Identity Papers Helene Meyers, 2011-12-01 Argues that debates about Jewish identity and assimilation are signs of creative potential rather than crisis Identity Papers argues that contemporary Jewish American literature revises our understanding of Jewishness and Jewish difference Moving beyond the reductive labeling of texts and authors as too Jewish or not Jewish enough and focusing instead on narratives that portray Jewish regeneration through feminist Orthodoxy queerness off whiteness and intermarriage Helene Meyers resists a lachrymose view of contemporary Jewish American life She argues that such gendered sexed and raced debates about Jewish identity become opportunities rather than crises signs of creative potential rather than symptoms of assimilation and deracination Thus feminist debates within Orthodoxy are allied to Jewish continuity by Rebecca Goldstein Allegra Goodman and Tova Mirvis the geography of Jewish identity is racialized by Alfred Uhry Tony Kushner and Philip Roth and the works of Jyl Lynn Felman Judith Katz Lev Raphael and Michael Lowenthal queer the Jewish family as they reveal homophobia to be an abomination Even as Identity Papers expands Jewish literary horizons and offers much needed alternatives to the culture wars between liberal and traditional Jews it argues that Jewish difference productively troubles dominant narratives of feminist queer and whiteness studies Meyers demonstrates that the evolving Jewish American literary renaissance is anything but provincial rather it is engaged with categories of difference central to contemporary academic discourses and our national life Ultimately Meyers offers not only nuanced readings of many texts but also a cogent argument about the generative possibilities for American Jewish futurity through an undoing of what constitutes normative understandings of Jewish bodies families and relationships Journal of Jewish Identities Identity Papers is an important thoughtful text that will appeal to those with an interest in postmodern inquiries into multiculturalism identity theory and selfhood MELUS This is a sophisticated nuanced critical study of contemporary Jewish American literature Taking an anthropological approach to Jewish and Judaic cultural expression Meyers provides probing subtle analyses Highly recommended CHOICE

Daily Reflections on Idolatry Joshua A. Fogel, 2012-12-16 Comprised of rabbinic debates in the aftermath of the destruction of the Second Temple 70 C E the Talmud has provided the

basis for Jewish ethical and practical norms for centuries It is also an extremely long and forbiddingly difficult work that has accumulated countless commentaries just as complex A recent translation with extensive notes has made the Talmud more accessible to English language readers but the textual difficulties remain This volume looks at Avodah Zarah one tractate of the Talmud concerned with idolatry page by page Idolatry was one of the cardinal sins for which an observant Jew was to accept death before transgressing Daily Reflections on Idolatry offers a modern commentary with doses of humor and comparative examples in an effort to both explain and humanize the text and make it even more accessible to contemporary readers

Clash of Dynasties Richard James DeSocio, 2017-05-30 Clash of Dynasties Why Gov Nelson Rockefeller Killed JFK RFK and Ordered the Watergate Break In to End the Presidential Hopes of Ted Kennedy binds together the crimes of the century Kennedy had a dream for the nation but Rockefeller had his own nefarious ambition to be president Rockefeller employed a staff of seventy paid for by Rockefeller Foundation funds Actually he used his staff to serve the 1960 Kennedy election in the hopes that a Kennedy victory would destroy Richard Nixon as a viable Republican national candidate However after accepting his support the Kennedy brothers turned on Rockefeller who had become a Republican frontrunner in the 1964 presidential race When the allegations surfaced that Rockefeller was using foundation money Atty Gen Robert Kennedy began preparing charges against the governor with the intent of sinking Nelsons political aspirations Succinctly stated Rockefeller beat them to the punch by arranging the JFK assassination although losing the Republican nomination in the waning hours of the primary Rockefellers misuse of foundation funds touched off a congressional investigation as well This sounds very similar to the recent allegations surrounding the Clinton Foundation Most people will be surprised to learn that the foundation is located on the forty second floor of the Time Life Building located in Rockefeller Center Until very recently the Rockefeller Foundation was on the forty first floor It was Time Life Inc that purchased the Zapruder Film and hid it for twelve years It shows Kennedys head whipping backwards by a bullet strike to his forehead firmly suggesting a conspiracy Representing thirty five years of research Clash of Dynasties is much more than a whodunit book it is about how the Rockefellerocracy still wields malevolent power from behind a secret network of 501 c 3s philanthropic foundations Rockefeller Ford Carnegie etc Visit rockefellerocracy.com

The Jewish Purging of a Small German Town Maria R. Boes, 2024-11-14 Through the

analysis of 10 oral witness testimonies of local residents and a previously undocumented letter correspondence between a Jewish Holocaust survivor and her gentile friend The Jewish Purging of a Small German Town provides new insights into how the Nazi persecution of the Jewish people unfolded in small towns and communities around Germany Incorporating her own personal reflections on growing up in Salm nster Maria R Boes uncovers the truth about the Jewish residents who lived there and what happened to them after the Nazis came to power in 1933 a story which has been silenced and suppressed Boes charts the town s unsettling trajectory from a harmonious pre Nazi local community to an environment where after initial protracted local resistance Jewish persecution escalated from the boycotting of stores to physical fiscal and emotional acts against Jewish residents The book reveals how this culminated in Jewish residents being purged from the town by 1937 without any paramilitary intervention or outside physical force prior to the 1938 Kristallnacht and long before similar ousters occurred in big cities throughout the country It also shows how Salm nster like other neighbouring towns continued to deny the rightful historical belonging of its Jewish residents long after the war was over and the Nazis had been defeated This microhistory is an illuminating study of the momentous spectre of Germany s small towns being at the forefront of successfully fulfilling Nazi aims to remove Jewish residents driving them out of their homes with the ultimate goal of driving them out of existence
