The Kif Strike Back:

The Kif Strike Back C. J. Cherryh, 1985 *The Kif Strike Back* C. J. Cherryh, 1991-03-05 The third volume of the Chanur saga set in the Alliance Union universe featuring the alien spaceship captain Pyanfar Chanur and her human crewmate Tully. When the kif seized Hilfy and Tully hani and human crewmembers of *The Pride of Chanur* they issued a challenge. Pyanfar, the captain of the *Pride*, couldn't ignore a challenge that would take Pyanfar and her shipmates to Mkks station and into a deadly confrontation between kif hani mahendo sat and human. And what began as a simple rescue attempt soon blossomed into a dangerous game of interstellar politics where today's ally could become tomorrow's executioner and where methane breathers became volatile wild cards playing for stakes no oxy breather could even begin to understand.

Kif Strike Back C. J. Cherryh, 1991 **Can We Believe in People** Stephen R. L. Clark, 2020-05-13 The view that humanity is in the image and likeness of God has influenced the past two millennia of European history and retains its significance despite the apparent decline of theism as a major social factor. Human beings are understood to be in some way special, deserving of respect, capable of understanding even remaking the universe. The aim of the author, drawing on a wide range of resources ancient and modern, is to clearly delineate this view, its apparent justifications, its implications, and what can and should be said to challenge it. *Can We Believe in People* preserves a strong account of human reason and human dignity while yet fully acknowledging the claims of other terrestrial and extraterrestrial life. **Inheritor** C. J. Cherryh, 1997-02-01 The third novel in Cherryh's *Foreigner* space opera series, a groundbreaking tale of first contact and its consequences. Six months have passed since the reappearance of the starship *Phoenix*, the same ship which brought a colony of humans to the hostile environment of alien atevi nearly two hundred years ago. During these six months, the atevi have reconfigured their fledgling space program in a bid to take their place in the heavens alongside humans. But the return of the *Phoenix* has added a frighteningly powerful third party to an already volatile situation, polarizing both human and atevi political factions and making the possibility of all-out planetary war an even more likely threat. On the atevi mainland, human ambassador Bren Cameron, in a desperate attempt to maintain the peace, has arranged for one human representative from the *Phoenix* to take up residence with him in his apartments, and for another to be stationed on humanity's island enclave. Bren himself is unable to return home for fear of being arrested or assassinated by the powerful arch-conservative element who wish to bar the atevi from space. Responsible for a terrified, overwhelmed young man and desperately trying to keep abreast of the atevi associations, how can Bren possibly find a way to save two species from a three-sided conflict that no one can win? The long-running *Foreigner* series can also be enjoyed by more casual genre readers in sub-trilogy installments. *Inheritor* is the 3rd *Foreigner* novel. It is also the final book in the first sub-trilogy. **Tracker** C. J. Cherryh, 2016-04-05 With the Assassins Guild functioning again after a year of upheaval and rebellion, Bren Cameron takes a position on the court to champion a trade agreement, but tranquility in the atevi world is transient. **The Cherryh Odyssey** Edward
