Lawson,2009-12-11 There are two major themes throughout the book The first major theme involves the dual nature of the Kingdom being both here and now and yet to come but with the focus being on the here and now aspect and learning to live everyday life in it The second major theme involves knowing and being known in Christs Kingdom Another significant focus is on all relationships starting with our personal relationship with Jesus Christ and then all other relationships with all people in our daily lives Strong comparisons and some examples attack the principles and practices of Religion as true Christianity is shown by our personal relationship with Jesus Christ This book is about Relationship vs Religion This book is full of controversy as it actually faces and deals with real problems issues and lies instead of avoiding them This book provides teaching on how to have better stronger and healthier relationships with all people from all walks of life This book is very exciting because of its unique and aggressive attacks on institutionalized systems of religions and religious Churches and people The approach and writing style is so Non Traditional and Non Religious that it stands alone separate and unique like no other Christian book has ever been written This book reveals many secrets of the Kingdom exposes many lies and false doctrines and upholds the truth of Christ His WORD and His Kingdom and supports the common people of the world With the many problems and issues we face in our world today this book addresses many of them and provides possible solutions to help and improve on them This book draws from personal life experience and exposes our human inadequacies and faults while demonstrating the Non failing awesomeness of an all powerful all knowing God     *The Genre, Composition, and Hermeneutics of the Epistle of James* Luke Leuk Cheung,2007-09-01 James reflects both features of Hellenistic paraenesis and wisdom instruction but its contents owe more to the latter The work can be seen as a countercultural wisdom instruction containing various aphorisms aiming to challenge

the hearers worldview and to reorient them to the values acceptable to God The concern of perfection comes at the prologue and the epilogue which forms the framework from which James is to be understood The units 2 8 13 3 13 18 and 4 11 12 which link the seemingly unrelated adjacent sections together reflect similar arguments The perfect law of liberty and the wisdom from above and ultimately God the Lawgiver and the Judge are the yardsticks by which one s speech and actions have to be measured and judged 1 19 25 The preeminent concern of our author is the importance of the perfect law with its fulfillment bringing about perfection freeing one from the power of evil desire **James** James Barnett,2005 **The**  
**Worldview of the Kingdom** Lois Allen,Darrow Miller,2005 The Church today can be divided into two different understandings of the Kingdom of God The first group views the Kingdom of God as mystical invisible and heavenly These Christians assert that Jesus is Lord of all but his Kingdom does not make a difference The St. James's Magazine Various authors,2022-07-15 Reprint of the original first published in 1865 The St. James's Magazine ,1865
