**Women of the Kakawin World** Helen Creese,2015-01-28 In this fascinating study the lives and mores of women in one of the least understood but most densely populated areas of the world are unveiled through the eyes of generations of court poets For more than a millennium the poets of the Indic courts of Java and Bali composed epic kakawin poems in which they recreated the court environment where they and their royal patrons lived Major themes in this poetry form include war love and marriage It is a rich source for the cultural and social history of Indonesia Still being produced in Bali today kakawin remain of interest and relevance to Balinese cultural and religious identities This book draws on the epic kakawin poetry tradition to examine the institutions of courtship and marriage in the Indic courts Its primary purpose is to explore the experiences of women belonging to the kakawin world although the texts by nature reveal more about the discourses concerning women sexuality and gender than of the historical experiences of individual women For over a thousand years these royal courts were major patrons of the arts The court sponsored epic works that have survived provide an ongoing literary testimony to the cultural and social concerns of court society from its ealiest recorded history until its demise at the end of the nineteenth century This

study examines the idealized images of women and sexuality that have pervaded Javanese and Balinese culture and provides insights into a number of cultural practices such as sati or bela self immolation of widows      *Routledge Handbook of Asian Theatre* Siyuan Liu,2016-02-05 Routledge Handbook of Asian Theatre is an advanced level reference guide which surveys the rich and diverse traditions of classical and contemporary performing arts in Asia showcasing significant scholarship in recent years An international team of over 50 contributors provide authoritative overviews on a variety of topics across Asia including dance music puppetry make up and costume architecture colonialism modernity gender musicals and intercultural Shakespeare This volume is divided into four sections covering Representative Theatrical Traditions in Asia Cross Regional Aspects of Classical and Folk Theatres Modern and Contemporary Theatres in Asian Countries Modernity Gender Performance Intercultural and Musical Theatre in Asia Offering a cutting edge overview of Asian theatre and performance the Handbook is an invaluable resource for academics researchers and students studying this ever evolving field      **Jean Dubuffet, Bricoleur** Stephanie Chadwick,2022-02-10 One of the most prolific and influential artists of the 20th century Jean Dubuffet has featured in a multitude of exhibitions and catalogues Yet he remains one of the most misunderstood and least interrogated postwar French artists Celebrating Art Brut the art of ostensible outsiders while posing as an outsider himself Dubuffet mingled with many great artists writers and theorists developing an elaborate and nuanced stream of conceptual resources to reconfigure painting and reframe postwar anticultural discourses This book reexamines Dubuffet s art through the lens of these portraits a veritable who s who of the Parisian art and intellectual scene in tandem with his writings and the art and writings of his Surrealist sitters Investigating Dubuffet s painting as bricolage this book reveals his reliance upon an anticulture culture and the appropriation of motifs from Surrealism to the South Pacific to explore the themes of multivalence performativity and multifaceted identity in his portraits      Boundaries of the Text Joyce Flueckiger,Laurie Sears,2020-08-06 When the Mahabharata and Ramayana are performed in South and Southeast Asia audiences may witness a variety of styles A single performer may deliver a two hour recitation women may meet in informal singing groups shadow puppets may host an all night play or professional theaters may put on productions lasting thirty nights Performances often celebrate ritual passages births deaths marriages and religious observances The stories live and are transmitted through performance their characters are well known and well loved Yet written versions of the Mahabharata and Ramayana have existed in both South and Southeast Asia for hundreds of years Rarely have these texts been intended for private reading What is the relationship between written text and oral performance What do performers and audiences mean when they identify something as Ramayana or Mahabharata How do they conceive of texts What are the boundaries of the texts By analyzing specific performance traditions Boundaries of the Text addresses questions of what happens to written texts when they are preformed and how performance traditions are affected when they interact with written texts The dynamics of this interaction are of particular interest in South and Southeast Asia where oral performance and written traditions share a long

interwoven history The contributors to *Boundaries of the Text* show the difficulty of maintaining sharp distinctions between oral and written patterns as the traditions they consider defy a unidirectional movement from oral to written The boundaries of epic traditions are in a state of flux contracting or expanding as South and Southeast Asian societies respond to increasing access to modern education print technology and electronic media
