The Last Continent A Novel:

The Last Continent Terry Pratchett, 2016-10-20 A beautiful hardback edition of the classic Discworld novel Anything you do in the past changes the future The tiniest little actions have huge consequences You might tread on an ant now and it might entirely prevent someone from being born in the future There s nothing like the issue of evolution to get under the skin of academics Even if their field of expertise is magic rather than biology With the best and most interfering minds of Unseen University somehow left in charge at a critical evolutionary turning point the Discworld s last continent needs a saviour Who is this hero striding across the red desert Sheep shearer beer drinker bush ranger and someone who ll even eat a Meat Pie Floater when he s sober In fact it s Rincewind a wizard so inept he can t even spell wizard He s the only hero left Still no worries eh My Last Continent Midge Raymond, 2016-06-21 This unforgettable debut set against the dramatic Antarctic landscape is refreshingly different vivid and immediate Midge Raymond has an extraordinary gift for description that puts the reader bang in the middle of its dangerous and endangered world M L Stedman New York Times bestselling author of

The Light Between Oceans It is only among the glacial mountains cleaving icebergs and frigid waters of Antarctica that Deb Gardener and Keller Sullivan feel at home For a few blissful weeks each year they study the habits of Emperor and Adelie penguins and find solace in their work and in one another But Antarctica like their fleeting romance is a fragile place imperiled by the world to the north Each year Deb and Keller play tour guide to the passengers on the small expedition ship that ferries them to their research station But this year when Keller fails to appear on board Deb begins to reconsider their complicated past and the uncertainty of any future they might share Then shortly into the journey Deb s ship receives an emergency signal from The Australis a cruise liner that has hit desperate trouble in the ice choked waters of the Southern Ocean Soon Deb s role will change from researcher to rescuer among the crew of that sinking ship Deb learns is Keller As Deb and Keller s troubled histories collide in this original and entirely authentic love story Graeme Simsion author of *The Rosie Project* Midge Raymond takes us on an unforgettable voyage deep into the wonders of the Antarctic and the mysteries of the human heart *My Last Continent* is a sensitive exploration of how the smallest action can ripple through an ecosystem seemingly impenetrable but as fragile as the human heart The Minneapolis Star Tribune Atmospheric and adventurous The story and vivid writing will keep readers glued to the pages Library Journal *The Last Continent* Terry

Pratchett, 2009-12-23 *Unseen Academicals* Terry Pratchett, 2009-11-10 We play and are played and the best we can hope for is to do it with style Football has come to the ancient city of Ankh Morpork And now the wizards of Unseen University must win a football match without using magic so they re in the mood for trying everything else To do this they recruit an unlikely group of players Trev a street urchin with a talent for kicking a tin can Glenda the night chef who makes a mean pie Juliet the kitchen hand turned world s greatest fashion model and the mysterious Mr Nutt who has something powerful and dark locked away inside him And the thing about football the important thing about football is that it is not just about football

Here we go here we go here we go This isn't just football it's Discworld football Or to borrow another phrase it's about life the Universe and everything The Times No one mixes the fantastical and mundane to better comic effect Daily Mail Unseen Academicals is the seventh book in the Wizards series but you can read the Discworld novels in any order The Lost Continent C.
