The Musical Gift Jim Sykes,2018-08-31 The Musical Gift tells Sri Lanka s music history as a story of giving between humans and nonhumans and between populations defined by difference Author Jim Sykes argues that in the recent past the genres we recognize today as Sri Lanka s esteemed traditional musics were not originally about ethnic or religious identity but were gifts to gods and people intended to foster protection and or healing Noting that the currently assumed link between music and identity helped produce the narratives of ethnic difference that drove Sri Lanka s civil war 1983 2009 Sykes argues that the promotion of connected music histories has a role to play in post war reconciliation The Musical Gift includes a study of how NGOs used music to promote reconciliation in Sri Lanka and it contains a theorization of the relations between musical gifts and commodities Eschewing a binary between the gift and identity Sykes claims the world s music history is largely a story of entanglement between both paradigms Drawing on fieldwork conducted widely across Sri Lanka over a span of eleven years including the first study of Sinhala Buddhist drumming in English and the first ethnography of music making in the former warzones of the north and east this book brings anthropology s canonic literature on the gift into music studies while drawing on anthropology s recent ontological turn and the new materialism in religious studies *The Broken World of Sacrifice* J. C. Heesterman,2012-12-10 In this book J C Heesterman attempts to understand the origins and nature of Vedic sacrifice the complex compound of ritual practices that stood at the center of ancient Indian religion Paying close attention to anomalous elements within both the Vedic ritual texts the brahmanas and the ritual manuals the srutasutras Heesterman reconstructs the ideal sacrifice as consisting of four moments killing destruction feasting and contest He shows that Vedic sacrifice all but exclusively stressed the offering in the fire the element of destruction at the expense of the other elements Notably the contest was radically eliminated At the same time sacrifice was withdrawn from society to become the sole concern of the individual sacrificer The ritual turns in on the individual as self sacrificer who realizes through the internalized knowledge of the ritual the immortal Self At this point the sacrificial cult of the fire recedes behind doctrine of the atman s transcendence and unity with the cosmic principle the brahman Based on his intensive analysis Heesterman argues that Vedic sacrifice was primarily concerned with the broken world of the warrior and sacrificer This world already broken in itself by the violence of the sacrificial contest was definitively broken up and replaced with the ritualism of the single unopposed sacrificer However the basic problem of sacrifice the riddle of life and death keeps breaking too surface in the form of incongruities contradictions tensions and oppositions that have perplexed both the ancient ritual theorists and the modern scholar **Spock's World** Diane Duane,2001-06-07 It is the twenty third century On

the planet Vulcan a crisis of unprecedented proportion has caused the convocation of the planet's ruling council and summoned the U S S Enterprise from halfway across the galaxy to bring Vulcan's most famous son home in its hour of need As Commander Spock his father Sarek and Captain James T Kirk struggle to preserve Vulcan's future the planet's innermost secrets are laid before us from its beginnings millions of years ago to its savage prehistory from merciless tribal warfare to medieval court intrigue from the exploration of space to the the development of o thia the ruling ethic of logic And Spock torn between his duty to Starfleet and the unbreakable ties that bind him to Vulcan must find a way to reconcile both his own inner conflict and the external dilemma his planet faces lest the Federation itself be ripped asunder Diane Duane author of three previous bestselling STAR TREK novels and an episode of the new STAR TREK NEXT GENERATION television series as well as countless other bestselling science fiction and fantasy novels has crafted a tale of unprecedented scope and imagination at once a generations spanning historical novel and a thrilling science fiction adventure

The Gift and its Paradoxes Olli Pyyhtinen,2016-03-03 Bringing social theory and philosophy to bear on popular movies novels myths and fairy tales The Gift and its Paradoxes explores the ambiguity of the gift it is at once both a relation and a thing alienable and inalienable present and poison

Challenging the nature of giving as reciprocal the book engages critically with the work of Mauss and develops a new theory of the gift according to which the gift cannot be reduced to a model of exchange but must instead entail a loss or sacrifice. Ultimately the gift is examined in the book as the impossible occurrence of gratuitous giving. In addition to exploring the conditions of possibility and impossibility of the gift the book draws on the thought of figures such as Derrida, Serres, Simmel, Cixous, Irigaray and Heidegger to argue for the relevance of the phenomenon of the gift to broader issues in contemporary social sciences. It takes up questions concerning the constitution of community and the processes by which people are included in or excluded from it, gender relations, materiality, the economy and the possibility that death itself could be a gift in the form of euthanasia or self sacrifice. A rigorous yet accessible examination of the phenomenon of the gift in relation to a range of contemporary concerns. *The Gift and its Paradoxes* will appeal to scholars and students within sociology, philosophy, anthropology, political theory and film and literature studies.

The Pursuit of Ethical Excellence (Biblical Ethics) Alvin Low, 2007-03-22 How do you live a life of impeccable ethical excellence in the midst of moral confusion? Wondering what to do in making difficult ethical decisions? This book is for you. *The Gifts of the Spirit. Selections from Various Authors.* [Compiled by R. The Gift of Thanks Margaret Visser, 2009-11-19 A scholarly, many angled examination of what gratitude is and how it functions in our lives from the bestselling author of *The Rituals of Dinner*. The New York Times Known as an anthropologist of everyday life, Margaret Visser has won numerous awards for illuminating the unexpected meanings of everyday objects and rituals. Now she turns her keen eye to another custom so ubiquitous that it often escapes notice: saying Thank you. What do we really mean by these two simple words? This fascinating inquiry into all aspects of gratitude explores such topics as the unyielding determination of parents to teach their children to thank, the difference between speaking the words and feeling them, and the ways different cultures handle the complex matters of giving, receiving and returning favors, and presents. Visser elucidates the fundamental opposition in our own culture between gift giving and commodity exchange, as well as the similarities between gratitude and its opposite, vengefulness. *The Gift of Thanks* considers cultural history, including the modern battle of social scientists to pin down the notion of thankfulness and account for it, and the newly awakened scientific interest in the biological and evolutionary roots of emotions. With characteristic wit and erudition, Visser once again reveals the extraordinary in the everyday. An anthropological and philosophical account of how and why we give thanks. All delivered in elegant, clear prose. A book to be thankful for: sympathetic to human foible, deeply learned and a pleasure to read. Kirkus Reviews A delightful and graceful gift of a book for which any fortunate recipient will be thankful. Publishers Weekly

The Killing Gift Introduction

In today's digital age, the availability of The Killing Gift books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Killing Gift books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Killing Gift books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Killing Gift versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Killing Gift books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Killing Gift books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Killing Gift books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Killing Gift books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge,

offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Killing Gift books and manuals for download and embark on your journey of knowledge?
