Lutzer, 2014-08-29 The end is near while these often seem to be the words of insane rambling they can also be a sensible presentation of truth Acknowledging that what is yet to come is beyond the scope of our wildest projections pastor and scholar Erwin Lutzer reminded us in *The King is Coming* that we have not been left completely in the dark Now small groups can grapple with the content of *The King is Coming* together through this study guide experience This guide provides answers for those questioning what comes next and empowers and instructs participants to live accordingly in the here and now *The King is Coming Study Guide* is supplemented by *The King is Coming DVD* which provides accompanying teachings by Pastor Lutzer for a full small group experience *The King Is Coming* Vivene V. Buckeridge Cotton, 2015-09-28 This book is not meant to upset you or frighten you This book was written with lots of caring love and understanding for all people What good I want for myself I want for others This book may bless you and open your eyes to the coming of our Lord and Savior Jesus Christ You will live to love and love to live and will help your fellow men to redeem the time I have written other books and published them myself but this book was special God gave me this book in a dream and whatever God wants me to do for Him He always shows me in dreams and visions This book took me 23 years to be published from 1992 when I had the dream until 2015 and it was hard getting this book out The computer shut down repeatedly I had to pray many times Get thee behind me Satan and the computer started up again This book was ordained by God Get a copy for yourself and one for your neighbor Amen I compare my book to this great anointed teacher preacher and prophet of God John Hagee from Cornerstone *The King is Coming* William J.
