The Last Supper Jean D. Crowther, 1987-02 *Subject Guide to Books in Print*, 1996 **Books in Print**, 1991 *The Christian Union* Henry Ward Beecher, 1891 Outlook Alfred Emanuel Smith, Francis Walton, 1891 **The New York Times Saturday Review of Books and Art**, 1968 New York Times Saturday Review of Books and Art, 1968 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *Leonardo Da Vinci, the Last Supper* Michael Ladwein, 2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's Last Supper Art lovers venerate it for its composition and noble aesthetics whereas for Christians it epitomizes the intimacy between Christ and his disciples In recent years following the publication of bestselling fictional narratives and dubious historical studies The Last Supper has also become the focus of intrigue controversy speculation and sensation Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over painting Thus for the first time since its creation more than five hundred years ago we can contemplate Da Vinci's masterpiece in its more or less original form This lavishly illustrated full color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations The philosopher Rudolf Steiner called The Last Supper the world's most important work of art adding that it revealed the meaning of Earth existence Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting one that has lost nothing of its urgency in our modern world **The Last Supper** Leonardo (da Vinci), 2001 The Rizzoli Quadrifolio art series combines the most popular artists with authoritative text and a fresh unique format destined to appeal to children and adults alike Featuring sixteen pages that open up to four times the individual page size this series allows the reader to delve into the details of individual paintings or see the full horizontal development of a fresco With stunning color reproductions expert commentary and a revolutionary format Rizzoli Quadrifolios is a pioneering art series Following the success of Michelangelo the Sistine Chapel Vincent van Gogh Gustav Klimt and Caravaggio is Leonardo da Vinci The Last Supper a book dedicated to perhaps one of the most significant and recognizable works of art ever created The reader is afforded extraordinary details of this restored but still deteriorating fresco perhaps the Renaissance master's most important work Located in a small monastery in Milan the work has recently been restored so that the delicate faces which register with great subtlety the gravity of the moment at which Christ announces to his apostles that one among them will betray him are visible once again Every inch of the work is reproduced here in illuminating close ups so that the masterpiece can be appreciated anew **The Last Supper** Domenico Squaitamatti, 2013 When Leonardo da Vinci began laying the first brushstrokes in 1494 on the refectory wall of the convent adjacent to the church of Santa Maria delle Grazie in Milan he probably had no idea he was about to create one of the greatest artistic masterpieces of all time

Adopting the innovative and equally unusual dry painting technique the Renaissance genius could not foresee that he would have condemned his work to a particular fragility and put its conservation at risk in the following centuries This same technique however was what allowed an improved chromatic unity a rendering of transparencies and light effects and an extreme precision in details visible only from close range Today thanks to the exclusive magnification published in this volume realised by Haltadefinizione the special digital photographic archive collecting a vast number of Italian artistic masterpieces even the smallest details of the Last Supper invisible to the naked eye can be observed in all their expressive splendour As you leaf through this book you can admire from up close as never before possible the realistic expressions on the faces of the individual Apostles the movements and positions of their hands and the smallest details of the outfitted table thus entering practically into direct contact with Leonardo s genius at work AUTHOR Domenico Sguaitamatti is a priest who studied art specialises in painting stained glass and mosaic He performs the role of educator and teacher of the history of art in classical and scientific high schools Beginning in September 2007 he has been charged by the Archbishop within the Curia to perform the role of collaborator at the Office of Cultural Heritage for the diocese with particular attention toward appreciating the value of the heritage within theological catechetical and pastoral contexts As an expert of art he organises and manages courses of instruction in Art Faith and Culture directed toward pastoral agents tour guides teachers and persons sensitive to art He contributes to various publications dealing with the same subject He is called upon from various contexts to hold cultural events and moments of reflection which have art as a starting point Haltadefinizione is a division of the HAL9000 company From the day it was founded it has focused on promoting an innovative approach to the enhancement of artworks and cultural heritage through the management of a creative path that begins with high definition digital acquisition and culminates in the spread of exceptionally high quality content Haltadefinizione s iconographical and multimedia archive is at the complete disposal of publishing houses museums and organisers of events for the production of first class content 140 colour photographs

Leonardo and the Last Supper Ross King,2012-09-25 Early in 1495 Leonardo da Vinci began work in Milan on what would become one of history s most influential and beloved works of art The Last Supper After a dozen years at the court of Lodovico Sforza the Duke of Milan Leonardo was at a low point personally and professionally at forty three in an era when he had almost reached the average life expectancy he had failed despite a number of prestigious commissions to complete anything that truly fulfilled his astonishing promise His latest failure was a giant bronze horse to honor Sforza s father His 75 tons of bronze had been expropriated to be turned into cannons to help repel a French invasion of Italy The commission to paint The Last Supper in the refectory of a Dominican convent was a small compensation and his odds of completing it were not promising Not only had he never worked on a painting of such a large size 15 high x 30 wide but he had no experience in the extremely difficult medium of fresco In his compelling new book Ross King explores how amid war and the political and religious turmoil around him and beset by his own insecurities and

frustrations Leonardo created the masterpiece that would forever define him King unveils dozens of stories that are embedded in the painting Examining who served as the models for the Apostles he makes a unique claim that Leonardo modeled two of them on himself Reviewing Leonardo's religious beliefs King paints a much more complex picture than the received wisdom that he was a heretic The food that Leonardo a vegetarian placed on the table reveals as much as do the numerous hand gestures of those at Christ's banquet As King explains many of the myths that have grown up around The Last Supper are wrong but its true story is ever more interesting Bringing to life a fascinating period in European history Ross King presents an original portrait of one of the world's greatest geniuses through the lens of his most famous work

The Geometry of the Last Supper Raphael Mouterde, 2023-05-19 The Geometry of the Last Supper skilfully blends the worlds of Renaissance art geometry and symbolism to create a fascinating journey of discovery The pace of the book allows the reader to uncover for the very first time the simple geometry at play in the composition of Leonardo da Vinci's masterpiece The symbolism of each geometrical shape presented in this book comes to life as the inner message of the Last Supper is revealed Once the meaning of the geometry becomes clear you will be left with the feeling of having been let into a priceless secret *Leonardo Da Vinci's Last Supper for François I* Pietro C. Marani, 2019 For the first time since its restoration the copy of the Last Supper by Leonardo da Vinci a tapestry made between 1505 and 1510 commissioned by Louise de Savoie and François Duke of Angoulême future king of France is unveiled to the public The tapestry a monumental work of 6.5m x 9m preserved in the Vatican Museums was probably woven in Flanders by a Lombard artist such as Bramantino or Marco d'Oggiono artists known to have painted as early as 1503 copies of the Leonardo's fresco The tapestry represents one of the first copies of the masterpiece intended for the French court and testifies to the admiration of the kings of France for the artist This book will also highlight the previous relationship between Louis XII's court and the Italian master and his disciples such as Andrea Solario Andrea del Sarto and Bernardino de Conti The essays will also focus on Leonardo da Vinci's journey to and stay in France through some copies of his most famous paintings and prints prints and watercolors Specialists in both Leonardo's art and the tapestry of the sixteenth and seventeenth centuries shed light on the provenance and making of this work as well as its meticulous restoration **Leonardo Da Vinci's "Last Supper" - An Examination** Philipp Tatai, 2011-11 Seminar paper from the year 2009 in the subject Art Painting grade 2.0 University of Regensburg course Proseminar Literaturwissenschaften language English abstract Besides biographical information this term paper will give insight on the different and important steps Leonardo had undergone during his career for example his apprenticeship in the studio of Andrea del Verrocchio and his first ink perpetuation The main part of this thesis examines the fresco of Leonardo Da Vinci itself giving short insight on the evolutionary history Also discussed in the main part is the design of The Last Supper with special regard to the scenery of the foreground middle ground and background Furthermore the main part will provide a detailed description of the fresco regarding its arrangement spatial scope color ranges as well as

the apostles depicted in the Last Supper The last part will scrutinize how the setting and the gestures of each apostle as well as Jesus could be interpreted with regard to the biblical background and the implementation of Goethes point of view after seeing this piece of art as he traveled from Rome back to Germany The Last Supper Howard W. Ellis,1963 **Leonardo Da Vinci. The Last Supper 3D. Virtual Reconstruction of a Lost and Rediscovered Masterpiece. Ediz. REMARKS ON THE PICTURE JOSEPH BOSSI Was born at Milan in the year 1777 Being endowed by nature with exquisite talents which were developed at an early period and possessed of a singular inclination and a happy disposition for the fine arts he formed himself as appears partly by the resources of his own genius and partly by the study of Leonardo da Vinci s works We find that after a stay of six years at Rome being returned to his native city he was placed at the head of an academy of arts which was to be new modelled Being equally fitted for reflection and for executing his conceptions he had made himself master of the principles and the history of the arts and was thence qualified to engage in the difficult task of restoring by a well considered copy the celebrated picture of The Lord s Supper by Leonardo da Vinci which was to be transferred on a table of mosaick and thus preserved for future ages In the book quoted below he describes the method by which he proceeded and it is our design to present a concise view of his exertions The book in question is generally well received by those acquainted with the arts and to those who like myself live at Weimar an opportunity is afforded of judging of it with some accuracy on account of the following circumstance Bossi not being able to make the original painting which was almost totally effaced and destroyed the foundation of his Del Cenacolo di Leonardo da Vinci libri quattro di Giuseppe Bossi pittore fol Milano 1810 work was compelled carefully to study the existing copies of it He traced or drew upon transparent paper from three of them the heads and partly also the hands endeavouring to penetrate as much as possible into the spirit *Leonardo - 'The Last Supper'* Ludwig Heinrich Heydenreich,Leonardo (da Vinci),1974 **Leonardo Da Vinci's Last Supper for François I. ,2019**
