The Last Chronicle of Barset Anthony Trollope, 1909 *The Last Chronicle of Barset* (1867) Anthony Trollope, 2018-11
George Housman Thomas London December 17 1824 Boulogne sur Mer July 21 1868 was an English engraver illustrator and Victorian era painter Anthony Trollope 24 April 1815 6 December 1882 was an English novelist of the Victorian era Among his best known works is a series of novels collectively known as the Chronicles of Barsetshire which revolves around the imaginary county of Barsetshire He also wrote novels on political social and gender issues and other topical matters Trollope's literary reputation dipped somewhat during the last years of his life but he had regained the esteem of critics by the mid 20th century *The Last Chronicle of Barset* is a novel by Anthony Trollope published in 1867 It is the final book of a series of six often referred to collectively as the Chronicles of Barsetshire Plot summary *The Last Chronicle of Barset* concerns an indigent but learned clergyman the Reverend Josiah Crawley the perpetual curate of Hogglestock who stands accused of stealing a cheque The novel is notable for the non resolution of a plot continued from the previous novel in the series *The Small House at Allington* involving Lily Dale and Johnny Eames Its main storyline features the courtship of the Rev Mr Crawley's daughter Grace and Major Henry Grantly son of the wealthy Archdeacon Grantly The Archdeacon although allowing that Grace is a lady doesn't think her of high enough rank or wealth for his widowed son his position is strengthened by the Reverend Mr Crawley's apparent crime Almost broken by poverty and trouble the Reverend Mr Crawley hardly knows himself if he is guilty or not fortunately the mystery is resolved just as Major Grantly's determination and Grace Crawley's own merit force the Archdeacon to overcome his prejudice against her as a daughter in law As with Lucy Robarts in *Framley Parsonage* the objecting parent finally invites the young lady into the family this new connection also inspires the Dean and Archdeacon to find a new more prosperous post for Grace's impoverished father Through death or marriage this final volume manages to tie up more than one thread from the beginning of the series One subplot deals with the death of Mrs Proudie the virago wife of the Bishop of Barchester and his subsequent grief and collapse Mrs Proudie upon her arrival in Barchester in Barchester Towers had increased the tribulations of the gentle Mr Harding title character of *The Warden* he dies of a peaceful old age mourned by his family and the old men he loved and looked after as Warden *The Last Chronicle of Barset* Anthony Trollope, 2014-05-01 Anthony Trollope was a masterful satirist with an unerring eye for the most intrinsic details of human behavior and an imaginative grasp of the preoccupations of nineteenth century English novels In *The Last Chronicle of Barset* Mr Crawley curate of Hogglestock falls deeply into debt bringing suffering to himself and his family To make matters worse he is accused of theft can't remember where he got the counterfeit check he is alleged to have stolen and must stand trial Trollope's powerful portrait of this complex man gloomy brooding and proud moving relentlessly from one humiliation to another achieves tragic dimensions *The Last Chronicle of Barset (Annotated)* Anthony Trollope, 2020-12-23 *The Last Chronicle of Barset* is a novel Anthony Trollope published in 1867 It is the final book of a series

Silverbridge had found beauty in her thin face and that Grace Crawley's fortune was made in the teeth as it were of the prevailing ill fortune of her family Her husband had told her one morning when the butcher's threat was weighing heavily on his mind speaking to her in such a humour that she found it impossible to cross question him that he had still money left though it was money which he had hoped that he would not be driven to use and he had given her the four five pound notes and had told her to go to Silverbridge and satisfy the man who was so eager for his money It has been said that Major Grantly had thrown a favourable eye on Grace Crawley by which report occasion was given to all men and women in those parts to hint that the Crawleys with all their piety and humility were very cunning and that one of the Grantlys was to say the least of it very soft admitted as it was throughout the county of Barsetshire that there was no family therein more widely awake to the affairs generally of this world and the next combined than the family of which Archdeacon Grantly was the respected head and patriarch The Last Chronicle of Barset Anthony Trollope, 2007-05-01
