REVIEWS FROM AMAZON.COM Very Original September 10 2005 Reviewer Greg Gibson BookCrazed New York NY This was an intelligently written murder mystery with a creative serialistic killer that plays a game with the protagonist of the book FBI Agent Hank Garrison trying to see just how great of a detective he really is The mystery keeps unfolding as more

and more bodies are becoming slaughtered This is certainly not a brainless murder mystery I found myself thinking a lot about what was going on and what potentially could happen next Each chapter ended in a way that left me in suspense and I had to keep on reading just to see what happened next The short chapters made the book hard to put down and lent to its fast paced thriller aspect You will find yourself trying to figure out who the killer is who the next victim will be and why the murders are taking place in the first place Every character is set up so that each one could potentially be the criminal mastermind behind all the bloodshed but each one could also just as easily be the next victim The story is well thought out and certainly engaging Throughout the whole book the plot continuously builds and the mystery begins unfolding as more and more bodies and evidence pile up The ending is excellent with a shock inducing final chapter It s a great debut and I found it to be very intriguing I also loved the foreshadowing the author uses throughout Two thumbs up on this one for the 22 year old author GREAT GAME July 10 2005Reviewer Paul Tampa FL FIVE STARS I read a lot of mystery novels in my spare time and I came across The Killing Game by word of mouth I figured it was time to veer away from all the older mystery authors so I gave this first time young author a chance and read the book I am glad that I did The book is absolutely engaging It has a great storyline and many clever plot twists I felt like a real detective with every turn of the page The chapters are quick which makes you want to continue reading and it becomes hard to put it down and take a break It draws you in from the beginning and leaves you in awe at the end I liked it a lot A Must Read July 16 2005Reviewer MAC Rhode Island FIVE STARSThe Killing Game was a suspenseful novel that keeps the reader on the edge of their seat Through the entire novel you are kept guessing The novel is well written and well thought out You never want to put it down If you enjoy mystery novels this book is a must read Highly recommended Reviews from BarnesandNoble comTed A reviewer September 7 2005 AwestruckIf you re looking for a book that will keep you up until you are finished I would buy this one It was impossible to put down More twists and turns than a rollercoaster and every time I felt like I solved the mystery I was thrown a curve What a great read     **Invitation to Agony (The Killing Game--Book 3)** Jaden Skye,     *Invitation to Madness (The Killing Game--Book 2)* Jaden Skye,2016-01-08 Two young female patients are found dead in a semi private mental hospital in Queens Each is found on the floor in their rooms jugulars slashed The hospital classifies them as suicides but when a third patient is found dead a terrifying question arises is there a serial killer on the loose in the hospital The FBI Behavioral Unit calls in its star criminal profiler Tracy Wrenn to provide her unique insights to crack the case Immersed in the world of the hospital Tracy encounters a wide array of disturbing and perplexing characters each with their own level of psychosis Tracy must plunge into the depths of the disturbed minds of both inmates and staff as she tries to sort out what is real and what is fantasy and as she begins to learn just how twisted the human mind can be A shocking twist culminates in an ending Tracy can never expect as she finds herself on the brink and can only hope to return Book 3 in The Killing Game will be released soon     The Killing Game, Volume One of the First Book of The Killing Game Series The Black Rose,2017-01-10 A seductive
