The Key to Destiny's Door Bc Dongs, 2021-09-21 THE KEY TO DESTINY S DOOR he entire universe has in it BOXES of treasures Each of these treasures are being locked in a box While some sees these treasure boxes as full loads of problems others sees it as an opportunity to do exploit Either ways they are right because every problem is meant to be solved and every opportunity is meant to be seized The BOX is a shield a covering and a dwelling place for treasures What can prevent you from accessing and acquiring these treasures is the BOX In order to gain entry into these household of treasures the BOX all you need is the KEY The BOX can be referred as PROBLEMS while the KEY can be seen as your GIFT and TALENT which we all have God brought us to a world filled with PROBLEMS because there is something the earth need that is in us SOLUTIONS We are created to solve problems so if you re not solving a problem then you re one of the problems Ones greatness can only be measured up by the numbers of problem he or she solved We all are born with the KEY but how can we identify the right BOX We all are born with an ANSWER the problem is how can we get the QUESTION That s where purpose steps in without purpose you might live your entire life using the right key on the wrong lock Having the key without knowing the right lock is useless Also having the answer without knowing the question is utterly useless KEYS are not meant to open all DOORS but they are designated to open the RIGHT DOORS For a door to open the key must match with the lock Thus for

you to excel in life your GIFT and TALENT must match with your PURPOSE and CALLING It is said Thomas Edison was afraid of the dark he invented the electric bulb To analyze this the Dark was his problem and the electric bulb he invented is the answer to his problem You must know this the world will benefit more from your gift much more than yourself That is why it is being called a gift What key are you born with And what box are you supposed to unlock The KEY is your GIFT the lock is your DESTINY Your gift is the only thing that can connect you to your destiny Remember this as long as you live the GIFT you carry is an answered prayer to the world problem make use of it The key to theosophy Helena Petrovna Blavatsky,1889

*The Fullness of the Logos in the Key of Life* Anna-Teresa Tymieniecka,2011-09-20 This highly personal account of a lifetime's spiritual and philosophical enquiry charts the author's journey of faith through contemporary culture Distinguishing between what she posits as the universal and the rhapsodic logos Tymieniecka interrogates concepts as varied as creativity and the media joy and suffering and truth

and ambiguity She contemplates the possibilities and limits of communication between human beings and outlines what she calls the transnatural destiny of the human soul The book asserts that unlike theory which unfolds a logical continuity and unlike dialogue which is directed sequentially upward toward intellectual conclusions the mode of reflection of the rhapsodic logos imposes no limits or caps upon its understanding Instead the logoic flow interlaces the rhapsodic cadences of our reflections on reality in all their innumerable fluctuations and sifts them to mold the intimate mind soul inwardness that we experience as faith The radiative meditations of this rhapsodic logos weave their way through the entanglements of the mystery of incarnation the constitutive archetypes the inwardly sacred the transnatural destiny of the soul and finally ascend the rhapsodic scales toward culminating faith in the Christo Logos     *Books of 1912- ,1922     Love - The Key to Optimism*
