### **The Knights Templar on Trial** Helen J

Nicholson,2011-08-26 The trial of the Templars in the British Isles 1308 1311 is a largely unexplored area of history Unlike the trial in France where the Templars were tortured into confessing to unspeakable activities in the British Isles there were no burnings and only three confessions after torture Several Templars went missing most of whom later reappeared Outsiders told stories of abominable Templar rituals secret meetings and murders at the dead of night but all these tales turned out to be rumour This book is based on extensive research into the records of the trial of trial of the Templars and other unpublished medieval documents recording their arrest imprisonment and trial and the surveys of their property It traces the course of this the first heresy of trial in the British Isles from the arrests in January 1308 to the dissolution of the Order and shows how by judicious selection of material the inquisitors made the scanty evidence against the Templars appear convincing The book includes a list of all the Templars in the British Isles at the time of the arrests and a gazetteer of the Templars major properties in the British Isles

**The Templars** Barbara Frale,2011-05-01 Barbara Frale gives us an explosive exhaustively researched history of the medieval world s most powerful military order the Templars At its height the Order of the Knights Templar rivaled the kingdoms of Europe in military might economic power and political influence For 700 years the tragic demise of this society of warrior monks amid accusations of heresy has been plagued by controversy in part because the transcript of their trial by the Inquisition which held the key to the truth had vanished Templar historian Barbara Frale happened to be studying a document at the Vatican Secret Archives when she suddenly realized that it was none other than the long lost transcript It revealed that Pope Clement V had absolved the order of all charges of heresy The Templars chronicles the spectacular rise and fall of the organization against a sweeping backdrop of war religious fervor and the struggle for dominance and finally lifts the centuries old cloak of mystery surrounding one of the world s most intriguing secret societies

The Knights Templar Tony McMahon,2025-03-31 Explores the history legacy and mysteries of the Knights Templar from their valor in battle to their brutal downfall The Knights Templar have fascinated us for centuries They were holy warriors who fought with incredible bravery in the Crusades but were then destroyed by their own side In battle they were the bravest knights first on the battlefield and the last to quit Charging towards the enemy with their white cloaks emblazoned with the red cross of martyrdom Every young man in medieval Europe yearned to be a Knight Templar The reality though could be

tough Battles fought against fearsome foes sometimes resulted in terrible defeat with a huge loss of life The Templars were always the target of jealousy and hatred because of their military prowess financial acumen and strict organisation Eventually their enemies got the better of them Not the Saracens they had fought in the Holy Land but kings and bishops back home The Templars were accused of bizarre initiation rituals and heretical beliefs Many were executed for the sole crime of being a Templar But their memory was not extinguished It has endured Today millions of people still want to understand the history and mystery of the Knights Templar Is it true they possessed the Holy Grail Why were they destroyed so brutally This book sets out to find the answers

**Old and New London: a Narrative of Its History, Its People and Its Places** George Walter Thornbury, 1873      The Gods of Eden and Operation High Jump Moshe Mazin, 2017-02-15 One of the most amazing epic stories in recent memory the connection between ancient alien beings and human history is captured in this mesmerizing science fiction novel A biblical passage from the Book of Genesis points the way to this connection which recently has been tied to new excavations in Southeast Turkey thought by several archeologists to be the site of the fabled Garden of Eden The story ties the ancient Jewish staff of Moses to the Knights Templars the Bilderberg Group the American NSA and Israeli intelligence services all in pursuit of the secretive German Nazi Base 211 located at the South Pole in Antarctica The American top secret Operation High Jump which was recently partially declassified raises many questions about the involvement of the world's governments in a cover up of alien presence on Earth      *Old and New London*, 1880
