The Kirya Solution:

The Kirya Solution Christopher Harvey, 2003-06-15 The First Persian Gulf War A young highly specialized Reconnaissance Marine confronts the fury of combat during a clandestine incursion into occupied Kuwait to search for a horrifying biological warfare agent An Israeli Defense Forces Colonel unjustly associated with the massacre of Palestinians is critically wounded as a result of a Scud strike on Tel Aviv A Saudi millionaire turned Muslim extremist has sworn to expel the Americans from the Kingdom after the Saudi Government shuns his own Arab Solution to the crisis Fate technology and loyalty bring their paths together in a daring Israeli military operation deep within the forbidden heart of Islam A deadly lesson in the meaning of honor that could destroy the fragile coalition and turn the tide of war against the United States

Electrical Double Layer at a Metal-dilute Electrolyte Solution Interface G.A. Martynov, R.R. Salem, 2012-12-06 Most of the properties of a metal electrolyte interface even the specific nature of an electrode reaction proneness of a metal to corrosion etc are primarily determined by the electrical double layer EDL at this boundary It is therefore no surprise that for the last at least one hundred years intense attention should have been centered on EDL So much of material has been gathered to date that we are easily lost in this maze of information A substantial part of the attempts to systematize these facts is made at present within the framework of thermodynamics Such a confined approach is undoubtedly inadequate The Gouy Chapman theory and the Stern Grahame model of the dense part of EDL developed 40-70 years ago tailored appropriately to suit the occasion inevitably underlie any description of EDL This route is rather too narrow to explain all the facts at our disposal A dire necessity has thus arisen for widening the principles of the microscopic theory This is precisely the objective of our monograph Furthermore we shall dwell at length on the comparison of the theory with experiment without such a comparative analysis any theory however elegant it may be is just an empty drum

My Struggle for Peace, Volume 2 (1955) Moshe Sharett, 2019-03-19 The second volume of the former Israeli prime minister's journals from the nation's early years centering on his time in office My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship moderation diplomacy and concern for Israel's place in international affairs This is the second volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma'ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not

accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review *Operation Thunderbolt* Saul David,2015-12-01 The definitive account of one of the greatest Special Forces missions ever the Raid of Entebbe by acclaimed military historian Saul David On June 27 1976 an Air France flight from Tel Aviv to Paris was hijacked by a group of Arab and German terrorists who demanded the release of 53 terrorists The plane was forced to divert to Entebbe in Uganda ruled by the murderous despot Idi Amin who had no interest in intervening Days later Israeli commandos disguised as Ugandan soldiers assaulted the airport terminal killed all the terrorists and rescued all the hostages but three who were killed in the crossfire The assault force suffered just one fatality its commander Yoni Netanyahu brother of Israel's Prime Minister Three of the country's greatest leaders Ehud Barak Shimon Peres and Yitzhak Rabin planned and pulled off one of the most astonishing military operations in history **Sailing against the Current** Albert Edelson,2014-04 Like piecing together a complex mosaic from tiny colored tiles author Albert Edelson sets out to piece together his memories with the sociological historical and political factors contributing to the world as he witnessed it in order to create a complete record of his seventy years In this memoir and history set in the form of a ship's logbook he recalls the events of the emotional and geographical journeys that characterized his life Edelson was set afloat on the torrential river of life in a very dark time Born to Jewish parents in Belgium in 1941 Edelson survived the annihilation of the Jewish population of Belgium by being separated from his parents and hidden away as an orphan in a Catholic convent It wasn't until five years after the end of the war that Edelson was reunited with his mother and father After integrating back into his biological family Edelson embarked on a series of adventures that took him all over world and exposed him to many different civilizations and sociopolitical frameworks This intriguing history shares one man's unique journey in short but detailed installments each a tile in the great mosaic of life **Co-managing complex social-ecological systems in Tanzania** Christopher Mahonge,2023-09-04 It has been conventional among co management scientists to view social ecological systems and actors and institutions found in these systems monolithically Such a view is simplistic and conceals the complex nature of social ecological systems and associated institutions and actors In essence a social ecological system is a complex system comprised of multiple diverse and dynamic social ecological units players and rules This book entitled Co managing complex social ecological systems unveils the aforementioned complexity in which Lake Jipe wetland in Tanzania is the central case This case depicts intra inter and cross scale interactions among multiple and dynamic institutions actors and ecological systems at different dimensions of space and time While some candidates of actors and institutions play separate roles others play interdependent and linking roles across the multiple sectoral social ecological units The book introduces the layering concept of institutions and actors in three sectoral arrangements at Lake Jipe It

argues that not only do the institutions and actors found in social ecological systems operate next to one another but it becomes clear that they also work interdependently This concept extends the existing knowledge of co management practitioners and scholars about the diversity and complexity of inter linked human environment systems that traverse the current monolithic view and conceptual boundaries As such the book avoids a simplistic approach that may end up in superficial treatment of complex environmental management problem and sheds light on how to study and approach intricate social ecological systems using a model that recognises the diversities of these intricate systems *The Israeli-Palestinian Conflict* Beverley Milton-Edwards, 2008-07-30 The conflict between Israelis and Palestinians is one of the most enduring and complex in the modern world But why did the conflict break out Who is demanding what and why is peace so difficult to achieve The Israeli Palestinian Conflict tackles the subject and analyses the conflict from its historical roots in the late nineteenth century to the present attempts at conflict resolution in the twenty first century Framing the debate and analysis around issues such as Zionism Palestinian nationalism international peace efforts the refugees state building democracy and religious opposition and highlighted by first hand quotes and sources of the conflict from its major participants Beverley Milton Edwards explores the deep impact of the conflict on regional politics in the Middle East and why the enmity between Palestinians and Israelis has become a number one global issue drawing in the world s most important global actors An essential insight into the complexities of one of the world s most enduring conflicts between Israelis and Palestinians this textbook is designed to make a complex subject accessible to all Key features include a chronology of events and annotated further reading at the end of each chapter The Israeli Palestinian Conflict is an ideal and authoritative introduction into aspects of politics in Israel among the Palestinians a vitally important issue for those studying the politics of the Middle East

Master of the Game Martin Indyk, 2021-10-26 A perceptive and provocative history of Henry Kissinger s diplomatic negotiations in the Middle East that illuminates the unique challenges and barriers Kissinger and his successors have faced in their attempts to broker peace between Israel and its Arab neighbors A wealth of lessons for today not only about the challenges in that region but also about the art of diplomacy the drama dazzling maneuvers and grand strategic vision Walter Isaacson author of *The Code Breaker* More than twenty years have elapsed since the United States last brokered a peace agreement between the Israelis and Palestinians In that time three presidents have tried and failed Martin Indyk a former United States ambassador to Israel and special envoy for the Israeli Palestinian negotiations in 2013 has experienced these political frustrations and disappointments firsthand Now in an attempt to understand the arc of American diplomatic influence in the Middle East he returns to the origins of American led peace efforts and to the man who created the Middle East peace process Henry Kissinger Based on newly available documents from American and Israeli archives extensive interviews with Kissinger and Indyk s own interactions with some of the main players the author takes readers inside the negotiations Here is a roster of larger than life characters Anwar Sadat Golda Meir Moshe Dayan Yitzhak Rabin Hafez al

Assad and Kissinger himself Indyk's account is both that of a historian poring over the records of these events as well as an inside player seeking to glean lessons for Middle East peacemaking He makes clear that understanding Kissinger's design for Middle East peacemaking is key to comprehending how to and how not to make peace

Handbook on Corruption in Higher Education Elena Denisova-Schmidt, Philip G. Altbach, Hans de Wit, 2025-09-10 This insightful Handbook provides an overview of corruption within the context of higher education Through a variety of international case studies theoretical frameworks and methodologies it examines the underlying issues involved in corruption as well as the damaging impact on scholarly cultures and the academic enterprise

White City, Black City Sharon Rotbard, 2025-04-20 Gripping Economist A fascinating expos Raja Shehadeh author of Palestinian Walks Path breaking and brilliant Eyal Weizman director of Forensic Architecture and author of Hollow Land Tel Aviv the Zionist project's White City is said to have risen from the sands of the desert Acclaimed worldwide for its architectural heritage and gleaming Bauhaus inspired Modernism it is ostensibly designed to be a safe home for the Jewish people However the reality of the city's establishment was very different Hidden below its foundations are the remains of Jaffa the Black City a Palestinian city that was obliterated to make way for European style architecture at the heart of a newly formed Israel Both a gripping narrative and a unique architectural record White City Black City shows that cities are made not only of stones and concrete but also of stories and histories victors and losers predator and prey This new edition contains a postscript reflecting on the destruction of the Gaza Strip Sharon Rotbard is an Israeli architect publisher and author He co founded the independent press Babel Publishers and serves as Senior Lecturer in Architecture at the Bezalel Academy in Jerusalem He lives with his wife in Tel Aviv

Documents on Israeli-Soviet Relations, 1954-1967 Yaacov Ro'i, Yehoshua Freundlich, Boris Morozov, 2025-05-19 This book spanning the years 1965 1967 the years leading up to and culminating in the June 1967 Six Day War is the fourth in a four volume collection of documents from the Russian Federation and the Israeli State Archive portraying relations between the Soviet Union and the State of Israel Most of the documents are communications composed by successive Soviet ambassadors in Israel and Israeli ambassadors in Moscow and their respective staff They illustrate the way Soviet ideology placed Israel irreparably in the enemy western camp in the Cold War Moscow's attempt to manipulate Israel into a seemingly neutral position in the international arena was therefore a ploy the failure of which was a foregone conclusion Israel's efforts to normalise relations between the two states were by turns genuine and unserious and similarly doomed to fail both because of ongoing Soviet arms supplies to Egypt and Syria which Israel perceived as a major threat to its security and because the Israeli government and public felt a commitment to the well being of the Soviet Jewish minority that they saw as deprived of basic rights The book will be of interest to scholars and students of Soviet foreign policy Israel's formative years the Arab Israeli conflict and Soviet Jewry and it will be a must for university libraries

34 Days Amos Harel, Avi Issacharoff, 2024-06-04 This is the first comprehensive account of the progression of the Second Lebanese War from the border abduction of an Israeli soldier on the

morning of July 12 2006 through the hasty decision for an aggressive response the fateful discussions in the Cabinet and the senior Israeli command to the heavy fighting in south Lebanon and the raging diplomatic battles in Paris Washington and New York The book answers the following questions has Israel learned the right lessons from this failed military confrontation What can Western countries learn from the IDF's failure against a fundamentalist Islamic terror organization And what role did Iran and Syria play in this affair 34 Days delivers the first blow by blow account of the Lebanon war and new insights for the future of the region and its effects on the West Let My People Go Jerry Grunor, 2005 As today's events unfold in the world we live in we should learn and remember and we shall overcome all of our enemies if not forgive them The people of Israel have made a commitment that no country shall ever succeed in enslaving them again The lore of revolt and the spirit of freedom will sustain the people of Israel and their children as they become their own enemies as well This is the story of one country and its people their life as a struggle their death heroism their sacrifice sacred their memory eternal Because Jewish history through the ages has a rich record of martyrs who willingly laid down their lives for the principles of right and justice Many were those who made the ultimate sacrifice in the defense of the Jewish faith and of the Jewish homeland including those in the second century BCE Let My People Go is based on actual correspondence some of which was presented by Prime Minister Menachem Begin about Dov Gruner Dov is author Jerry Grunor's cousin who fought with Mr Begin in the early 1940s for the independence of Israel **My Struggle for Peace, Volume 1 (1953-1954)** Moshe Sharett, 2019-03-19 The first volume of the former Israeli prime minister's journals from the nation's early years My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship moderation diplomacy and concern for Israel's place in international affairs This is the first volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma'ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review

Constitutional and Political History of Uganda: From 1894 to Present W Kanyeihamba, 2010-12-20 If the study of

Uganda's politics and history is to be raised to a higher level of intellectual excellence the past has indeed to be studied so must the present and even the Future must be studied But and it is a strong But all this must be done with a greater degree of level headedness with more honesty and with greater objectivity Justice George Kanyeihamba's book is a welcome effort toward that end His treatment comprises a mix of critical analyses of a Past spanning the years from the beginning of the Declaration of the Uganda Protectorate in 1894 to the exit of Obote and the end of his Second Regime of the 1980 1985 up to the Present The author is an expert and specialist in constitutional matters and a native of Uganda who has lived through some of the crises and upheavals he has written about here

Religions/Globalizations Dwight N. Hopkins, Lois Ann Lorentzen, Eduardo Mendieta, David Batstone, 2001-10-03 A collection of essays demonstrating the ways diverse religious rituals symbols ethics and ideologies perform as primary planks in the construction of the public realm with particular focus on peripheral nations and politicized spiritualities of resist

Behind the Uprising Yossi Melman, Dan Raviv, 1989-10-25 In January 1986 two working journalists were flying aboard the official jet of Israel's Prime Minister Shimon Peres as he toured Europe and reactivated his secret diplomacy with Jordan's King Hussein Within two years Palestinians living under Israeli occupation rose in revolt The two journalists Yossi Melman and Dan Raviv decided the time was ripe to collaborate on Behind the Uprising Israelis Jordanians and Palestinians the first complete account of the clandestine relationship between Israel and Jordan two Middle East enemies that have reached a de facto peace without signing a peace treaty In this extraordinary exclusive account Melman and Raviv examine the hostile partnership by focusing on an unacknowledged but powerful partnership among three key parties in the Middle East dispute the Israelis the Jordanians and the Palestinians Based on interviews with participants in the secret diplomacy and on documents previously hidden from the public this work describes Hussein's meetings with Israel's leaders and reveals how Israel and Jordan forged a relationship covering everything from counter terrorism to counter mosquito tactics The book begins and ends with an explanation of how a quarter of a century of secret contacts led to an explosion of frustration in the occupied territories resulting in the Palestinian uprising

Secrets I Won't Take with Me Yossi Beilin, 2025 Yossi Beilin occupies a unique position from which to view and comment on the birth and evolution of modern Israel Far from being a mere observer he has been instrumental in that evolution having served in multiple ministerial and leadership positions in the Israeli government among them Chairman of the Meretz Yachad Party Minister of Justice Minister of Religious Affairs and Deputy Finance Minister among other positions But he is perhaps best known for his pivotal role as Deputy Foreign Minister from 1992 to 1995 in the Israeli Palestinian peace process that led to the adoption by Israel and the PLO in 1993 of the Oslo Peace Accords The Oslo Accords were aimed at fulfilling the right of the Palestinian people to self determination The Oslo process resulted in both the recognition of Israel by the PLO and the recognition by Israel of the PLO as the representative of the Palestinian people and as a partner in bilateral negotiations This account contains many revealing and until now undocumented insights into those negotiations and many others that have

transpired in the evolution of Israeli politics and Middle Eastern foreign affairs during the late 20th and early 21st centuries Beilin began his career as a journalist and academic but very quickly found himself a leader in the Labor Party serving as its spokesperson from 1977 to 1984 Throughout the 1980s he was instrumental in steering Israel out of the orbit of the apartheid regime in South Africa He was elected to the Knesset by the Labor Party in 1988 Beilin also tells about the founding of the Birthright program he initiated which has brought hundreds of thousands of young Jews from all over the world to visit Israel many of whom subsequently immigrated Beilin charts his path from his days as a child in Tel Aviv during the austerity era through his many political appointments and strategic roles in Israeli foreign policy Today Beilin is the chairman of the Israeli branch of Hillel the oldest and largest Jewish student organization in the world He continues to write and lecture often on behalf of the Yes to Peace organization established by the Geneva Initiative to facilitate and ensure ongoing Israeli Palestinian peace negotiations His story is to a large extent the story of the State of Israel of its founding of episodes both shameful and courageous from the War of Independence through the euphoria of the Six Day War and the emotional upheaval of the Lebanon wars to the assassination of Yitzhak Rabin and the rise of the extreme right Some of these episodes are recounted from a strictly personal perspective others professional but more often than not both With an afterword that speculates on the perils and promises that stem from the Gaza incursion and counteroffensive that erupted on October 7 2023 **Secrets I Won't Take With Me** is essential for anyone who wants to know better the story of this hopeful but troubled and ever evolving nation from the perspective of one who wrote with his own hands several important chapters in its history

The Battle for Your Computer Alon Arvatz, 2023-08-31 Discover the extraordinary realities of the world's most advanced cybersecurity companies and tech In **The Battle for Your Computer** Israel and the Growth of the Global Cyber Security Industry Israeli Defense Force IDF cyberwarfare veteran and tech product leader Alon Arvatz examines the why and the how of the extraordinarily strong connection between Israel's elite cyber military unit and that country's booming offensive and defensive cybersecurity industry In the book you'll explore the central role played by Israel in the global fight for cybersecurity supremacy Featuring interviews with some of the world's leading cybersecurity professionals and leaders **The Battle for Your Computer** explains how the IDF's Unit 8200 became the globe's most fruitful incubator of cyber technologies You'll also find Explanations of how the technologies that protect your own computers at home and at work probably began their lives in IDF personnel or equipment The stories of the men and women working to protect Israel and how they pivoted to protecting her technology against attack Answers to fascinating questions like How does an offensive cyber company decide to whom to sell its tech An endlessly engrossing take on an equally engrossing subject **The Battle for Your Computer** is a must read for laypeople and cyber experts alike
