The Last Run:

The Last Run Greg Rucka, 2011-04-26 In the Special Operations Section of the British Secret Intelligence Agency there are only three ways you leave the job You re promoted out you quit or you die Tara Chace has been waiting for the first while avoiding the third After ten years though she s getting old and she s getting slow and the time has come for her to step aside But before she can leave the Section to younger hands a mysterious message out of the past has Chace embarking on one final run into the most dangerous field of operations in the world Iran Communication from a decades silent agent brings with it the potential for a devastating blow against a repressive regime Chace s instructions are clear Bring the agent out alive But nothing in service of Queen and country is ever that simple With allies and enemies alike all serving their own agendas Chace finds herself alone hunted and racing the clock to complete what is destined to be her last run

The Last Run David Burns, 2015-08-26 *The Last Run* by David Burns Coursing through the rugged mountains of Eastern Oregon is Lookingglass Creek named after Chief Lookingglass a little known warrior of the Nez Perce tribe Although this book is fiction it depicts the real life struggle for the Northwests most precious resource water Lookingglass Creek becomes the home of one of the most beautiful fighting fish the fire fish Somehow this gorgeous fish has managed to defy the rules of nature evolving to combine the tenacity of the steelhead with the power and strength of a Chinook salmon Indigenous to Lookingglass Creek the fire fish is found nowhere else in the world There is just a tiny population remaining and these genes must be saved to be passed on for future generations including those dedicated fishermen brave enough to tangle with one of these water warriors Recovering from a nasty divorce the main character Travis Rexton returns to college to become a fisheries biologist this true calling in life He teams up with a young tribal member Charlie Lookingglass Together they vow to save this endangered fish at all cost Little do they know despite their expertise and degrees the survival of the fire fish ends up depending entirely on their little friend and fishing buddy six year old Tyson Nightsky

Last Run S. Thomas Bailey, 2017-10-26 Jacob Murray finally has what he wanted almost He is still tired from a war that has dragged on close to seven years He desperately wants to get home but he has his obligations He finally has Maggie by his side only as fate has it heartbreak is always around the corner The French are desperate as well Hope is fading after losing their prized walled city Now the unforgiving Canadian winter stands in their way The river connecting them to France will sit frozen for the next six months keeping them in their winter quarters until the spring thaw Winter in 1760 Quebec City is wrought with death disease and depleted food supplies The victorious British garrison is burdened with repairing a bombed city weakened defenses and a local population who despise their presence The threat of a French counterattack looms yet running out of fire wood is a far more serious fate Trapped in a city with no hope no food and an enemy bent on liberating it from British hands Trapped by snow and ice in one of the most inhospitable places on earth and trapped by his responsibilities Jacob prays for a quick end to the war so he can finally return home with his family A traitor the vengeful French army and

personal tragedy complicates his efforts but Jacob Murray is determined to make his Last Run WWW
