imploded before he got there after a relentless string of misfires left him freefalling in polls and nearly broke Allen and Parnes brilliantly detail the remarkable string of chance events that saved him from the botched Iowa caucus tally that concealed his terrible result to the pandemic lockdown that kept him off the stump where he was often at his worst More powerfully Lucky unfolds the pitched struggle within Biden s general election campaign to downplay the very issues that many Democrats believed would drive voters to the polls especially in the wake of Trump s response to nationwide protests following the murder of George Floyd Even Biden s victory did not salve his party s wounds instead it revealed a surprising complicated portrait of American voters and crushed Democrats belief in the inevitability of a blue wave A thrilling masterpiece of political reporting Lucky is essential reading for understanding the most important election in American history and the future that will come of it **Materialize the Mind - Coalesce God's Mind & Your Reality JP**
