**The Last of the Wine** Mary Renault, 2015-08-06 All my sense of the ancient world its values its style the scent of its wars and passions comes from Mary Renault Her Theseus novels are perhaps the most exciting of her Greek fictions and The Last of the Wine the most moving I turned to writing historical fiction because of something I learned from Renault that it lets you shake off the mental shackles of your own era all the categories and labels and write freely about what really matters to you EMMA DONOGHUE Mary Renault's portraits of the ancient world are fierce complex and eloquent infused at every turn with her life long passion for the Classics Her characters live vividly both in their own time and in ours MADELINE MILLER Combining the scholarship of a historian with the imagination of a novelist Mary Renault masterfully brings the ancient world to life in this page turning drama of the Peloponnesian War Alexias a young Athenian of good family comes of age during the last phases of the Peloponnesian War The adult world he enters is one in which the power and influence of his class have been undermined by the forces of war Alexias finds himself drawn to the controversial teachings of Socrates following him even though it at times endangers both his own life and his family's place in society Among the great teacher's followers Alexias meets Lysis and the two youths become inseparable together they wrestle in the palaestra journey to the Olympic Games and fight in the wars against Sparta As their relationship develops against the background of famine siege and civil conflict Mary Renault expertly conveys the intricacies of classical Greek culture Mary Renault is a shining light to both historical novelists and their readers She does not pretend

the past is like the present or that the people of ancient Greece were just like us She shows us their strangeness discerning sure footed challenging our values piquing our curiosity she leads us through an alien landscape that moves and delights us  
HILARY MANTEL The most vivid and convincing reconstruction of ancient Greek life that I have ever seen Sunday Times

**The Last of the Wine** Mary Renault (pseud.),1956      The Wines of Argentina, Chile and Latin America Christopher Fielden,2003-02-13 After Europe Latin America is one of the major wine producing areas of the world yet very little has been written about its wines This title follows the transformation of winemaking in these countries examines in detail each of the wine growing areas and explains how these now extremely popular wines were until relatively recently more or less unknown There are details of more than 230 producers from Peru to Cuba with insight into the challenges faced by some of the lesser known countries and regions It also explains the role of other internationally respected wine names such as Torres Mondavi and Rolland      Gone With the Wine Kelly Jamieson,2025-05-13 Where there s a wine there s a way Bianca I left Napa Valley to forge my own winemaking path But when I co inherit my Nonna s share of the legendary Martinelli Lamberti vineyards I intend to bring in the harvest then fly right back to Argentina where I m more than just the invisible middle child of a runaway mother Until I encounter Jansen Beck a handsome newcomer to Napa who lights me up like a good malbec A retired hockey star who just bought an old established neighboring winery Jansen My sum total of winemaking knowledge would fit under a hockey puck But partnering with Bianca will be a win win my state of the art lab combined with her knowledge will bring the sexy brunette into my orbit more often and maybe convince her I can be a success even without skates and a stick Trouble is I ve got baggage And she s itching to pack hers and blow this cabernet stand While we work together picking crushing and fermenting the attraction between us is causing another chemical reaction And with wine and with life it s not healthy to keep things bottled up      **The Wines of the World Characterized & Classed** Henry Vizetelly,2025-08-27 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **Chinese Decorative Arts** Sotheby Parke Bernet & Co,1982      **The Wines of Bordeaux** Clive Coates,2004 Written by the leading international expert on French wine and sumptuously produced with a wealth of color illustrations and stunning line drawings this book covers all the vineyards of Bordeaux      **The Wines of the Bible** A. M. Wilson,1877 Having been a teetotaler for more than thirty years the author s personal habits associations and sympathies have all been in favor of the unfermented theory but the facts encountered in the present investigation have constrained him reluctantly to conclude that so far as the wines of the ancients are concerned unfermented wine is a myth Preface      The Wine-drinker's Manual ... ,1830      **The Wines of Chile** Peter Richards,2006-11-16 Region by region award winning writer Peter Richards takes us through all of Chile s many winemaking areas Starting with the history of Chile and its wine industry the work includes details on the country s diversity of terroirs the range of wine styles available and the variety of
