The Labour Government's Economic Record 1964-1970

The Labour Governments Economic Record 1964 1970

Victor George, Profesor Paul Wilding

The Labour Governments Economic Record 1964 1970:

The Labour Government's Economic Record, 1964-1970 Wilfred Beckerman,1975 The Labour Party and Taxation Richard Whiting,2001-01-25 This is a political history of Labour s use of the tax system from 1906 to 1979 an epilogue brings the story up to the present surveying New Labour s tax policies and dilemmas Richard Whiting s broad ranging lucid and readable study examines how Labour used tax to further its political aims of funding welfare managing the economy promoting fairness and achieving greater equality Whiting also shows the limits of Labour s ability to achieve a more equal society in this way assesses the ability and standing of key figures in the Labour movement and delineates the problems caused by the political role of the trade unions This study provides an original perspective on Labour s history and is a valuable contribution to understanding both the tax structure and the politics of twentieth century Britain more generally

Economic Policy Jim Tomlinson,2004 Documentary focusing on the legendary Goodwood Motor Circuit a high speed track which started out as the perimeter of an RAF base during World War II The programme covers Goodwood s history from its creation through to the present day Governments, Markets, and Growth John Zysman,2018-05-31 The deterioration in the economic performance of the advanced industrial democracies during the 1970s provoked an intense debate about the role of government in economic adjustment and growth In *Governments Markets and Growth* John Zysman makes a significant contribution to our understanding of these critical international issues by demonstrating that there is a direct relationship between a nation s financial system and its government s ability to restart the growth engine Professor Zysman argues that there are three distinct types of financial systems each with different consequences for the political ties between financial markets industry and government Zysman tests his argument by analyzing and comparing the patterns of industrial adjustment in five advanced nations He contrasts the differing strategies of industrial adjustments primarily in France and Great Britain but also in Japan West Germany and the United States *Governments Markets and Growth* will be invaluable to the international banking and business community a wide variety of government officials and students of political science economics and business administration **The Labour Party since 1945** Kevin Jefferys,1993-08-17 What caused the strange death of Labour Britain Why did the party that swept to power in 1945 and governed for half of the next twenty five years falter so badly in the 1970 s and 1980 s Here the author weighs up the conflicting arguments and also takes a broader look at the interaction of policy ideology and organisation in Labour s history By drawing together these themes Dr Jefferys provides a wide ranging introductory study the first historical overview of the Labour party to cover the whole period between the eras of Clement Attlee and John Smith **A Bibliography of British History, 1914-1989** Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive

index *Money, Credit and the Economy (Routledge Revivals)* Richard Coghlan,2014-02-04 The Theory of Money and Finance by the same author provided an introduction to the basic theory and concluded by introducing the idea of monetary disequilibrium with the money supply process operating through bank credit creation First published in 1981 this book develops that theme and provides empirical evidence in support of such an approach Routledge Revivals: European Trade Unions and the 1970s Economic Crisis Various,2022-07-30 The volumes in this set report and analyse European trade union responses to the 1970s economic crisis across a range of nations including Germany Italy France Britain and Sweden The set will be of interest to those studying trade unions industrial relations and European political economy *Much Governed Nation Pt1 Vol 3* W.H Greenleaf,2014-05-12 First published in 2003 Routledge is an imprint of Taylor Francis an informa company *Much Governed Nation* W. H. Greenleaf,2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company **The Wasting of the British Economy (Routledge Revivals)** Sidney Pollard,2014-06-03 Originally published in 1982 this book examines the problem and looks at the causes of the repeated crises which the country has undergone since the war The basic cause is stated to be the failure to invest in the modernisation of the British capital equipment and the consequent loss of competitive power This failure in turn is seen to be the result of Government policies which for the sake of a variety of short term aims sacrificed the future by deliberately inhibiting investment **The People's Peace** Kenneth O. Morgan,2021-07-29 The People's Peace Britain since 1945 is the first comprehensive study by a professional historian of British history from 1945 to the present day It examines the transformation of post war Britain from the planning enthusiasm of 1945 to the rise of New Labour Its themes include the troubles of the British economy public criticism of the legitimacy of the state and its instruments of authority the co existence of growing personal prosperity with widespread social inequality and the debates aroused by decolonization and Britain's relationship to the Commonwealth the US and Europe Changes in cultural life from the puritanical austerity of the 1940 s through the permissiveness of the 1960s to the tensions and achievements of recent years are also charted Using a wide variety of sources including the records of political parties and the most recently released documents from the Public Records Office Kenneth Morgan brings the story right up to date and draws comparisons with the post war history of other nations This penetrating analysis by a leading twentieth century historian will prove invaluable to anyone interested in the development of the Britain of today Modern Britain Sean Glynn,Alan Booth,2020-08-17 Modern Britain focuses on two major periods of British history the interwar period and postwar Britain The authors compare and contrast developments in the two periods dealing with the themes of growth and welfare industry labour social policy the economy Combining a narrative with a conceptual and analytic approach Modern Britain provides an end of century review of progress and decline and an essential background to current polemics and major issues of concern Clearly structured and written this is an invaluable textbook for students of twentieth century British history *Rethinking Labour's Past* Nathan Yeowell,2022-01-13 The Labour Party after Jeremy Corbyn is charting a

new direction Here Nathan Yeowell has brought together a remarkable array of contributors to provide expert insight into twentieth century British history and Labour politics and how they might shape thinking about Labour's future Reframing the span of Labour history and its effects on contemporary British politics the book provides fresh thinking and analysis of various traditions themes and individuals These include the shifting significance of 1945 the need for more grounded interpretations of Tony Blair's legacy and the enduring importance of place identity and aspiration to the evolution of the party Contributions from leading historians such as Patrick Diamond Steven Fielding Ben Jackson Glen O Hara and Florence Sutcliffe Braithwaite are supplemented by those with experience of Labour electoral politics such as Rachel Reeves and Nick Thomas Symonds The result is an intellectually rich and politically relevant roadmap for Labour's future

Mod Brit:An Econ & Soc Hist John Irwin,2008-01-28 First published in 1995 Routledge is an imprint of Taylor Francis an informal company

An Affluent Society? Lawrence Black,Hugh Pemberton,2017-07-28 During an election speech in 1957 the Prime Minister Harold Macmillan famously remarked that most of our people have never had it so good Although taken out of context this phrase soon came to epitomize the sense of increased affluence and social progress that was prevalent in Britain during the 1950s and 1960s Yet despite the recognition that Britain had moved away from an era of rationing and scarcity to a new age of choice and plenty there was simultaneously a parallel feeling that the nation was in decline and being economically outstripped by its international competitors Whilst the study of Britain's postwar history is a well trodden path and the paradox of absolute growth versus relative decline much debated it is here approached in a fresh and rewarding way Rather than highlighting economic and industrial decline this volume emphasizes the tremendous impact of rising affluence and consumerism on British society It explores various expressions of affluence new consumer goods shifting social and cultural values changes in popular expectations of policy shifting popular political behaviour changing attitudes of politicians towards the electorate and the representation of affluence in popular culture and advertising By focusing on the widespread cultural consequences of increasing levels of consumerism emphasizing growth over decline and recognizing the rising standards of living enjoyed by most Britons a new and intriguing window is opened on the complexities of this golden age Contrasting growing consumer expectations and demands against the anxieties of politicians and economists this book offers all students of the period a new perspective from which to view post imperial Britain and to question many conventional historical assumptions

Changing Times Martin Chick,2020 A study of the main changes in the British economy from 1951 focussing on nationalisation and privatisation unemployment funding of the NHS and education deindustrialisation and Britain's changing industrial structure taxation inequality environmental change and policy and the UK's changing relationship with the EEC and the European Union

Contemporary Economic Analysis (Routledge Revivals) David Currie,Will Peters,2016-05-12 First published in 1980 this book collects 17 lectures presented at the annual conference of the Association of University Teachers of Economics covering a wide range issues and debates They include new theoretical

points criticisms of existing theory the reporting of empirical studies and their implications and refinements of methodological techniques Among the topics covered are government deficits and capital accumulation macroeconomic issues of management policy and foreign trade empirical studies of foreign exchange markets and supply and demand of hours of work public sector and welfare economics risk and uncertainty and monopoly competition and markets

The Open Economy Macromodel: Past, Present and Future Arie Arnon, Warren Young, 2012-12-06 The impetus for the conference that was the basis for this volume emanated from the influence of two brilliant minds Egon Sohmen and Adam Klug who both died at an early age leaving their families and the professions of economics and economic history with major voids In the course of research on the origins of Open Economy Macroeconomics the significant contributions of Egon Sohmen came to the fore After correspondence with some of those involved in the early development of the Open Economy Macromodel we turned to Adam Klug for his views on the matter as he had dealt with the history of intertemporal trade models in his Ph D thesis And it was Adam who suggested the idea of a conference bringing together economists and economic historians At this point we want to acknowledge the very generous grant from the Egon Sohmen Foundation and the active participation of Dr Helmut Sohmen and Mrs Renee Sohmen at the conference We also want to thank Prof Sir Aaron Klug Nobel Laureate and the Klug family for their support and the financial contribution of the Adam Klug Memorial Lecture Fund at Ben Gurion University Other institutions that contributed to the conference were the Gianni Foundation Bank of Israel University of North Carolina Department of Economics Faculty of Social Science and Aharon Meir Center for Banking Bar Ilan University Department of Economics and Faculty of Social Science Ben Gurion University of the Negev

The Impact of Social Policy Victor George, Profesor Paul Wilding, 2023-02-03 First published in 1984 The Impact of Social Policy analyses and evaluates the effects of social policy on British society in the post war period The focus is on the consequences of social policy and the authors differentiate clearly between the objectives of social policy and what it actually achieves What governments and individuals claim that social policy does and what happens in practice are not always one and the same thing George and Wilding examine the impact of social policy in a coherent and logical way looking at the social the economic and the political aspects They conclude that social services are conducive to economic growth and that they are an important instrument for enhancing social well being although they do not reduce socio economic inequalities to any substantial degree They also point out that although social services buttress political stability they have not prevented a political crisis in the welfare state This book will be of interest to students of sociology public policy political science and economics

As recognized, adventure as without difficulty as experience more or less lesson, amusement, as capably as contract can be gotten by just checking out a book **The Labour Governments Economic Record 1964 1970** after that it is not directly done, you could give a positive response even more just about this life, roughly speaking the world.

We allow you this proper as without difficulty as easy habit to get those all. We come up with the money for The Labour Governments Economic Record 1964 1970 and numerous book collections from fictions to scientific research in any way. in the midst of them is this The Labour Governments Economic Record 1964 1970 that can be your partner.
