Paul Wilson,2019-12-19 Jack is back Wilson never said he was through with Repairman Jack He said he was through turning in a new novel every year He also said when a story came along that was right for Jack he d write it The Last Christmas is that story It s late December between Ground Zero and Fatal Error a winter of discontent for Jack who s perhaps spending too much time hanging at Julio s An old contact Edward Burkes convinces him to take on a missing person fix As usual nothing is as it seems and the missing person isn t exactly a person In fact it s like nothing anyone has ever seen And in the middle of all this the mysterious Madame de Medici hires him to safeguard a valuable object Simple right Not even close Yep Jack is back and as usual weird trouble is on his heels The Last Christmas Seelie Kay,2020 At Christmas time everyone deserves a miracle David Wright is dying from cancer He is not expected to see another Christmas At least that s what the medical professionals say Fortunately Santa begs to differ After all modern medicine is nothing more than a best guess Santa believes anything is possible until you give up When Santa tells David s wife Joan that heaven is full and she has to keep her husband alive she is beside herself She has no medical skills How can she save anyone s life Set your skepticism aside as Santa embraces a family already mourning their father s terminal diagnosis and teaches them that a Christmas miracle doesn t always require heavenly intervention Sometimes all it takes is a family with enough love to create their own As Santa says a true miracle is when love combines with action to get the desired results And only humans are capable of that Will Santa s words fall on deaf ears Or will Team Wright find a way to save their father s life **The Last Christmas Cowboy** Maisey Yates,2020-10-13 Fans of Robyn Carr and RaeAnne Thayne will enjoy

The Last Christmas Letter Keith C. Snyder, 2023-05-16 This book started out to be just a culmination of the original 30 Christmas Letters and the stories surrounding them but in the end turned into much more encompassing story of our family and unfortunately my somewhat questionable life decisions and ongoing issues Nothing to worry about here as I am and always have been a law abiding people loving hardworking person but sometimes my way of doing things has left many wondering just what the heck I was thinking As for the book I think it is something that you will enjoy reading as it probably more attune to your own life's stories than you'll probably want to admit Even when I die my picture will be somewhere in the back pages but with my luck it will probably be the one taken that night at the Lewiston Boy's Club and the headline won't be Loving Father and Husband Passes It will read Keith Embarrasses Mother So the next day I show up to grade school with one front tooth missing and my wrist all taped up and the teacher probably wondering what kind of torture I was being put through But in actuality she probably had taught all three of my older brothers and just figured I was just learning to be one of them You just gotta love my family Another thing I have learned is that Sharon and I don't shop the same I shop like this Look like buy use Sharon shops like this Look look like look look look like look like look look really like buy return Well I finally went home and the first night back Sharon fell off her crutches dislocated one finger and broke another Boy you'd think that with those crutches she'd been able to hop right over that deer lying on the floor Maybe there is something to me making things worse *Focus On: 100 Most Popular United States National Medal of Arts Recipients* Wikipedia contributors,

Bob Hope William Robert Faith,William Faith,2009-04-24 Reporter What s it like to be Bob Hope Hope I wouldn t have it any other way From Bob Hope s early career as an upstart among professionals like Jack Benny and Milton Berle in the rollicking world of traveling comedians to his blazing success as a radio television and film star this completely revised and updated version of William Faith s acclaimed biography takes a straightforward appreciative and very funny look at Hope s life and times on the occasion of his 100th birthday Filled with anecdotes photographs and plenty of jokes the book reveals the real Bob Hope from his boyhood in England and youth in Cleveland to his present status as a living legend a full blooded authentic appraisal of the man and his humor a comic institution who is also a brilliant businessman manipulator of the media and politically influential figure And of course Hope is the man who brought laughter and cheer and long legged beauties to GIs throughout the world At a time when patriotic fervor has never been running higher it s worth recalling the singular tribute paid Hope by none other than John Steinbeck When the time for recognition of service to the nation in wartime comes to be considered Bob Hope should be high on the list He gets laughter wherever he goes from men who need laughter Happy 100th Bob

[The Amazing Balancing Man](#) David Linden,2014-09-30 *The Amazing Balancing Man* By David Linden This is the personal story of one person balancing pursuing his dreams and putting bread on the table Born during the Great Depression to a barber and a homemaker in Albany New York Davids prospects were not very bright However his parents who immigrated from Russia and Austria shortly after World War I instilled in him the belief that you could do anything you wanted as long as you did the work needed to prepare for it He left high school before graduating to work and bring in a little extra income to help out the family This was his first balancing act finish high school or help the family It wasnt a lot of money but it helped stretch the family budget a bit and taught him

valuable lessons about doing every job as well as he could and always trying to do better David it turns out was an excellent salesman regularly winning bonuses and recognition for tripling and quadrupling a departments sales Whenever he needed to put bread on the table or a roof over his head David could always get a job as a salesman He was very good at it but was not particularly passionate about sales As a teenager David enjoyed participating in all sports and started developing a love of physical fitness reveling in what he could get his body to do and enjoying the cheers of the crowd when he made a great play It was while learning and practicing diving and some basic gymnastics at a local park with a pool that he started becoming aware of the strength and gratification he received from cheers and applause especially from the attractive girls When the Ringling Brothers Barnum Bailey Circus was came to town and he saw Ove Unus The Talk of the Universe perform a one finger handstand and heard the thunderous applause David knew that was what he passionately wanted to do perform acrobatics for live audiences He taught himself the art building up the necessary physical and mental skills watching others perform and studying pictures of acts to figure out how to do them Along the way he recruited others to join him met and became friends with other performers first in the Albany area and then at Muscle Beach California and around the Western Hemisphere David performed with many circuses around the United States and Canada In 1976 he joined the Harlem Globetrotters for a five month tour of the United States Canada and South America performing his acrobatic and plate spinning acts during half time During one show in South America he had a major fall which left him nearly paralyzed from his waist down In only five weeks he rehabilitated himself and rejoined the tour He continued performing acrobatics and selling shoes and fitness equipment as needed to put bread on the table for another twenty years In his seventies he retired from acrobatics and tried retiring but couldnt stand the quiet so he re invented himself as a stand up comedian The mental and physical preparation for appearing before an audience and the applause for a performance well done are as essential to Davids well being as having blood pump through his veins Without the former the latter is of little importance Ultimately the story is about balancing ones inner passions that define personal success against societys measures of success
