Harben,2015-07-12 Excerpt from *The Land of the Changing Sun* The balloon seemed scarcely to move though it was slowly sinking toward the ocean of white clouds which hung between it and the earth The two inmates of the car were insensible their faces were bloodless their cheeks sunken They were both young and handsome Harry Johnston an American was as dark and sallow as a Spaniard Charles Thorndyke an English gentleman had yellow hair and mustache blue eyes and a fine intellectual face Both were tall athletic in build and well proportioned Johnston was the first to come to consciousness as the balloon sank into less rarefied atmosphere He opened his eyes dreamily and looked curiously at the white face of his friend in his lap About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Land of the Changing Sun](#) Will Nathaniel Harben,1894 **The Land of the Changing Sun** William N. Harben,2009-02-01 **The Land of the Changing Sun** William Harben,2019-03-21 Originally published on 1894 An early science fiction lost world lost race tale Two adventurers find themselves stranded in an island they are captured by soldiers of an underground kingdom with strict eugenics laws and a connection with our exterior world

The Land of the Changing Sun Will . Harben,2019-01-29 Armchair fiction presents extra large paperback editions of the best in classic science fiction novels Will N Harben s *The Land of the Changing Sun* is the tenth installment of our Lost World Lost Race Classics series and it s a hollow Earth Science Fiction Classic When a pair of air balloonists end up stranded on a lonely island in the Atlantic they soon find themselves rescued by the crew of an incredible underwater vessel They are then taken on a fantastic journey to a lost world deep within the bowels of the Earth Here they encounter a strange race of humans a race that is superior both mentally and physically to the humans of the surface world It is a futuristic civilization of advanced science and unheard of technology living under the rays of a mechanical sun that amazingly changes color with every passing hour But after a brief taste of this newfound utopia our surface adventurers find themselves imprisoned by their hosts with seemingly little chance of ever returning to the surface world again [The Land of the Changing Sun](#) Will Nathaniel Harben,2019-11-08 We are happy to announce this classic book Many of the books in our collection have not been

published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope you enjoy this classic Science-fiction, the Early Years Everett Franklin Bleiler,1990 In this volume the author describes more than 3000 short stories novels and plays with science fiction elements from earliest times to 1930 He includes imaginary voyages utopias Victorian boys books dime novels pulp magazine stories British scientific romances and mainstream work with science fiction elements Many of these publications are extremely rare surviving in only a handful of copies and most of them have never been described before

The Desired Woman Will N. Harben,2019-12-09 In The Desired Woman Will N Harben intricately explores themes of desire societal expectations and gender dynamics through the lens of early 20th century Southern culture The novel employs a rich descriptive narrative style that immerses readers in the complexities of its characters emotions and moral dilemmas Set against the backdrop of a changing society Harben deftly intertwines plot developments with introspective reflections that challenge traditional norms making it a significant contribution to American romantic literature of its time Will N Harben was a notable figure in Southern literature whose experiences growing up in rural Georgia profoundly influenced his writing His keen observations of Southern life combined with a deep understanding of human psychology informed his portrayal of the characters in The Desired Woman This novel reflects the author s commitment to addressing the struggles of women and the often repressive societal structures that shaped their lives offering a poignant commentary on the intersections of love agency and cultural expectation I recommend The Desired Woman to readers interested in rich character driven narratives that challenge societal norms Harben s skillful storytelling and profound insights into the human condition make this work a timeless exploration of desire and identity appealing to anyone interested in the evolution of Southern literature and its reflections on social issues The Sport of the Gods Paul Laurence Dunbar,2019-11-25 In The Sport of the Gods Paul Laurence Dunbar skillfully weaves a poignant narrative that explores the complexities of race class and societal expectations in early 20th century America Through the eyes of the protagonist this novel delves into the struggles of an African American family as they navigate the harsh realities of urban life after relocating from rural South to the bustling streets of New York City Dunbar s use of vernacular speech and rich lyrical prose not only enhances the authenticity of his characters but also situates his work within the broader context of African American literature which sought to challenge prevailing stereotypes and advocate for social justice Paul Laurence Dunbar 1872 1906 was a pioneering African American poet novelist and playwright whose experiences as the son of former enslaved parents deeply informed his writing A graduate of a prestigious high school Dunbar encountered both racial discrimination and literary ambition which motivated him to depict the struggles and aspirations of Black Americans in an era defined by segregation and inequality His unique voice and dedication to exploring the depths of the human experience contribute to his enduring legacy in American

literature Dunbar's *The Sport of the Gods* is a profound exploration of identity and resilience that resonates with contemporary readers. This novel is not just a historical artifact; it is a powerful commentary on societal issues that remain prevalent today. I highly recommend this work for its rich themes, masterful prose, and the insights it provides into the complexities of American identity.

Uncovering Student Ideas in Astronomy Page Keeley, Cary Ivan Sneider, 2012 What do your students know or think they know about what causes night and day, why days are shorter in winter, and how to tell a planet from a star? Find out with this book on astronomy, the latest in NSTA's popular *Uncovering Student Ideas in Science* series. The 45 astronomy probes provide situations that will pique your students' interest while helping you understand how your students think about key ideas related to the universe and how it operates. The book is organized into five sections: the Nature of Planet Earth, the Sun-Earth System, Modeling the Moon, Dynamic Solar System, and Stars, Galaxies, and the Universe. As the authors note, it's not always easy to help students untangle mistaken ideas. Using this powerful set of tools to identify students' preconceptions is an excellent first step to helping your students achieve scientific understanding.
