The Lady Of The Camellias:

Camille (□□□) Alexandre Dumas (fils), 2011-10-15 pubOne info present you this new edition In my opinion it is impossible to create characters until one has spent a long time in studying men as it is impossible to speak a language until it has been seriously acquired Not being old enough to invent I content myself with narrating and I beg the reader to assure himself of the truth of a story in which all the characters with the exception of the heroine are still alive Eye witnesses of the greater part of the facts which I have collected are to be found in Paris and I might call upon them to confirm me if my testimony is not enough And thanks to a particular circumstance I alone can write these things for I alone am able to give the final details without which it would have been impossible to make the story at once interesting and complete The Lady of the Camellias Alexandre Dumas fils, 2020-07-07 Set in mid 19th century France the novel tells the love story between Marguerite Gautier a demimondaine or courtesan and Armand Duval a young bourgeois Marguerite is nicknamed lady of the camellias because she wears a red camellia when she is unavailable for making love and a white camelia when she is available to her lovers Armand falls in love with Marguerite and ultimately becomes her lover He convinces her to leave her life as a courtesan and to live with him in the countryside This idyllic existence is interrupted by Armand s father who concerned with the scandal created by the illicit relationship and fearful that it will destroy Armand s sister s chances of marriage convinces Marguerite to leave La Dame aux Cam lias is a semi autobiographical novel based on the author s brief love affair with a courtesan Marie Duplessis *The Lady of the Camellias* Noé Grenier, 2023-04-07 What should we learn from The Lady of the Camellias this tale of an impossible love in the 19th century Find everything you need to know about this work in a complete and detailed analysis You will find in particular in this sheet A complete summary A presentation of the main characters such as Armand Duval and Marguerite Gautier An analysis of the specificities of the work the true story of Marie Duplessis realism and social criticism the turbulent reception of the work and its impact A reference analysis to quickly understand the meaning of the work **The lady of the camellias.
