The Ladies Of Low Arvie Living The Farming Dream:

The Ladies of Low Arvie Linda Watson, 2005-06 The day Richard and Linda saw Low Arvie a run down and neglected farm in Galloway in rural southwest Scotland they hoped they had found their future home But they could not foresee quite how their life would change in so many ways Beginning with their struggle to move not just themselves and their belongings but also Linda s redoubtable ninety year old mother two hundred miles north The Ladies of Low Arvie chronicles Richard and Linda s journey to fulfill their dream The Ladies themselves are the herd of pedigree Black Galloway cows they purchased and brought to Low Arvie to inhabit its acres bringing with them much joy and a little tragedy along the way Richard and Linda set about learning the ropes of keeping cattle under EC regulations and to cope with broken machinery and the vagaries of the Scottish weather where all four seasons sometimes occur on the same day Just how they overcome their hurdles helped time and again by coincidence and the kindness of their new neighbours and how the Ladies themselves settle into their new home is at the heart of this gentle and sometimes moving account of Scottish country life [Life with the Ladies of Low Arvie](#) Linda Watson, 2010-03 Life with the Ladies of Low Arvie is the sequel to Linda Watson s first book The Ladies of Low Arvie and continues the story of her farming life in Dumfries and Galloway South West Scotland The Ladies are the herd of Black Galloway cows bought by Linda and her partner Richard to inhabit their 120 acres of wet and boggy land Their life though exciting is full of twists and turns and the couple have met many challenges to be overcome along the road to creating their successful business They have struggled with these challenges at times but have always won through aided in no small part by the kindness of new friends and farming neighbours The farm is set in the most beautiful of Scottish settings and they count themselves truly fortunate to have spent the autumn of their lives in such peace and tranquility The problems that they have faced and overcome through these years have always been tempered by the quiet beauty that surrounds them in their home The hardships are many but the rewards are great and the sight of a batch of new calves gamboling around their mothers in their fields each autumn repays them a hundred fold for their efforts and makes the work load an easy one to bear Alongside farming life Linda has found the time to fulfil a second lifelong dream to gain a University degree and the story of her four years of study whilst also fulfilling her filial duties to her 90 year old mother is interwoven into the tales of agricultural life The Ladies of Low Arvie was well received by a wide cross section of society and many readers requested this sequel to update the story and to hear of the way that life has continued at Low Arvie [School](#), 1906 [Our Wild Farming Life](#) Lynn Cassells, Sandra Baer, 2022-03-10 As seen on the BBC s This Farming Life The inspirational story of Lynbreck Croft a regenerative Scottish farm rooted in local food community and the dreams of two women A ripping good account of the guts luck and perseverance it takes to create a productive and healthy farm or croft that jumps the rails of our conventional industrial agriculture Nick Offerman New York Times bestselling author of Where the Deer and the Antelope Play I raced through this beautiful story with mounting awe and excitement Pragmatism honesty and

openness to new and old ideas shines through on every page I hope it inspires legions of new farmers Isabella Tree author of Wilding Lynn and Sandra left their friends family and jobs in England to travel north to Scotland to find a bit of land that they could call their own They had in mind keeping a few chickens a kitchen garden and renting out some camping space instead they fell in love with Lynbreck Croft 150 acres of opportunity and beauty shrouded by the Cairngorms and deep in the Highlands of Scotland But they had no money no plan and no experience in farming In Our Wild Farming Life Lynn and Sandra recount their experiences as they rebuild their new home and work out what kind of farmers they want to be They learn how to work with Highland cattle become part of the crofting community and begin to truly understand how they can farm in harmony with nature to produce wonderful food for themselves and the people around them Through efforts like these Lynn and Sandra have been able to combine regenerative farming practices with old crofting traditions to keep their own personal values intact Our Wild Farming Life is what happens when you follow your dreams of living on the land a story of how two people became farmers and how they learned to make a living from it their way This is a warm yet realistic chronicle of the world of the small time farmer sharing a vision of how we humans can feed ourselves sustainably and ethically while living in harmony with the natural world Booklist For anyone who has ever sat in a city office dreaming of living off the land this book will inspire them to take the plunge The Telegraph **The Farm Girl's Dream** Eileen
