Never Give Up Tedy Bruschi,2009-05-04 Tedy gives you something to believe in Whether we re winning or losing he holds his head high and he knows himself and handles himself so well others can t help but follow him The way he practices and plays forces you to become a better teammate the way he demands hustle and toughness forces you to become a better leader and the way he carries himself inspires you to become a better person This made his return to playing on October 30 against Buffalo all the more electrifying The stadium was louder that night than the nights we had raised our Super Bowl banners Our captain our leader our inspiration was back on the field doing what he loved to do Tedy had spent months rehabbing had countless doctor visits and had undergone hundreds of tests trying to play again Just eight months after our victory in Super Bowl XXXIX here we were celebrating a much bigger victory on our home field Sure it was great to win the game but that night we were celebrating Tedy s return as he showed us teammates fans

family and friends what it takes to become victorious in life You might be coming to this book as a fan of Tedy s football skills and don t get me wrong gaining the insights of one of the best defenders in Patriots history is worth the price of admission but that s just part of the story There are a lot of reasons to look up to him and I promise you will finish this book with an admiration for him on a much deeper level Tom Brady from the Foreword **Press Summary - Illinois Information**
