The Lady or the Tiger is a much anthologized short story written by Frank R Stockton for publication in the magazine The Century in 1882 The Lady or the Tiger has entered the English language as an allegorical expression a shorthand indication or signifier for a problem that is unsolvable The short story takes place in a land ruled by a semi barbaric king Some of the king s ideas are progressive but others cause people to suffer One of the king s innovations is the use of a public trial by ordeal as an agent of poetic justice with guilt or innocence decided by the result of chance A person accused of a crime is brought into a public arena and must choose one of two doors 1 Behind one door is a lady whom the king has deemed an appropriate match for the accused behind the other is a fierce hungry tiger Both doors are heavily soundproofed to prevent the accused from hearing what is behind each one If he chooses the door with the lady behind it he is innocent and must immediately marry her but if he chooses the door with the tiger behind it he is deemed guilty and is immediately devoured by it The king learns that his daughter has a lover a handsome and brave youth who is of lower status than the princess and has him imprisoned to await trial By the time that day comes the princess has used her influence to learn the positions of the lady and the tiger behind the two doors She has also discovered that the lady is someone whom she hates thinking her to be a rival for the affections of the accused When he looks to the princess for help she discreetly indicates the door on his right which he opens The outcome of this choice is not revealed Instead the narrator departs from the story to summarize the princess s state of mind and her thoughts about directing the accused to one fate or the other as she will lose him to either death or marriage The story ends with the question And so I leave it with all of you Which came out of the opened door the lady or the tiger Frank Richard Stockton April 5 1834 April 20 1902 was an American writer and humorist best known today for a series of innovative children s fairy tales that were widely popular during the last decades of the 19th century Born in Philadelphia in the year 1834 Stockton was the son of a prominent Methodist minister who discouraged him from a writing career After he married Mary Ann Edwards Tuttle they moved to Burlington New Jersey where he produced some of his first literary work The couple then moved to Nutley New Jersey For years he supported himself as a wood engraver until his father s death in 1860 in 1867 he moved back to Philadelphia to write for a newspaper founded by his brother His first fairy tale Ting a ling was published that year in The Riverside Magazine his first book collection appeared in 1870 He was also an editor for Hearth and Home magazine in the early 1870s He died in 1902 of cerebral hemorrhage and is buried at The Woodlands in Philadelphia      *The Lady and the Tiger* Jody Lynn Nye,2022-07-06 From a New York Times bestselling author a doctor travels to a colony planet with her animal assistants and stumbles upon a criminal conspiracy Dr Shona Taylor takes on a new assignment on a new space colony and discovers a chilling reality behind a picture perfect planet What price for paradise Jardindor is by most

**A Comprehensive Summary and Analysis of The Lady or the Tiger** Frank R. Stockton,2025-02-22 In the very distant past there reigned a king whose character was a fascinating blend of barbarism and refinement He ruled a kingdom where the echoes of ancient traditions mingled with the progressive ideas borrowed from their Latin neighbours His imagination was a

vibrant tapestry constantly weaving new and extraordinary concepts However his ideas weren't mere flights of fancy Possessing an unyielding authority he had the power to transform these whimsical notions into tangible realities A man deeply inclined towards introspection the king would engage in lengthy deliberations with himself And once he reached a conclusion his decree was carried out without question **The Publishers Weekly**, 1894 **Works on Paper, 1980-1986** Eliot Weinberger, 1986 During the past several years Eliot Weinberger's inventive prose has earned him a reputation as a candid social observer and penetrating essayist Works on Paper is the first collection of his writings twenty one pieces that juxtapose the world as it is and the world as it is imagined by artists poets historical figures and ordinary people Inventions of Asia the first section deals primarily with how the West reinvents the East and how the East invents itself images of India circa 1492 where Columbus thought he was going Christian missionaries in sixteenth century China Bombay prostitutes as seen by a New York photojournalist Tibetan theocracy transplanted to the Rockies a Confucian bureaucrat's address to crocodiles the shifting iconography of the tyger looking for an answer to an ancient Chinese poem of questions how the children of Mao have reinvented Imagism Kampuchea Under Pol Pot Extensions of Poetry explores the ways in which the world affects the imaginations of individual poets George Oppen Langston Hughes Charles Reznikoff Octavio Paz Clayton Eshleman and indeed entire movements leading at times to unexpected incarnations and transformations Weinberger ponders such strange conjunctions as Whittaker Chambers and Objectivism anti-Semitism among American Modernists bourgeois poets present day wards of the academy and the state confronting the issues of peace American foreign policy and The Bomb [Classic Korean Tales with commentaries](#) Choe Key-sook, 2018-02-20 11 Classic Korean Narratives including Myths Folktales Sino-Korean Novels and Poetry Readers can come to know not only the pleasure of reading stories but also delight in learning about Korea through this book like Korean culture Korean history and Koreans ways of thinking in the old days Even though this book consists of only Korean classic narratives this doesn't mean that only Koreans can understand it Everyone can understand and enjoy a Classic What Brings Classics Alive is the Reader's Empathy A lonely boy becomes a hero who establishes a nation a daughter who is abandoned becomes a goddess who manages death a wife and husband both ordinary people become a queen and king in a foreign country or gods of a country These stories show that if people take advantage of their merits and use their power in support of others they can accomplish wonderful things and gain happiness even when they possess nothing special The reason that these stories survive for such a long time without being forgotten and move the people who read them is that people consider the thoughts and feelings in these stories to be precious A Way of Communicating with Time The World of Classical Imagination Reading the classics is similar to the experience of communicating across time The world of classics which appears interesting and mysterious also contains the dreams and hopes of contemporary people Even though the past has disappeared we are encountering the dreams and hopes of people from olden times as you read the classics and fall into the world of these stories *The Lady of the Robins* Adella
