The Kingdom Beyond Caste (Classic Reprint) Liston Pope, 2015-08-05 Excerpt from *The Kingdom Beyond Caste* Any serious discussion of the explosive question of race is likely to reveal sooner or later the personal credentials of those engaged in it These credentials will have to do not only with range of experience but also with fundamental perspectives on the nature of man and society and with the faith or lack of it by which one lives However rigorously one may seek to be objective personal attitudes and convictions color the discussion profoundly This book is written out of a welter of experiences involving race relations They go back to earliest memories About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

The Holy Vote Sarah Diefendorf, 2023-02-07 Through two years of ethnographic fieldwork at a megachurch sociologist Sarah Diefendorf investigates the ways in which the evangelical church is working to grow during a time in which cultural shifts are leading young people to leave religion behind In order to expand the church has revisited topics long understood as external threats to the organization such as feminism gender equality racial inclusivity and queer life topics Diefendorf classifies as the imagined secular in the minds of evangelicals *The Holy Vote* shows however that the church continues to uphold already privileged identities even as it reworks its messages to appear more welcoming offering insight into how White evangelical understandings about sex and families have shaped a political movement that has helped remake the Republican Party and transform American politics In this enlightening work Diefendorf highlights the complex origins of

these understandings and considers their intersections with contemporary culture and enduring social inequalities

Martin Luther King, Jr. John J. Ansbro, 2000-11-07 Examines his contribution as a philosopher and theologian to issues of racial and social justice and his drive to eradicate oppression through the doctrine of nonviolence *From State Church to Pluralism* Franklin Littell, 2017-07-05 For most of our history American religious life has been dominated by a view of church history in which we appear as mere deposits of European religious culture In fact however the freedom of Americans to choose without penalty to join any religious body or none at all is new in human history This book is an effort to understand and interpret how we arrived at our present situation and in doing so to clarify many cultural social and political issues

Morrison, 2022-06-23 While the Southern Baptist Convention has so often been a step behind on the issue of race since its formation there was still light shining in the darkness a group of biblically faithful men and women who both recognized and fought for their racially marginalized brothers and sisters Chief among these men and women was Thomas Buford Maston T B Maston faithfully engaged the topic as the SBC's preeminent ethicist from 1922 1963 as a professor at Southwestern Baptist Theological Seminary This stand

ultimately cost him his job Even still some sixty years later his theology and ethics model the full unity in Christ This book examines the writings of T B Maston in his efforts to reform the racially misguided interpretations of Scripture in the church and their subsequent prejudices Maston is not merely a visionary who foreshadowed the eventual position of the SBC and more widely the evangelical church but is one who directly caused legitimate change Maston s profound yet humble work gives a blueprint for future racial reconciliation through integration in the church Catalog of Copyright Entries.
