## **The Kingdom Of Jesus:**

The Gospel of the Kingdom George Eldon Ladd, 1990-03-13 In The Gospel of the Kingdom renowned biblical scholar George Eldon Ladd delves into the heart of Jesus teachings about the Kingdom of God With profound insight and clarity Ladd explores the nature purpose and fulfillment of God's redemptive plan through the lens of the kingdom motif This groundbreaking work which has shaped the understanding of generations of students and scholars offers a comprehensive and accessible examination of the central message of Jesus ministry shedding light on the transformative power of the gospel and its implications for Christian life and mission

*Kingdom Come* Allen M. Wakabayashi, 2009-09-20 God is up to something And his plans are far greater than you might imagine Christianity is not merely about isolated individuals going to heaven It's about God transforming the entire world and making things right Sicknesses will be healed sins will be forgiven injustice will be eradicated and all creation will be redeemed But this is not merely a distant future It's happening now through what Jesus came to establish the kingdom of God Allen Wakabayashi reawakens you to the world changing reality of the kingdom of God With clear biblical insight he unpacks what Jesus proclaimed about the good news of the kingdom and spells out the implications for you today Focusing on the kingdom of God will revolutionize how you live out your faith how you think about your world and how you explain the good news about Jesus Ultimately understanding yourself as a citizen of the kingdom will empower you to be one of God's change agents in the world God is at work to restore everything to be the way he intended it to be and you can be a part of what he is doing Get a glimpse of the kingdom coming and experience his will being done on earth as it is in heaven

**The Kingdom of God** David Martyn Lloyd-Jones, 1992 When Jesus came He proclaimed the Good News of the kingdom of God Yet nothing He said has been more misunderstood than this A definitive thorough analysis about one of today's divisive issues

**The Kingdom of God in the Teaching of Jesus** Bruce Chilton, 1984

**The Kingdom of God** Austin R. Dayal, 2018-11-20 After proclaiming that God's Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship between the Kingdom of God and his death Jesus said flesh and blood can't inherit the Kingdom of God but only those who are born of the Spirit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head

and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God's Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn't left their own families and possession to join the new community of God's people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the important aspect the Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God's Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God's redeemed people who follow the principles of his Kingdom This is the true life and witness of the church

The Kingdom of Christ Frederick Denison Maurice, 1883      **The Coming Kingdom of Christ** John R. Rice, 2000-08      *The Kingdom According to Jesus* Rob Phillips, 2015-12-11

Matthew records no fewer than 13 parables of Jesus about the kingdom of heaven No doubt the Son of God placed great emphasis on the kingdom declaring it to be at hand and yet coming Jesus used parables to reveal previously hidden truths about the kingdom but for many it remains a mystery When we turn to the Scriptures we find perplexing and seemingly contradictory teachings about the kingdom yet it was the primary focus of Christ's teaching What is the kingdom of heaven Is the kingdom here already or are we to wait for it Why did Jesus use parables to describe it Whos in the kingdom and whos not Why are some cast out of the kingdom And what can we learn from Jesus stories of mustard seeds pearls and bridesmaids

*The Kingdom According to Jesus* explores these questions in a simple and compelling way that encourages readers to seek first the kingdom of God Matt 6:33      *The Kingdom of God* John Fuellenbach, 2006-04-01

The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age

The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

**The Truth of the Kingdom of Jesus Christ the Only True God** Carl Lehman,2019-12-19 Through life s journey filled with pitfalls one man tells his story of struggle and faith in the Lord and Savior Jesus Christ Carl shares what he has learned in hopes to give God s people an unique understanding of the greatest gift ever given

**Snapshots of the Kingdom** David M. Powers,2006 However we approach the parables of Jesus these brief pithy stories at the center of his teaching are of vital importance for communicating his message in our world today Snapshots of the Kingdom presents Jesus parables in such a way as to invite all who read or all who hear into the drama each story contains As combinations of clarity and mystery the parables offer unique insights into Jesus message and his take on the world This book is for all who would like to know more about the teachings of Christ and those who want to understand more deeply the link between his stories and present day life as well as those who teach or preach from those parables

**What the Kingdom Is to the Believers** Witness Lee,2005-07-01 This book contains eight chapters on the various aspects of the kingdom in relation to the believers and two chapters on the appearance and the manifestation of the kingdom

**Jesus and the Mysterious Gospel of the Kingdom** Roger H. Grummer,2017-04-11 Christians are always encouraged to share the good news of Gods kingdom and spread Christs gospel message And today the gospel message tells us the good news of a promised Messiah who has comea personal savior who has already saved us from the eternal consequences of sin Yet when Jesus himself shared this gospel message he had not yet suffered and died on a cross nor had he risen from the dead Jesus and the Mysterious Gospel of the Kingdom offers a contextual approach to understanding what Jesus meant by the gospel of the kingdom and how it will help believers discover fresh insights into what Jesus actually proclaimed during his time on the earth With a knowledgeable pastoral presentation author and pastor Dr Roger H Grummer explains how it is not always easy for us to grasp what Jesus meant when he spoke about the gospel of his kingdom in fact Jesus himself had to explain it to his own disciples Since we live in a different time and

culture than the people of Jesus's day modern day Christians can benefit from some clarification about the fuller meaning of his stories and teachings Knowing how your own understanding of the gospel of the kingdom compares to Jesus's proclamations will help you to more easily see how the savior wants you to enhance your faith And with this enhanced understanding and faith all Christians can enjoy stronger and more intimate relationships with Christ The Kingdom of God Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarborough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series *The Kingdom, The Last Days and The Messianic Age* Catherine Creighton, 2025-03-19 What is the Kingdom How do we know when Jesus comes back What is the Kingdom message What happens before Jesus returns and when he returns What is his reign like All these questions will be answered in this book What is the gospel and what should we be preaching Why does this tie into when Jesus returns and what happens then In this book you will find out the signs of Jesus coming back and the exciting times of his rule when there will be a new order of things because all the old things have passed away 10% of the proceeds received from the book will go to the education of youth in Africa starting with Liberia West Africa and the charity name is Educating African Youth It means they will be able to go and complete school and will get a well paid job She wants to help these people as they often have to drop out of school if they do not have funds for books So also please help the Liberian youth to go to school by buying this book Then they can have books and complete their education **The Kingdom of Christ; Or, "Ye are Not Come to the Mount that Might be Touched, But Ye are Come to Mount Zion". Heb. XII. 18-24** Richard Gascoyne, 1878 *The Kingdom* Witness Lee, 1980 Sentiments Concerning the Coming and Kingdom of Christ Joshua Spalding, 2025-08-02 Reprint of the original first published in 1841 The Antigonus publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Understanding the Kingdom of God (Concepts and Precepts) David O. Ogaga, 2016-02-25 What was Jesus main passion What occupied the centre of his message What did he really teach and preach There was nothing more central passion driving and life consuming for Jesus than the message of the kingdom It must be noted that things like healing and the casting out of demons were all the integral part of the message of the kingdom Jesus never classified them as a ministry of their own The Lords pattern in ministry reveals this And Jesus went about all Galilee teaching in their synagogues and preaching the gospel of the kingdom and healing all

manner of sickness and all manner of disease among the people Matt 4 23 Jesus was teaching the message of the kingdom declaring I am a king whose kingdom does not take its root from the social economic and the political structure of this world In response to the question as to whether Jesus is a king he admitted so by saying To this end was I born In other words the only major reason why I am born is to be a king The wise men from the East did not come looking for a child but for a king that was born The famous prayer starts with Thy kingdom comethe kingdom of God can as well be described as that moral and spiritual kingdom which the God of grace is setting up in this fallen world whose subjects consist of as many as have been brought into hearty subjection to his gracious authority and of which his Son Jesus is the glorious head This book seeks to explain explore and provide insight into the present spiritual reality of the kingdom of God The Power of the Kingdom Bill Fries,2012-09 The Power of the Kingdom is a true story about a King His kingdom and how power is released to His citizens It reveals the incredible blessings bestowed by the King upon every one of His citizens and teaches them how to receive them God designed you to rule and reign in life in your health in your finances in your relationships If this has not been your experience it can be Jesus told us how in Matthew 6 33 Seek first the kingdom of God Teaching and preaching the message of the kingdom dominated the earthly ministry of Jesus When people heard this message and believed it miracles occurred The blind could see the deaf could hear and the dead were raised Author Bill Fries explains the difference between living in God s kingdom and living in a democracy He teaches you the operating protocol for living victoriously in the kingdom of God on earth and shows you how to receive God s promises
