**The Kingdom Is At Hand** Jason R. Harris, 2014-05 The kingdom of God was a major topic of discussion between Jesus and His disciples Much of Jesus teachings were built upon the foundation of kingdom truths and spiritual realities Jesus on many occasions spoke of doing the will of the One who sent Him the will of His Father was the driving force of His purpose in the flesh He came to do the Father s will Jesus primary goal was the establishment of the Father s will on the earth As Jesus would move and act and speak on behalf of His Father the kingdom of heaven through His life would be in full advance made obvious by the supernatural demonstrations of the Spirit Strongholds were smashed prisoners were set free and the kingdom of darkness was falling Jesus by the authority given Him from the Father walked this earth in the liberty of the kingdom of heaven and put into motion the Father s plan to reconcile all things back to Himself But the message does not end there the same things that Jesus taught and did throughout His ministry He would later pass on to His disciples At the close of Jesus earthly ministry He would bestow upon them the mandate of His Father to preach the Gospel of the kingdom to every nation tribe and tongue They were to do what He did They were not going to be alone in this endeavor but would have with them living in them the Holy Spirit the Helper on the Day of Pentecost the kingdom had come in power and had transformed their lives Through the release of God s kingdom into the earth the disciples went about turning the world upside down This same transformative power the power of the kingdom of God is still here today God is in the process of restoring a kingdom paradigm a kingdom mindset back to the church In The Kingdom Is At Hand Pastor Jason R Harris gives us his own unique perspective on the nature of the kingdom of God In this book you will learn such truths as the kingdom is the will of the king the king is a direct reflection of His kingdom the edicts of the king are the rights of the citizens and many more Join Pastor Harris in discovering the kingdom of God and begin to walk in the truths revealed in this book *The Time Is at Hand*

Robert Finley, 2008-11 THE TIME IS AT HAND The Book of Revelation was written in 66 A D to reveal that the time had come for the fulfillment of Christ's prophecies regarding those who condemned Him to death The destruction of Jerusalem which He had foretold was delayed 36 years while He called out an elect remnant of 144 000 Hebrews to give the gospel to other nations The great tribulation occurred 66 70 A D There will be no other comparable to it The falling away of the churches began in the Fourth Century and culminated 500 years later with that man of sin setting himself up in Rome like a god on the earth The first beast of Revelation 13 was the Roman Empire the second was religious Rome The Antichrist came in the Seventh Century not against Christ but as the one who took His place as in anti climax Muhammad's influence has been a thousand times greater than all other antichrists put together past present and future There is no mention of the restoration of Israel as a nation in the New Testament so present day Israel has no prophetic significance Christ will return when He has planted a witness \_\_\_\_\_

Matthew's Gospel Michael J Tiry, 2025-02-02 The Gospel of Matthew presents the public ministry of the Lord Jesus Christ as the Messiah of the nation of Israel The overall theme of the Gospel is the call to Israel to Repent for the Kingdom of Heaven is at Hand The Gospel is in four sections The first section is in the first ten chapters in which the Lord carries on a broad based ministry to the nation at large In these chapters He demonstrates to the nation His credentials as the one who will reign over Israel and the earth as King of kings and Lord of lords Then in chapters 10 and 11 He is rejected by the leaders of the nation and is in fact blasphemed In Chapter 12 he introduces the unpardonable sin of blaspheming the Holy Ghost The third section is in Chapters 13 through 20 in which He confines His ministry to the 12 apostles to prepare them to be able to carry on the ministry of the gospel of the kingdom to the nation in His absence During this time Christ prepares His disciples for the coming events that will leave them confused and bewildered What the disciples

faced did indeed test their faith Yet the Lord fortified their resolve to go through those very trying times and remain faithful to Him as Messiah The fourth section consists of Chapters 21 through 28 covering His death burial and resurrection The author of this study traces the human interest as the disciples are discouraged by their Messiah appearing to just give up and allow Himself to be crucified He is going to the cross to accomplish redemption for the nation and the entire world but He can not tell them yet why that is happening Christ is preparing these men for their apostleship and also giving them enough evidence of His position as Messiah that they will get through those traumatic days of severe testing of their faith The Book of Matthew closes with the death burial and resurrection of Jesus Christ We see the apostles as they go through this time of testing of their faith Will they hold to their commission to proclaim the Kingdom to the nation and call the nation to repent of having crucified their Messiah The Gospel of Matthew ends abruptly in Chapter 28 in what seems to be almost anticlimactic in that the promised kingdom that the twelve were commissioned to preach and proclaim has not yet been established Today now that we are some 2 000 years past the apostles commissioning to proclaim the kingdom we still don't see the kingdom being established We ask why hasn't the kingdom been established yet In the conclusion of this study guide the author connects the Gospel of Matthew with the rest of the Prophetic Books concerning Israel's Kingdom notably the books of Hebrews through the Revelation What fills the gap between the books of Matthew and Hebrews That interruption concerns a temporary setting aside of the nation of Israel as a result of the blaspheming of the Holy Spirit as spoken of in Matthew 12 and occurring in the Book of Acts So from the middle of the Book of Acts until Philemon God is calling out from the lost masses of humanity a new elect agency the Church the Body of Christ Even though God is currently working with the Gentiles He will one day pick up His dealings with the nation of Israel This will happen after He catches the Church the Body of Christ to its eternal home in the heavens The Conclusion then puts the information in this study of Matthew's Gospel in perspective for the present dispensation of the grace of God and the ultimate continuing of Bible Prophecy that will follow

**Evans's hand-book of diocesan Scripture questions** Thomas Evans (publisher.),1888      Reflections on Biblical Themes by an Octogenarian Reuben J. Swanson,2007-01-01 Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings      *The New Yale Book of Quotations* Fred R. **Jesus' Last Week** R. Steven Notley,Marc Turnage,Brian Becker,2006-03-01 For the past forty years but for only the first time in history Christian scholars fluent in Hebrew and living in the land of Israel have collaborated with Jewish scholars to examine Jesus sayings from a Judaic and Hebraic perspective The result of this research confirms that Jesus was an organic part of the diverse social and religious landscape of Second Temple period Judaism He like other Jewish sages of his time used specialized methods to teach foundational Jewish theological concepts such as God s abundant grace Jesus teaching was revolutionary in a number of ways particularly in three areas his radical interpretation of the biblical commandment of mutual love his call for a new morality and his idea of the Kingdom of Heaven Jerusalem Studies in the Synoptic Gospels the initial volume focuses on the Passion Narratives in a search for the Historical Jesus It also reexamines

the synoptic problem in light of recent historical and archaeological research The volume represents the first attempt by members and associates of the Jerusalem School to apply collectively the methodology pioneered by Robert Lindsey and David Flusser Included in the volume is the final article written by the late Professor Flusser The Synagogue and the Church in the Synoptic Gospels     *Pure Christianity* Sung-In Park, 2019-04-12 Christianity has a history that extends back over two thousand years and it has endured through many changes in the world Yet today the contemporary Christian church is facing new problems How can the church continue to endure in the face of today's unique pluralistic and postmodern challenges *Pure Christianity* clearly analyzes distortions that occurred in the primitive early stages of Christianity and it restores the true identity of the Christian religion for future generations Author Sung In Park deconstructs the distorted beliefs of Christianity going on to reconstruct Christianity based on the life of Jesus he also redefines the meaning of sin the gospel faith salvation and the end based upon a historical Judeo Christian context Believers will learn how Christianity was rapidly universalized in the first century and how this universalized church would affect the future of Christianity The Christian church you know today is the universalized one not the church Jesus Christ envisioned Yet by understanding the true plan of God for the world in Jesus Christ you can be prepared to evangelize this world without threatening in accordance with the divine will of God     Peloubet's Select Notes on the International Lessons Amos Russel Wells, 1929
