The Lady Or The Tiger And Other Stories:

The Lady, Or the Tiger? and Other Stories. By: Frank R. Stockton Frank R. Stockton, 2016-11-12 The Lady or the Tiger is a much anthologized short story written by Frank R Stockton for publication in the magazine The Century in 1882 The Lady or the Tiger has entered the English language as an allegorical expression a shorthand indication or signifier for a problem that is unsolvable The short story takes place in a land ruled by a semi barbaric king Some of the king s ideas are progressive but others cause people to suffer One of the king s innovations is the use of a public trial by ordeal as an agent of poetic justice with guilt or innocence decided by the result of chance A person accused of a crime is brought into a public arena and must choose one of two doors 1 Behind one door is a lady whom the king has deemed an appropriate match for the accused behind the other is a fierce hungry tiger Both doors are heavily soundproofed to prevent the accused from hearing what is behind each one If he chooses the door with the lady behind it he is innocent and must immediately marry her but if he chooses the door with the tiger behind it he is deemed guilty and is immediately devoured by it The king learns that his daughter has a lover a handsome and brave youth who is of lower status than the princess and has him imprisoned to await trial By the time that day comes the princess has used her influence to learn the positions of the lady and the tiger behind the two doors She has also discovered that the lady is someone whom she hates thinking her to be a rival for the affections of the accused When he looks to the princess for help she discreetly indicates the door on his right which he opens The outcome of this choice is not revealed Instead the narrator departs from the story to summarize the princess s state of mind and her thoughts about directing the accused to one fate or the other as she will lose him to either death or marriage The story ends with the question And so I leave it with all of you Which came out of the opened door the lady or the tiger Frank Richard Stockton April 5 1834 April 20 1902 was an American writer and humorist best known today for a series of innovative children s fairy tales that were widely popular during the last decades of the 19th century Born in Philadelphia in the year 1834 Stockton was the son of a prominent Methodist minister who discouraged him from a writing career After he married Mary Ann Edwards Tuttle they moved to Burlington New Jersey where he produced some of his first literary work The couple then moved to Nutley New Jersey For years he supported himself as a wood engraver until his father s death in 1860 in 1867 he moved back to Philadelphia to write for a newspaper founded by his brother His first fairy tale Ting a ling was published that year in The Riverside Magazine his first book collection appeared in 1870 He was also an editor for Hearth and Home magazine in the early 1870s He died in 1902 of cerebral hemorrhage and is buried at The Woodlands in Philadelphia The Lady, Or the Tiger? whether in the next instant he was to be devoured or married On some occasions the tiger came out of one door and on some out of the other The decisions of this tribunal were not only fair they were positively determinate the accused person was instantly punished if he found himself guilty and if innocent he was rewarded on the spot whether he liked it or not There was no escape from the judgments of the king s arena About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Stories** Frank Richard Stockton,1969
