The Last Light Of The Sun:

The Last Light of the Sun Guy Gavriel Kay, 2005-04-05 A powerful moving saga evoking the Celtic Anglo Saxon and Norse cultures of a thousand years ago from the acclaimed author of The Fionavar Tapestry A historical fantasy of the highest order the work of a man who may well be the reigning master of the form The Washington Post Book World Bern Thorkellson punished for his father's sins denied his heritage and home commits an act of vengeance and desperation that brings him face to face with a past he's been trying to leave behind In the Anglcyn lands of King Aeldred the shrewd king battling inner demons all the while shores up his defenses with alliances and diplomacy and with swords and arrows Meanwhile his exceptional unpredictable sons and daughters give shape to their own desires when battle comes and darkness falls in the spirit wood And in the valleys and shrouded hills of the Cyngael whose voices carry music even as they feud and raid amongst each other violence and love become deeply interwoven when the dragon ships come and Alun ab Owyn pursuing an enemy in the night glimpses strange lights gleaming above forest pools Making brilliant use of motifs from saga and song and chronicle Guy Gavriel Kay conjures a work of subtle intricate richness bringing to life an unforgettable world balanced on the knife edge of change

Last Light Claire Kent, 2019-11-13 It only took four years for the world to fall apart Now the last member of my family has died and I'm forced to travel across what's left of three states to find the only people I know left alive To survive I'll have to salvage food and supplies and try to avoid violent men who've learned they can take what they want by force The only way I'm going to make it is by trusting Travis Travis used to fix my car and now he's all I have left in the world He's gruff and stoic and unfriendly and I don't really know or like him But he's all I have left He'll keep me safe We'll take care of each other Until we reach what's left of our town and can finally let go of one another Last Light is a standalone post apocalyptic romance set in the near future after a global catastrophe

A Song for Arbonne Guy Gavriel Kay, 2002-11-05 From the critically acclaimed author of The Fionavar Tapestry comes an epic fantasy novel of love both courtly and forbidden and two kingdoms endlessly opposed Blaise of Gorhaut is a warrior He fought for his king and country until the king died with an arrow in his eye at the battle of Iersen Bridge and a dishonorable treaty ceded a good part of his country to foreign hands He has broken relations with his father adviser to the king of Gorhaut and abandoned the use of his family name Now Blaise is a mercenary He never expected to work for the lords of Arbonne the warm fertile lands south of Gorhaut whose people praise the love of women they even worship a goddess instead of the god They are a soft people or so he thought But for all their nonsense about love their troubadours and songs they will fight for their country when invasion comes from the north

The Last Light Louis Loukraft, As twilight surrenders to night a sinister force awakens Violis Ade the enigmatic keeper of the lone lighthouse faces a chilling test of resolve when spectral beings known as Lurkers skulk forth from the shadows embrace These otherworldly entities drawn to light but shrouded in darkness encircle Violis's sanctuary their malevolent presence growing ever more cunning with each relentless assault When a band of desperate wanderers seeks shelter within the lighthouse's protective glow Violis reluctantly ushers them in Among their number is Lena an aloof yet brilliant scientist Caleb a steadfast warrior driven by loyalty and Evelyn whose empathic touch binds the group together Together they must guard the beacon against the unyielding onslaught of the Lurkers The mysterious arrival of Zara a cryptic figure with unsettling insights into the creatures origins offers a glint of hope Yet as treachery and suspicion fracture their fragile alliance from within the Lurkers evolve and unify with chilling efficiency Desperate to turn the tide Violis devises a perilous gambit to disrupt the Lurkers collective consciousness by overloading the

Last Light Over Carolina Mary Alice Monroe,2009-07-14

From beloved New York Times bestselling author Mary Alice Monroe comes a new novel of the sultry South Carolina lowcountry and the proud traditions and earthy resilience of the people who live there Publishers Weekly embraced *Time Is a River* Monroe's novel of strong Southern women saying the author's love for her characters is palpable throughout Now she returns with *Last Light over Carolina* the deeply moving story of another strong woman Carolina Morrison struggling to prove that love is a light that never dies Every woman in the lowcountry knows the unspoken fear that clutches the heart every time her man sets out to sea Now that fear has become a terrible reality for Carolina Morrison Her husband shrimp boat captain Bud Morrison the only man she's ever loved is lost and alone somewhere in the vast Atlantic fishing grounds with a storm gathering and last light falling As the action unfolds on this one terrifying illuminating day Carolina and Bud Morrison look back across thirty years of love and loss joy and sorrow Carolina walked away from a well to do upbringing to marry Captain Bud Morrison She embraced his extraordinary lifestyle by the sea and the customs of a historic shrimping village Yet lately hard times and the loneliness of long separations have driven them apart and driven her to make a mistake that threatens to shatter their once unbreakable bond forever When Bud Morrison is overdue at the docks the close knit community rallies together to search for one of its own But Carolina knows that it is their love that must somehow call him home across miles of rough water and unspeakable memories And she swears that if she is given one more chance for love and for forgiveness nothing will ever take her from this man's side again In *Last Light over Carolina* Mary Alice Monroe once again explores a vanishing feature of the southern coastline the mysterious yet time

honored shrimping culture in a convincing and compelling tale of an enduring marriage *When The Last Light Fades* Samantha VanGundy, In a world drowned in ash and silence where humanity teeters on the edge of extinction Lena Carter survives one heartbeat at a time Alone scarred and carrying more ghosts than memories she wanders the ruins of civilization with nothing left to lose until she meets Veyr a vampire who should have been a monster but chooses not to be Their bond is born in blood but not in violence It s forged in fire trust and the terrifying risk of hope Together they face broken settlements corrupted bloodmarked and the remnants of a twisted order called the Hollow an empire of control and cruelty that refuses to die As Lena rises from survivor to leader she must navigate impossible choices between power and mercy between the past and the future between vengeance and something softer more fragile love With Veyr at her side and enemies rising from the shadows of his own bloodline she dares to do the unthinkable Not to destroy the old world But to rewrite it Rich with raw emotion haunted history and a romance that burns in the quiet places *When the Last Light Fades* is a story of choosing love in the aftermath of everything It s about what comes after the fire and who we become when we walk through it **The Last Light of Lyra Kids' Stories Book** Ayokunle Mathew Akinbi,2025-09-10 First the ruby red berries turned a rusty brown Then the sky faded from brilliant blue to a weary endless grey In the world of Lyra the light color and laughter are disappearing replaced by a creeping hopeless gloom For a young girl named Gloria this fading world is becoming all she knows But everything changes when she captures a single pulsing spark of brilliant blue light a living piece of Lyra s fading magic Now guided by a map woven from starlight and a compass that follows the song of a moonpetal Gloria must embark on a perilous quest to the dreaded Sunken Spire Her journey will take her through the chiming Forest of Glass Butterflies and across a river that flows backward She must solve the riddle of a grumpy bridge troll and escape the clutches of the terrifying Gloom lurkers who feast on despair The darkness is growing and Gloria with her one tiny spark may be the world s only chance But she will soon discover that the most powerful magic isn t just a spark in a jar but the courage and hope we carry inside ourselves *Last Light* Richard Lacayo,2022-10-11 One of the nation s top art critics shows how six great artists made old age a time of triumph by producing some of the greatest work of their long careers and in some cases changing the course of art history Ordinarily we think of young artists as the bomb throwers Monet and Renoir were still in their twenties when they embarked on what would soon be called Impressionism as were Picasso and Braque when they ventured into Cubism But your sixties and the decades that follow can be no less liberating if they too bring the confidence to attempt new things Young artists may experiment because they have nothing to lose older ones because they have nothing to fear With their legacies secure they re free to reinvent themselves sometimes with revolutionary results Titian s late style offered a way for pigment itself not just the things it depicted to express feelings on the canvas foreshadowing Rubens Frans Hals 19th century Impressionists and 20th century Expressionists Goya s late work enlarged the psychological territory that artists could enter Monet s late waterlily paintings were eventually recognized as prophetic for the centerless diaphanous

space developed after World War II by abstract expressionists like Jackson Pollock and Phillip Guston In his seventies Matisse began to produce some of the most joyful art of the 20th century especially his famous cutouts that brought an ancient craft into the realm of High Modernism Hopper the ultimate realist used old age on occasion to depart into the surreal And Nevelson the patron saint of late bloomers pioneered a new kind of sculpture wall sized wooden assemblages made from odds and ends she scavenged from the streets of Manhattan Though these six artists differed in many respects they shared one thing a determination to go on creating driven not by the bounding energies of youth but by the ticking clock that would inspire them to produce some of their greatest masterpieces
