**The Lady and the Beast** Roxie Brandon,2019-08-12 Without a dowry Lady Jane knew not to count on her looks to land her a husband When her mother summons her back to London and she receives a proposition from an Earl she s never met she wonders what sort of man would send someone to propose on his behalf What sort of man would marry a woman he s never met before With little options she agrees she will at least meet the Earl but nothing could prepare her for the surprise in store for her Lord Edward had no need for a wife and is only searching for a one because of the ridiculous clause his father left in his will Adamant that his marriage would be in name only he sends his best friend to find him the most unmarried woman in all of London Certainly the beauty his friend brings to his country estate could not fit this description Edward must get rid of her and fast before he falls in love with a beauty who could never return the affections of a beastly earl **Lady and the Beast** Gail MacMillan,2010-08-27 Shipwrecked Lady Kathryn Sheffield wakes in New Brunswick Canada to find a hulking beast leaning over her Her intended destination was Jamaica to an arranged marriage she didn t want The Beast Hamish McDonald needs to be rid of this Lady as soon as possible His life in hiding due to a false accusation is in jeopardy But who is deceiving whom Between their growing love the secrets and a price on both their heads will there be happiness for The Lady And The Beast *The Lady and the Dragon* Loren Henry Wilson,2011-02-19 What is your opinion about the meaning of Bible prophecy Is the book of Revelation a prophecy about the future of this earth that is still yet to come or is it prophecy that has mostly already been fulfilled through this passing Christian Age Christians living in our world today are familiar with the many futuristic interpretations of the prophetic books of the Bible that have been offered to us by the publishing industry especially some of the wild and radical interpretations of the Book of Revelation There are rivers turning to blood stars falling to the earth a last chance to go to heaven theology and on and on it goes Every few years as the passing history of our world takes new turns these predictions that are supposedly based upon Bible prophecy have to be revised again and again to make them suit the changing world scene This means that there were some wrong interpretations somewhere along the line But there is a better way Before the middle of the 20th century when futurism developed such an amazing acceptance into the Christian community there was another method of interpretation that was very prominent called historicist This simply means that the Book of Revelation is really prophecy about events that have been happening for about 2 000 years now and that agree in description and in timely order with the chapters of Revelation The same is true with much of the Book of Daniel Loren Wilson with his academic background in history and his preaching experience as a pastor has updated the writings of the old historicist Bible commentators by including events of the 20th and 21st centuries into the mix The results may change your perspective of what Daniel and Revelation is all about **The Lady and the Wolf** Cassidee Meeks,2020-07-06 Amelia Cavendash is a Regency Miss who does as she pleases Instead of following society s dictates she follows her own Which means hunting beasts who can turn into men and allowing the duke next door to warm her bed But
