walls between concert music and popular music and avant garde music were illusory comments the composer Philip Glass He lived in a world in which those walls weren t there Lawrence follows Russell across musical genres

and through such vital downtown music spaces as the Kitchen the Loft the Gallery the Paradise Garage and the Experimental Intermedia Foundation Along the way he captures Russell s openness to sound his commitment to collaboration and his uncompromising idealism **Soho** Richard Kostelanetz,2003 And New York s one of a kind urban artists colony was born

Audio Culture Christoph Cox,Daniel Warner,2004-09-01 Contributions Brian Eno John Cage Jacques Attali Umberto Eco Christian Marclay Simon Reynolds Pierre Schaeffer Marshall McLuhan Derek Bailey Pauline Oliveros Tony Conrad David Toop etc **Art on the Block** Ann Fensterstock,2025-06-25 A fascinating tour of the last five decades of contemporary art in New York City showing how artists are catalysts of gentrification and how neighborhoods in turn shape their art with special insights into the work of artists such as Jean Michel Basquiat Cindy Sherman and Jeff Koons Stories of New York City s fabled art scene conjure up artists lofts in SoHo studios in Brooklyn and block after block of galleries in Chelsea But today no artist can afford a SoHo loft Brooklyn has long gentrified and even the galleries of Chelsea are beginning to move on Art on the Block takes the reader on a journey through the neighborhoods that shape and are shaped by New York s ever evolving art world Based on interviews with over 150 gallery directors as well as the artists themselves art historian and cultural commentator Ann Fensterstock explores the genesis expansion maturation and ultimate restless migration of the New York art world from one initially undiscovered neighborhood to the next Opening with the colonization of the desolate South Houston Industrial District in the late 1960s the book follows the art world s subsequent elopements to the East Village in the 80s Brooklyn in the mid 90s Chelsea at the beginning of the new millennium and most recently to the Lower East Side With a look to the newest neighborhoods that artists are just now beginning to occupy this is a must read for both art enthusiasts as well as anyone with a passion for New York City **Cinema and Art as Archive** Aa.

Vv.,2015-03-11T00:00:00+01:00 As Jacques Derrida wrote in 1995 while considering Archive Fever nothing is less reliable or less clear today than the word archive Nevertheless the historic cultural dimension of the contemporary discursive practices in cinema and art develops in the semantic openendedness of the term in the repositioning of the idea of archive The individual disciplines involved in one such field history of cinema and art theory of cinema and art aesthetics semiotics philology etc begin to open up to questioning the notion of archive even in negative in other words what after Michel Foucault the archive is not or does not seem to be The archive is not the library of libraries or encyclopedia it is not memory it is not museum it is not a database In recent years the attention focused on such ideas has not so much highlighted the impulses turns and specific forms of art art archive as it has revealed in many ways how the archive concerns us in the interrelation of aesthetic political ethical and legal levels among various disciplinary fields **Christian Marclay** Russell Ferguson,Christian Marclay,Hammer Museum,2003 Sound and our culturally determined reactions to it are what drive Marclay s genre and media crossing art Beginning in 1980 this volume explores his works within a variety of contexts that range from music and art history to popular culture **An Everyday Modernism** Marc Treib,1995 The first large scale
