**Susanna's Choice** Sara Luck,2011-12-27 Set in the tumultuous frontier days of the American West this thrillingly authentic debut novel illuminates the passionate choices of one woman's heart A chance encounter Wealthy entrepreneur Rab Trudeau is seething mad A Nevada newspaper is printing fraudulent stock prices that could force his silver mine to close Posing as an investigator from San Francisco's Great Western Detective Agency which he happens to own Rab travels to Nevada to uncover who's behind the false claims Soon after stepping off the train he rescues a beautiful woman from an oncoming carriage and in one blinding moment both are consumed by the powerful strength and seduction of their embrace An uncertain destiny An aspiring writer for *The Pioneer* Susanna agrees to interview the stranger whom everyone is talking about and is shocked to discover he's Rab Trudeau the gentleman who saved her life Promised in marriage to the wayward son of the couple who raised her after her parents died on a westward bound wagon train Susanna fights her overwhelming desire for Rab But as the mine scandal heats up and turns violent Susanna must make an impossible choice one that could bind her to Rab forever or destroy any hope of their future happiness

*Abigail Magda Szabo*,2020-01-21 From the author of *The Door* a beloved coming of age tale set in WWII era Hungary *Abigail* the story of a headstrong teenager growing up during World War II is the most beloved of Magda Szabo's books in her native Hungary Gina is the only child of a general a widower who has long been happy to spoil his bright and willful daughter Gina is devastated when the general tells her that he must go away on a mission and that he will be sending her to boarding school in the country She is even more aghast at the grim religious institution to which she soon finds herself consigned She fights with her fellow students she rebels against her teachers finds herself completely ostracized and runs away Caught and brought back there is nothing for Gina to do except entrust her fate to the legendary *Abigail* as the classical statue of a woman with an urn that stands on the school's grounds has come to be called If you're in trouble it's said leave a message with *Abigail* and help will be on the way And for Gina who is in much deeper trouble than she could possibly suspect a life changing adventure is only beginning There is something of Jane Austen in this story of the deceptiveness of appearances fans of J K

Rowling are sure to enjoy Szab's picture of irreverent students, eccentric teachers and boarding school life. Above all, however, *Abigail* is a thrilling tale of suspense.

**Keys to the Drama** Gordon Sly, 2016-04-22 Sonata form is fundamentally a dramatic structure that creates, manipulates and ultimately satisfies expectation. It engages its audience by inviting prediction, association and interpretation. That sonata form was the chief vehicle of dramatic instrumental music for nearly 200 years is due to the power, the universality and the tonal and stylistic adaptability of its conception. This book presents nine studies whose central focus is sonata form. Their diversity attests both to the manifold analytical approaches to which the form responds and to the vast range of musical possibility within the form's exemplars. At the same time, common compositional issues, analytical methods and overarching perspectives on the essential nature of the form weave their way through the volume. Several of the essays approach the musical structure directly as drama, casting the work as an expression of its composer's engagement with an idea or principle that is dynamic and at times intensely difficult. Others concentrate their attention on a composer's use of motive, which typically takes the form of a simple melodic span that shapes the musical architecture through an interdependent series of structural levels. Integrating these motivic threads within the musical fabric often warrants departures from formal norms in other areas. Analyses that seek to understand works with anomalous formal qualities, whether engendered by a motivic component or not, have a prominent place in the volume. Among these accounts of idiosyncratic tonal discourse that threatens to undermine the unfolding of form-defining qualities or events are central.

**Unsettling Opera** David J. Levin, 2008-11-15 What happens when operas that are comfortably ensconced in the canon are thoroughly rethought and radically recast on stage What does a staging do to our understanding of an opera and of opera generally While a stage production can disrupt a work that was thought to be established David J. Levin here argues that the genre of opera is itself unsettled and that the performance of operas at its best clarifies this condition by bringing opera's restlessness and volatility to life *Unsettling Opera* explores a variety of fields considering questions of operatic textuality dramaturgical practice and performance theory Levin opens with a brief history of opera production opera studies and dramatic composition and goes on to consider in detail various productions of the works of Wagner Mozart Verdi and Alexander Zemlinsky Ultimately the book seeks to initiate a dialogue between scholars of music literature and performance by addressing questions raised in each field in a manner that influences them all

**Susanna's Granthapura** Ajai P. Mangattu, 2023-07-31 Why does the usually aloof and reticent Paul suddenly want to meet Ali after Susanna's death Why does the possibility of an unfinished manuscript by a longforgotten writer fascinate Ali and Abhi to the extent that they undertake a journey to Marayoor a town deep in the heart of Kerala to meet the unknown Susanna First published in Malayalam in 2019 *Susanna's Granthapura* is Ajai Mangattu's uniquely crafted novel that celebrates the strong bonds that form between people who share a love of reading and of books

*Dramma Giocoso* Julian Rushton, 2012 The three Mozart Da Ponte operas offer an inexhaustible wellspring for critical reflection possessing a complexity and equivocation common to all great humane works They have the potential to reflect and refract whatever locus of contemporaneity may be the starting point for enquiry Thus even postmodern and postmillennial concerns far from seeming irrelevant to these operas are instead given new perspectives by them while the music and the

dramatic situations have the multivalency to accept each refreshed palette of interpretation without loss of their essential character These operas seem perennially new In exploring the evergreen qualities of Don Giovanni and Le Nozze di Figaro the authors of this book do not shun approaches that have foundations in established theory but refract them through such problems as the tension between operatic tradition and psychological realism the coexistence of multiple yet equal plots and the antagonism between the tenets of tradition and the need for self actualization In exploring such themes the authors not only illuminate new aspects of Mozart s operatic compositions but also probe the nature of musical analysis itself Music Festival Under the Direction of Walter Damrosch for the Inauguration of Music Hall Founded by Andrew Carnegie ,1891

Columbia University Course in Literature ,1928 *Daring, Disreputable and Devout* Dan W. Clanton,2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own view s of the stories Ironically these later renderings usually serve as the basis for the generally accepted view s of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women s stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains **Fiddle For Dummies** Michael John Sanchez,2014-12-03 Learn to play the fiddle Easy Tackling a new instrument can be intimidating but with this easy to use guide you ll have no trouble at all From selecting tuning and caring for your fiddle to mastering various music styles Fiddle For Dummies walks you step by step through everything you need to start playing the fiddle like a pro You ll discover how to hold a fiddle master fundamental techniques and take your skills to the next level This title also features companion audio tracks and instructional video clips hosted online at Dummies com to help further enhance your skills The fiddle is a popular instrument across many continents and is a favorite for many because it is small and portable Playing the fiddle can expose you to a range of musical styles from all over the world such as Irish Scottish Celtic Cape Breton country folk bluegrass and more Plus if you re already a violin player you ll impress yourself and fellow musicians as you unlock your instrument to open up a whole new world of sounds Learn fiddle techniques and fundamentals Select tune and care for your fiddle Join the folk instrument movement and master the fiddle Play fiddle music from all over the world Whether you re a complete beginner or a violin player looking to branch out and try something new Fiddle For Dummies will have you fit as a fiddle in no time Ghost Writers Keith Taylor,Laura Kasischke,2011-09-15 Taylor and Kasischke have assembled a collection with a diverse mixture of settings tones and styles
