The Last Pope:

The Last Pope Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church *The Last Pope* examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope Francis in the context of what will potential be the most challenging era for the papacy *The Last Pope* seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity

The Prophecy of the Last Pope - Is This Finally the End? Milton Boothe, 2013-02-24 The often predicted Rapture a protestant interpretation of the Second Coming of Christ was supposed to happen on March 21 2011 according to some of a popular persuasion but it didn't The world was supposed to end December 21 2012 as per the Mayan calendar but it didn't So what should we expect now with Pope Francis election According to Saint Malachy's prophecy this pope is supposed to be the last one in this almost 2000 year old line of illustrious pontiffs Saint Malachy's Prophecy of the Popes began with Celestine II who was the 165th Pope This publication however shall look at the papacy from St Peter at the very beginning right up to the alleged last pope Peter the Roman In the first segment that is from St Peter the first pope through to Innocent II the 164th Pope we will look at each pope from an historical perspective only The popes reigned between A D 33 and A D 1143 Most of the early popes of this era were considered martyrs having faced the brutal persecution of the Romans However as we shall see from the perspective of proper Christian conduct the character of many of the popes at the latter end of this era left very much to be desired The papacy of this era was plagued with instability and corruption and was characterized by periods of very short reigns with some popes reigning for just mere days This is the period when the popes delved deeply into dirty politics got involved in wars and infighting corruption depravity violence murder greed and lust for power Popes were involved in adultery homosexuality and fathering illegitimate children In the second segment we shall take a detailed look at the prophecies of Saint Malachy as they relate to each of the 112 popes he saw in his vision Contained therein is a complete list of the 112 popes ranging from Celestine II who was the 165th pope in A D 1143 to Peter the Roman who is alleged to be the final pope at the end of the world For each pope the publication documents the following the pope's number the period he reigned the prophetic motto Malachy used to describe him and the explanation

of the motto as it was played out in history You will find the uncanny accuracy of these prophecies to be utterly amazing On the night of March 13 2013 Cardinal Jorge Mario Bergoglio from Argentina was elected as the Catholic Church's new pope taking the name Francis Thousands of Catholics gathered under umbrellas outside St Peter's Basilica and eagerly listened to the church's 266th pontiff who addressed the faithful from the balcony On the surface Pope Francis a man of apparent humility seems to be a very unlikely candidate for the prophecy but we will all have to watch and see what unfolds as this new Pope gets settled in the seat of power Folks we are seemingly headed for some very interesting but disturbing times Will this supposedly man of such great humility be the false prophet who will be working alongside the antichrist in the final days of human history

Pope Francis: The Last Pope? Leo Lyon Zagami, Brad Olsen, 2015-03-05 Pope Francis The Last Pope reveals the possible reasons for the choice of historical abdication of Benedict XVI and traces the process that led to the election of Cardinal Bergoglio the Pope who many have prophesized will be the last and will bring the Catholic Church to its end The book details the history of this prophecy which was hidden away in the Vatican for hundreds of years and predicts that the reign of the last Pope will herald the beginning of great apostasy followed by great tribulation It also explores the recent scandals in the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI What powers have an interest for the Church to end and What is the relationship between the Vatican and the New World Order Perfect for anyone interested in prophecies about the end times Pope Francis The Last Pope reveals the truth about what numerology says about the last Pope and the darkness that may follow him as well as fascinating investigations into the gay lobby Freemasonry and the Jesuit agenda in the Vatican and how it relates to the first Borgia Pope the legend of the White Pope and the Black Pope and how Benedict's resignation may fulfill an ancient prophecy

The Last Pope Robert Howells, 2016-09-23 Robert Howells is a highly regarded writer and researcher who has investigated esoteric and historic mysteries for the past 20 years This book examines the possibility that the prophecies were a 16th century forgery created for propaganda in a papal election Analyses the accuracy of the prophecies and investigates the history of prophecy within the Catholic Church A timely release as the prophecies in the book predict that the current Pope will oversee the fall of the Vatican A must buy for the large number of people who are fascinated by unresolved mysteries in the history of Christianity

Michael James M. McGrenere, 2005-12-20 This story is predicated upon the little known fact that any male who has been baptized as a Christian is eligible to become Pope The Catholic Church usually requires that he also be confirmed This however is not the real impediment as such a thing is most unlikely to happen on the face of it Unless of course if as the Church proclaims the Holy Ghost actually exists St Malachy an Irish mystic created a remarkably accurate list of Popes from his day in the 1300s to beyond our present time According to this list there are to be two more Popes a short reign and then the last Pope What would the world be like if the Holy Ghost did interfere in the election of the last Pope That does indeed present us with many interesting possibilities This book is in eight parts starting with THE END OF DAYS

The story opens in the late spring of 2007 with a conclave to elect a successor to the second last Pope For a number of months it has been deadlocked when a series of dreams introduce a name that eventually is voted as the next Pope A search finds the possessor of that name and a birthmark on his neck that will make him Pope THE COMING We go back to Ireland in 1896 where one of the O Shey twins is murdered in a most gruesome manner The other runs off to Canada He marries a young woman he meets in a most unusual manner on the ship They have a family and we follow their son Patrick Paddy O Shey who has a very eventful life as a professional baseball player and war hero and despite his feeling of failure his son becomes the new Pope WAR Concerns the exploits of Paddy O Shey while in France in 1940 JOURNEY TO NOW Here we follow the quiet life of our hero James Michael O Shey from birth until he is most unexpectedly picked to be Pope With a stop to cover the exploits of his father in the Far East during the war against the Japanese FROM PERDITION TO PERIL Back to Ireland in 1896 where the murdered of the O Shey twin one Jack Cassidy runs away in great remorse for the obscenity he has committed He goes to England and to the astonishment of even himself becomes a Catholic a lawyer a General serving in WWI and long time member of parliament his son Aaron who lives a quiet life has a son he names for his father James Winston Cassidy becomes the Cardinal Archbishop of Westminster and the antagonist to the new Pope He is one of the ones who tries to kill Michael IN THE BEGINNING This section follows Michael as he accepts the charge to be Pope He introduces a new theology into the Church dissolves the College of Cardinals and calls an Ecumenical Council He fires every bishop and most of the workers in the Curia and replaces them temporarily until the council can decide on the future structure of the Church He replaces over a thousand Bishops with men who are not wedded to the fear based past END OF THE BEGINNING Here we follow Michael as he meets the world and introduces his new theology travels to Canada the United States and the UN survives a number of attempts on his life and generally puts his house in order He introduces the universal Catholic Church and meets the resistance from the frightened ones with alacrity and forceful theological dexterity However a supposed miracle put a bit of a damper on his enthusiasm THE END OF THE BEGINNING Michael sets forth the criteria for the Council When all seems to be going as expected he is faced with a double attempt to kill him With this negative adventure and a metaphysical juxtaposition the fate of the Universal Catholic Church is put on hold while the readers make up their minds as to the desirability of the message that Michael preaches

The Last Days Alan R. Peters, 2014-07-08

Newly appointed Pope Francis I is not only supposed to be the last one according to the 12th century Irish prophet Malachy but it is claimed that he will also be The Anti Christ So how can he be the Last Pope and how could such a devout Christian be labelled The Antichrist Other entities predicted to appear in The End Times are The False Prophet and The Beast which will allegedly force everyone to worship him and his image and have his name written on their foreheads or be killed It is no wonder that people including Christians for whom the Bible is written dismiss the Book of Revelation as pure nonsense It looks a grim future indeed if these prophecies are to be fulfilled but it may come as a tremendous surprise to learn that the

Beast 666 and the Image of The Beast are in fact two separate entities both of which have fulfilled their prophecies and passed into obscurity years ago This book attempts to put together a complete picture of the predicted Last Days and understand what is likely to happen using information contained in The Bible but interpreted with 21st century knowledge and understanding

Pope Francis: The Last Pope? Leo Lyon Zagami,2015-01-28 TREACHERY INTRIGUE AND WORLD DOMINATION BEHIND THE VATICAN WALLS The last pope narrative regained importance with the historical abdication of Pope Benedict XVI in February 2013 His resignation led to the surprising election of Cardinal Jorge Bergoglio as the first Jesuit pope in history It's very unusual to have two popes living in the Vatican at the same time What's more Pope Francis fits the profile of one whom many have prophesied to be the last and who will oversee the final transformation and destruction of the Catholic Church This book details the history of various prophecies some of which were hidden away in the Vatican for hundreds of years and predicts that the reign of the last pope will herald the beginning of great apostasy followed by great tribulation Pope Francis The Last Pope Money Masons and

Occultism in the Decline of the Catholic Church also explores the recent scandals within the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI What powers have an interest for the Church to end and What is the relationship between the Vatican and the New World Order Ideal for anyone interested in prophecies about the end of times Pope Francis The Last Pope reveals the truth about the extent of Freemasonry's influence in the Vatican and the darkness that may follow the parallel institutions as well as fascinating investigations into the Gay Lobby presence of Islamic prayers in the Vatican the Jesuit agenda the legend of the White Pope and the Black Pope the Third Secret of Fatima and how Benedict's resignation may fulfill an ancient prophecy The author substantiates his research by including secret never before seen documents as well as hard evidence from the heart of Freemasonry and the Holy See

The Last Pope? Thomas Horn, 2013-07-02 The Last Pope takes you to Rome Geneva Belfast and the U S to discover the story of venerated Irish prophet St Malachy Locked away inside the Vatican archives for 400 years Malachy's Prophecy of the Popes emerged in the late 1500s at a time of great papal upheaval Heralded then as a miraculous development the prophecy's origin and early years are cloaked in murky mysticism According to Malachy's Prophecy with the recent election of a new pope a time of vast biblical significance is now at hand Container [The Last Pope](#) Ph. D. Bob Thiel, 2013-03-01 Many believe that Pope Benedict XVI was number 111 of the 112 popes prophesied by the Catholic saint and Bishop Malachy Some have said that there would only be 112 and since Pope Francis I is after Pope Benedict XVI this could make him 112 Peter the Roman the last pope the pope who Bishop Malachy said would oversee the destruction of Rome and this is consistent with biblical prophecy Catholic prophecies also tell of an antipope who will betray that faith Could this really be Pope Francis I Is Pope Francis I possibly the Antichrist What will happen in the future if he or a successor is *The Roman Peter II...The Last Pope?* George R. Araujo-Matiz, 2007-02 In the final persecution of the Holy Roman Church there will reign Peter the Roman Saint Malachy supposedly said who will feed his flock amid many tribulations after which the seven hilled city will be destroyed and the dreadful Judge will judge the people These chilling words serve as the opening passage of a captivating book by Jorge R Araujo Matiz *The Roman Peter II The Last Pope* which taps into the frightening possibility that Saint Malachy's prophecy about the last Pope may prove just as accurate as those of the preceding popes In Araujo Matiz's breathtaking thriller the Catholic Church ignites the fuse of Saint Malachy's unsettling prophesy by breaking with tradition in selecting a successor to Pope Benedict XVI Instead of choosing a church leader to serve as the new pope they select a member of the laity who also happens to be a rich man as opposed to a devout ascetic and most remarkably of all a Judeo Palestinian rather than a Catholic Born Simon Rosenthal the new Bishop of Rome and earthly head of the Roman Catholic Church becomes Pope Peter II and begins a monumental process of changing the focus of the Catholic Church to achieve impossible good devoting its enormous financial assets in addition to his own to try to stop and even reverse the most significant problems facing humanity and the planet itself including global warming widespread poverty and unending

hunger Not surprisingly with all of the vested interests in the world taking one side or the other in the pivotal debates about the new policy of the Catholic Church unprecedented conflict erupts among various special interest groups leading to bloodshed terrorism and other forms of violence When Pope Peter II makes his best effort to avoid disaster partially by organizing a global meeting in Israel to bring together the leaders of the world s religions he is taken hostage by opposition groups In this nail biter of a novel the stakes are frighteningly high as Special Forces attempt to rescue the pope in time to prevent world calamity Yet even if they succeed there is no guarantee that Pope Peter II will be able to negotiate the history changing peace among the world s competing religions and governments that he has envisioned The Roman Peter II The Last Pope Pulls readers into a story as Fast paced and compelling as anything penned by author Dan Brown A compelling and well researched story Jorge R Araujo Matiz s work of fiction is made all the more chilling by the real life visions of Saint Malachy which just may turn out to be more accurate than even his supporters might fear **History of the Popes of Rome.**

seventy fourth in this sequence Historical longevity with its inevitable repertoire of accumulated drama though entralling is but just one of the facets that make papal elections so captivating The dignified pomp as red clad cardinals solemnly congregate in Rome the obstinate obfuscation as to who is in the running to be the next pope and the eagerly awaited color coded smoke signals sfumata are matchless and enduring Even the urn that serves as the ballot box is a bona fide work of art by a well known Italian sculptor in silver and gilded bronze with an abstract depiction of the Good Shepherd gracing the top of the tilting lid Thus to say that papal elections are unique is an understatement of considerable magnitude hence the potential to fascinate That is where The Next Pope comes in It deals unstintingly with the traditions the norms the papabili the rituals the dynamics the politics the mechanics the laws the precedents and the pertinent history of papal elections This handbook will therefore both stoke and satisfy the reader s fascination as to how the next pope will come to be elected Page 4 of cover **Recollections of the Last Four Popes and of Rome in Their Times** Nicholas Patrick Wiseman,1858
