The Language Of Gerard Manley Hopkins:

The Language of Gerard Manley Hopkins James Milroy, 1977 **The Language of Gerard Manley Hopkins** C. M. de Verteuil, 1955 **Gerard Manley Hopkins and the Language of Poetry** Cary Wolfe, 1982 Gerard Manley Hopkins and the Language of Poetry Robert Anthony Page, 1968 **Created to Praise** Margaret R. Ellsberg, 1987 The Victorian Jesuit Gerard Manley Hopkins found in religious discipline and released in his poetry the tremendous power at the heart of human language In *Created to Praise* Margaret Ellsberg traces the poet's development arguing that Hopkins's use of a specifically sacramental ideal of language a poetic diction that celebrates particularity in nature allows the poet priest to unite the vocabularies of both vocations and achieve a voice perfectly pitched at praise *Gerard Manley Hopkins and the Language of Mystery* Virginia Ridley Ellis, 1991 With detailed readings of major poems and analysis of manuscript revisions Ellis examines how Hopkins' particular vision of mystery pervasively affects not only his own language but a reader's approach to that language *Gerard Manley Hopkins and the Language of Devotion* Emily Sun, 1993 Gerard Manley Hopkins and Tractarian Poetry Margaret Johnson, 2016-12-05 Gerard Manley Hopkins and Tractarian Poetry for the first time locates Hopkins and his work within the vital aesthetic and religious cultures of his youth It introduces some of the most powerful cultural influences on his poetry as well as some of the most influential poets from the well known fellow convert John Henry Newman to the almost forgotten historian and poet Richard Dixon From within the context of Hopkins developing catholic sensibilities it assesses the impact of and his responses to issues of the time which related to his own religious and aesthetic perceptions and provides a rich and intricate background against which to view both his early often neglected poetry and the justly famous idiosyncratic and deeply moving verse of his mature years By detailing the influences Tractarian poetry had upon Hopkins early work and applying these to the productions of his later years Gerard Manley Hopkins and Tractarian Poetry demonstrates how Hopkins best known mature works evolved from his upbringing in the Church of England and remained always indebted to this early culture It offers readings of his works in light of a new appraisal of the contexts from which Hopkins himself grew providing a fresh approach to this most challenging and rewarding of poets

The Theory of Language in the Poetics of Gerard Manley Hopkins Juliette R. Adams, 1963 **The Theory of Language in the Poetics of Gerard Manley Hopkins** Juliette H. Adams, 1963 Language in the British Isles Peter Trudgill, 1984-05-17 Wordplay and Metalinguistic / Metadiscursive Reflection Angelika Zirker, Esme Winter-Froemel, 2015-10-16 Wordplay can be seen as a genuine interface phenomenon It can be found both in everyday communication and in literary texts and it can fulfil a range of functions it may be entertaining and comical it may be used to conceal taboo and it may influence the way in which the speaker's character is perceived Moreover wordplay also reflects on language and communication it reveals surprising alternative readings and emphasizes the phonetic similarity of linguistic signs that also points towards relations on the level of content Wordplay unravels characteristics of literary language in

everyday communication and opens up the possibility to analyze literary texts from a linguistic perspective The first two volumes of the series *The Dynamics of Wordplay* therefore aim at bringing together contributions from linguistics and literary studies focusing on theoretical issues such as basic techniques of wordplay and its relationship to genres and discourse traditions These issues are complemented by a series of case studies on the use of wordplay in individual authors and specific historical contexts The contributions offer a fresh look on the multifaceted dynamics of wordplay in different communicative settings
