**The Last Nazis** Professor Perry Biddiscombe, 2004-06-30 The history of the shadowy

Werewolf guerrilla bands formed at end of the Second World War as the last desperate defence of Nazis Founded by Heinrich Himmler in 1944 when it became clear Germany would be invaded the Werewolf guerrilla movement was given the task of slowing down the Allied advance to allow time for the success of negotiations or wonder weapons Staying behind in territory occupied by the Allies its mission was to carry out acts of sabotage arson and assassination both of enemy troops and of defeatist Germans Perry Biddiscombe has researched the movement exhaustively and details Werewolf operations against the British Russians and fellow Germans on the Eastern and Western Fronts and in the post war chaos of Berlin Giving the lie to the established story of a cowed German population meekly submitting to defeat this is a fascinating insight into what has been described as the death scream of the Nazi regime

**To Look a Nazi in the Eye** Kathy Kacer,2017-09-12 The true story of nineteen year old Jordana Lebowitz s time at the trial of Oskar Groening known as the bookkeeper of Auschwitz a man charged with being complicit in the deaths of more than 300 000 Jews A granddaughter of Holocaust survivors Jordana was still not prepared for what she would see and hear Listening to Groening s testimony and to the Holocaust survivors who came to testify against him Jordana felt the weight of being witness to history a history that we need to remember now more than ever

**The Perfect Nazi** Martin Davidson,2012-03-06 What if you found out that your grandfather had been a Nazi SS officer This is the confession that Martin Davidson received from his mother upon the death of demanding magnetic grandfather Bruno Langbehn The Perfect Nazi is Davidson s exploration of his family s darkest secret As Davidson dove into his research drawing on an astonishing cache of personal documents as well as eyewitness accounts of this historical period he learned that Bruno s story moved lock step in time with the rise and fall of the Nazi party from his upbringing in a fiercely military environment amid the aftermath of World War I to his joining the Nazi party in 1926 at the age of nineteen more than six years before Hitler came to power to his postwar involvement with the Werewolves the gang of SS stalwarts who vowed to keep on after the defeat of Nazism Davidson realized that his grandfather was in many ways the perfect Nazi his individual experiences emblematic of the generation of Germans who would plunge the world into such darkness But he also realized that every fact he uncovered was a terrible truth he himself would have to come to terms with

**The Nazis, the Vatican, and the Jews of Rome** Patrick J. Gallo,2023-02-15 On October 16 1943 the Jews of Rome were targeted for arrest and deportation The Nazis the Vatican and the Jews of Rome examines why and more importantly how it could have been avoided featuring new evidence and insight into the Vatican s involvement At the time Rome was within reach of the Allies but the overwhelming force of the Wehrmacht Gestapo and SS in Rome precluded direct confrontation Moral condemnations would not have worked nor would direct confrontation by the

Italians Jewish leadership or even the Vatican Gallo underscores the necessity of determining what courses of actions most likely would have spared Italian Jews from the gas chambers Examining the historical context and avoiding normative or counterfactual assertions this book draws upon archival sources ranging from diaries to intelligence intercepts in English Italian and German With antisemitism on the rise today and the last remaining witnesses passing away it is essential to understand what happened in 1943 The Nazis the Vatican and the Jews of Rome grapples with this particular awful episode within the larger horrifying story of the Holocaust Despite the inadequacy of memory we must continue to attempt to make sense of the inexplicable

**Nazis on the Run** Gerald Steinacher, 2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports and the role played by the Red Cross the Vatican and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals providing them not only with secret escape routes but hiding places for their loot Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals including Adolf Eichmann showing how they mingled and blended with thousands of technically stateless or displaced persons all flooding across the Alps to Italy and from there to destinations abroad The story of their escape shows clearly just how difficult the apprehending of war criminals can be As Steinacher shows all the major countries in the post war world had mixed motives for their actions ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East West confrontation after 1947 which led to many former Nazis being recruited as agents turned in the Cold War

**Nazi Intelligence Operations in Non-Occupied Territories** Christopher Vasey, 2016-07-14 Drawing heavily on recently declassified sources this examination of German wartime intelligence services traces the logistical and strategic expansion of the Third Reich's foreign covert operations in World War II Beginning with the changes introduced to counteract institutional neglect the author describes attempts to penetrate both neutral and adversarial nations outside territories occupied by the Wehrmacht The Nazis created covert teams for counterintelligence and penetrating border defenses Strategies were formed for assembling saboteur divisions in North and South America while data were gathered on industrial installations to target American fascist movements of the 1930s are discussed along with Nazi sabotage missions in the United States and intelligence penetrations and domestic collusion in Latin America

*The Death of Judeo-Christianity* Lawrence Swaim, 2012-07-27 The Israeli Palestinian conflict is not mainly about politics nor religion nor even geo politics It is about pathology The traumas of the 20th century have driven millions of intelligent capable people into active psychological pathologies which they experience as ideological realities Some of the cult like groups associated with Christian evangelicals and the national religious settlers in Israel will settle for nothing less than an apocalyptic religious war to punish the world for allowing the Holocaust to happen

Archer, 2013-10-31 Half a century after the collapse of the Nazi regime and the Third Reich scholars from a range of fields continue to examine the causes of Nazi Germany An increasing number of young Americans are attempting to understand the circumstances that led to the rise of the Nazi party and the subsequent Holocaust as well as the implication such events may have for today as the world faces a resurgence of neo Nazism ethnic warfare and genocide In the months following World War II extensive psychiatric and psychological testing was performed on over 200 Nazis in an effort to understand the key personalities of the Third Reich and of those individuals who just followed orders In addressing these issues the current volume examines the strange history of over 200 Rorschach Inkblot protocols that were administered to Nazi war criminals and answers such questions as Why the long delay in publishing protocols What caused such jealousies among the principals How should the protocols be interpreted Were the Nazis monsters or ordinary human beings This text delivers a definitive and comprehensive study of the psychological functioning of Nazi war criminals both the elite and the rank and file In order to apply a fresh perspective to understanding the causes that created such antisocial behavior these analyses lead to a discussion within the context of previous work done in social and clinical psychology Subjects discussed include the authoritarian personality altruism obedience to authority diffusion of responsibility and moral indifference The implications for current political events are also examined as Neo Nazism anti-Semitism and ethnic hate are once again on the rise While the book does contain some technical material relating to the psychological interpretations it is intended to be a scholarly presentation written in a narrative style No prior knowledge of psychological testing is necessary but it should be of great benefit for those interested in the Rorschach Inkblot test or with a special interest in psychological testing personality assessment and the history of psychology It is also intended for readers with a broad interest in Nazi Germany **The Last Five Hours of Austria** Eugen Lennhoff, 1938 *The Nazis' Flight from Justice* Richard Dargie, Julian Flanders, 2021-05-01 Whatever happened to the Nazis after World War II While the Nuremberg trials saw key party members prosecuted it was impossible to imprison every German who had supported the Third Reich This is the story of what happened to the Nazis who escaped justice These cases include The Nazis who ran away to South America and the Nazi hunters who tracked them down Useful Nazis such as Wernher von Braun who became the rocket scientists for other nations Those who joined the popular nostalgia based German Veterans Associations who loved to keep
