The Key To Understanding Revelation:

The Key to Understanding Revelation Pastor Jim Knotek, 2019-04-04 For years people would ask author Jim Knotek his opinion of The Mark of the Beast 666 Armageddon the Millennium and other topics in the Book of Revelation He was convinced that Revelation is a book of historical and prophetic parallels not a chapter by chapter chronological or linear account Chapter twelve focuses on the birth of Jesus Christ which is in the middle of the book How could that be if it were a linear account Furthermore there are several events that are described more than once paralleling one another The rapture which is a coined word from the 1800s is not a biblical word What about the Seven Years of Tribulation That statement is nowhere to be found in the Bible If we are to understand the Apostle John's Revelation we must allow scripture to interpret scripture We cannot use current events as many authors have done All of their books have become outdated as time passes Truly there must be a key to help us understand Revelation more clearly This book is an enlargement of Pastor Jim Knotek's previous book *Unlocking the Mystery of Revelation* It is written in laymen's term and is an excellent commentary for teachers and pastors who many have hesitated to teach a class on Revelation Pastor Jim Knotek is a graduate of Andrews University M A and Concordia Theological Seminary M Div majoring in New Testament and Biblical Languages He has served several congregations in southern California including Capistrano Beach and Huntington Beach Pastor Knotek is also the author of *Angels and Miracles Grief and Hope* a book that was written in tribute to his wife Ruth who departed to be with her Lord in 2010 due to Alzheimer's disease

Cohen,1968 A chronology of the Apocalypse **Crossing the Threshold of Divine Revelation** William j. Abraham,2006-03-09 The last few decades have seen a revolution in debates about the rationality of Christian belief Among the array of current options for justifying religious belief however nearly every one assumes that a general theory of knowing and a minimal version of theism must be adopted before the rationality of Christian belief can be tackled In Crossing the Threshold of Divine Revelation William J Abraham confronts both of these assumptions arguing that epistemology must begin with its particular target of inquiry in Abraham s case the full blooded canonical theism of the early undivided Christian church He argues moreover that special divine revelation forms a crucial threshold at the entrance to the epistemology of Christian belief Sure to intrigue philosophers theologians and curious students Abraham s robust vision of Christian faith provides a creative solution to many of the current difficulties in philosophy and theology Revealing The Book Of Revelation Alisha Koslow,2021-07-13 If we did not realize already that it takes a lifetime to understand the Bible and that s a good thing the point is driven home when we get to the last book in the Bible Revelation It starts out simply enough it is a revelation in Greek apocalypse from Jesus Christ it is a prophecy and it comes as a letter to seven churches Fair enough but then come to the angels beasts earthquakes horses and riders wars thrones and much more What are we to make of all this The author is a pastor and Bible teacher whose New Testament studies have impacted many around the world In this book he tackles one of its toughest books taking the mystery out of what has become a complicated approach to Revelation Examining what the book meant to the early churches to which it was sent he presents a verse by verse study that exalts the Lord Jesus Christ as King over all philosophies dictators and false gods By uncovering its significance to early believers The Revelation Project provides valuable lessons for modern readers as well It reclaims the last book as one of wonder and victory that will enhance your devotional life and improve your understanding not only of Revelation but of the entire Bible as well Whether you read one study every week for a year or choose to go more slowly or more quickly this is a book that will give you the confidence that God s mysteries are not mysteries at all but subtle truths He wants you to understand for your everyday life and work *Wrath and Glory* David Reagan,2001 Plainly explains the various end times positions Pre Trib Mid Trib Post Trib Preterist Historicist Examines the most frequently asked questions about Revelation Presents a fascinating look at the fate of the United States in Bible prophecy Clearly explains the relevance of the Revelation message to all people There are commentaries on the Book of Revelation but none like this one designed for the layman In his down to earth readable style prophecy teacher David Reagan strips away the mystery and intellectual jargon from this book that has so puzzled Christians for generations Giving a sensible overview of the book then giving brief summaries of the different schools of thought Reagan

lets the book speak for itself emphasizing the spiritual riches waiting for the discerning reader In fitting with Reagan s style Wrath and Glory is meant as much for mainline denominations as for evangelicals *Revelation* Phoenix,2022-12-20

Revelations is one of the most misunderstood part of the Bible Most people look at the hundreds of images and symbols within it and try to explain it by taking these images and symbols literally Also people read these images and symbols in sequence from first to last this is not correct These images and symbols re structured into 4 scenes Each scene is a time These times are the link to understanding the code of the Bible These four scenes are better understood as Genesis Moses and the Old Testament Jesus until today and What will be in the future This book takes a deeper look at the reality of life as the spirit of mankind evolves form one time to the next and as we evolve from the darkness of the past into a light and bright reality as people learn to forgive one another **Enigma: An Interpretative Commentary of Revelation** Dr. Nathan Ogan,2019-01-16 This has been offered to the reader as if to say that from the very outset any study of Revelation that is done or offered without the direct application of Jesus teaching specifically His sermon on the Mount of Olives is incomplete at best The argument that God conclusively broadened His redemptive purpose beginning with the Jewish people then spread to all races as promised in Matthew 28 19 rings true in Revelation when understood in the context of what Jesus taught What s more the development of temple based worship into a simpler spiritual based worship as expected in John 4 21 24 is equally difficult to ignore from what appears to have been fulfilled in the prophecy of Revelation as predicted by Jesus in His Mount of Olives sermon **NIV® Standard Lesson Commentary® 2021-2022** Standard Publishing,2021-06-01 As the world s most popular annual Bible commentary for more than two decades Standard Lesson Commentary SLC provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions Key features include Verse by verse explanation of the Bible text Detailed lesson context Pronunciation guide for difficult words Printed Scripture Discussion starters A review quiz for each quarter Available in the King James Version KJV and New International Version NIV Bible translations the SLC is based on the popular Uniform Series This series developed by scholars from numerous church fellowships outlines an in depth study of the Bible over a six year period The four main themes of the 2021 2022 study are Celebrating God Exodus 2 Samuel Psalms Mark Acts Revelation Justice Law History Pentateuch 2 Samuel Ezra Job Isaiah Nahum God Frees and Redeems Deuteronomy Ezra Matthew John Romans Galatians Partners in a New Creation Isaiah John Revelation The SLC is perfect as the primary resource for an adult Sunday School class for personal study or as a supplemental resource for any curriculum that follows the ISSL Uniform Series Nearly two dozen ministers teachers and Christian education specialists contribute their expertise to SLC The Deluxe Edition features online and download access for the Standard Lesson eCommentary through FaithLife s Logos Bible Software This includes the full text of the Standard Lesson Commentary both KJV and NIV editions as well as PowerPoint presentations Full text of the KJV Bible Full color visual resources Student activity reproducible pages Quarterly quiz More than a dozen additional helps resources *KJV Standard*

Bible Talk J. E. Mejia, 2022-02-22 Is there a God that created us or did we all get here by chance as many atheist scientists speculate or theorize If there is a God what is he like and what does that mean for us Is the Bible his inspired and reliable word These may be some questions that the average person asks among others I try to answer these questions throughout the book I examine some evidence for creation I examine prophecies from the book of Daniel and Revelation that prove that God's word is reliable and true I examine some popular doctrines such as whether the Bible supports the doctrine of eternal torment in hell A close inspection shows that it doesn't I also discuss many other important topics Also in the Christian world we are awaiting the return of Jesus Christ He promised he would return and all the promises that God has made he has kept And so I discuss how to get ready for his Second Coming and how to inherit eternal life Anyone no matter their past is welcomed by God And eternal life is a free gift

The Beast Jonathan P. Leonard, 2014-01-30 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13:18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13:18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the

unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day **Lord of History** Richard Crane,2017-01-05 Discover the hidden truths revealed in The Lord of History for all Christians during difficult times The Lord of History uncovers the mystery of the apostle John's revelation using the historical approach Burning questions of all Christians are answered What would be the outcome of life and death struggle between the Roman Empire and the church Between the Caesars and Christ Other issues discussed include the following Proof of God's hand in history Ultimate victory of good over evil Prophecies of events including conflict with Rome Islamic conquests the Dark Ages Reformation the Battle of Armageddon the World Wars the millennium etc Identities of the Beast the false prophet 666 Personages of the Caesars czars Mohammad Kaisers Gutenberg Hitler Napoleon Symbolic language of numbers colors creatures Significance of the number seven o Seven Blessings o Seven fold judgment on Roman Empire o Seven new realities o Seven dooms o Seven personages o Seven churches o Seven visions Thoughtful provocative and insightful The Lord of History offers evidence that God directs and protects his people during troubled and foreboding times The church lives on forever and ever *The Catholic Bible, Personal Study Edition* Graziano Marcheschi,Biagio Mazza,2022-04-29 In local parishes upper levels of secondary schools and introductory college classes the Personal Study Edition provides superb study resources for readers that will open the text of the Bible to new understanding and greater appreciation for all **The Nonviolent Apocalypse** Jeffrey D. Meyers,2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world

Revelation's Essential Truths Donald Werner,2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoid the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God's last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or

the false prophets I m sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it
