The Last Fast White Boy:

The Whiteboy Mrs. S. C. Hall, 1845 *Mexican WhiteBoy* Matt de la Peña, 2010-01-12 Newbery Award winning and New York Times bestselling author Matt de la Peña's *Mexican WhiteBoy* is a story of friendship acceptance and the struggle to find your identity in a world of definitions Danny is tall and skinny Even though he's not built his arms are long enough to give his pitch a power so fierce any college scout would sign him on the spot Ninety five mile an hour fastball but the boy's not even on a team Every time he gets up on the mound he loses it But at his private school they don't expect much else from him Danny is brown Half Mexican brown And growing up in San Diego that close to the border means everyone else knows exactly who he is before he even opens his mouth Before they find out he can't speak Spanish and before they realize his mom has blond hair and blue eyes they've got him pegged But it works the other way too And Danny's convinced it's his whiteness that sent his father back to Mexico That's why he's spending the summer with his dad's family But to find himself he may just have to face the demons he refuses to see the demons that are right in front of his face And open up to a friendship he never saw coming Matt de la Peña's critically acclaimed novel is an intimate and moving story that offers hope to those who least expect it A first rate exploration of self identity SLJ Unique in its gritty realism and honest portrayal of the complexities of life for inner city teens de la Peña poignantly conveys the message that despite obstacles you must believe in yourself and shape your own future The Horn Book Magazine The baseball scenes sizzle like Danny's fastball Danny's struggle to find his place will speak strongly to all teens but especially to those of mixed race Booklist De la Peña blends sports and street together in a satisfying search for personal identity Kirkus Reviews *Mexican WhiteBoy* shows that no matter what obstacles you face you can still reach your dreams with a positive attitude This is more than a book about a baseball player this is a book about life Curtis Granderson New York Mets outfielder An ALA YALSA Top Ten Best Book for Young Adults A Junior Library Guild Selection [Boy Next Door to Ferguson](#) Edgar T. Jones, 2023-05-26 About the Book A live video was shared on social media when Mike Brown was murdered that I have not seen since the day it was shared I saw the officer shoot him in the head after he was already laid out on the ground from being shot while running away This heartless treatment could not have been committed upon an unarmed human being who was seen as a person like a neighbor or even just a familiar face from the neighborhood What or who did the police and the county prosecutor see Mike Brown to be when his murder was dismissed like the removal of a pest While the world has gotten smaller due to technology and other innovations people have somehow become less and less human to one another We see everything through a screen that filters out feelings and essential realities like the fact that each person has a history and life connections The challenges of life are many but that's how we know that we are alive when we overcome one at a time I wonder what this world would be like if MLK had survived his wound and even Mike Brown Could we have been better next door neighbors to them As small as this world has become no one is any further away than our own next door neighbor so in Edgar Jones's story he hopes you

see what his life was like being the Boy Next Door to Ferguson Boy Next Door to Ferguson is about an ordinary Black boy who struggles in every area including speaking from birth The greatest lesson learned from living will be that every life matters if we only take the time to care The humorous details of growing up next door to Ferguson with the village of Black people that made up Kinloch Missouri will surprise those who can't relate to 50 years of searching for God's blessing just to see it's been all around us all of the time About the Author Edgar T Jones has tried to live up to his community's expectations His parents always worked in politics government and community service so they demanded he at least try to do some good for humanity His only true interest have been in writing to entertain or to educate This is his first published book **The**
