The Last Dark Place:

The Last Dark Place Stuart M. Kaminsky, 2005 The Last Dark Place Stuart M. Kaminsky, 2005-11-29 Abe Lieberman is a veteran Chicago detective who prefers to use his head and heart more than his gun. He and his Irish partner Bill Hanrahan are known on the streets as the Rabbi and the Priest, and their commitment to justice is sorely tested everyday. The extradition of a mob enforcer goes horribly awry when he is gunned down at the airport while Lieberman is escorting him. A police officer's wife is raped and Lieberman and Hanrahan have to find the perp before the hearbroken furious cop settles the matter himself. Lieberman and Hanrahan struggle with one vital question which is better to be a Just man or to be the instrument of the Law. And if that's not enough angst somewhere in all this Lieberman has to plan a bar mitzvah that will surely bankrupt him.

making the mean streets of Chicago just a little safer As usual they have their hands full Three prominent members of the Turkish community are all brutally murdered and Lieberman works to find out what if anything ties these murders together It doesn't help that the key to the puzzle might be an event that took place over a century ago Bill Hanrahan finds himself assigned to a case where a hospitalized chef claims to have been beaten by two people and shot by a third a bespectacled Chinese man As Bill digs deeper he finds himself at odds with an old nemesis a man who has an unusual affinity for Bill's Asian wife Both men struggle to do the right thing even if it means bending the letter if not the spirit of the law At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *The Delivery Room* Daphne Jett, 2022-05-04 Have you ever wondered what your purpose is in life and how you might find out How many times have you ever felt like you would never find your purpose You are not by yourself Walk in your purpose you hear someone say over and over again through various outlets However no one ever provides guidance on how to go about discovering your purpose The reason for writing this book is in obedience to God providing the foundational principles to discovering your God-given purpose It will provide guidance and understanding of the discovery process from intimacy to The Delivery You will gain an understanding of the process and the pressure points through every stage From intimacy to The Delivery After reading The Delivery Room you will be well equipped on how to find your purpose and endure the travail along the way The travail prepares you for birth It is important that you know the process always comes before the promise I am excited for you As you embark upon this book know that you have entered into a spiritual conception and at the appointed time the birthing has to take place It is time for the birth of your purpose to take place You have a purpose On Conditionals Again Angeliki Athanasiadou, René Dirven, 1997-04-24 The volume brings together a selection of papers from a symposium on Conditionality held in the University of Duisburg on 25-26 March 1994 Ten years after the Stanford symposium the Proceedings of which were edited by Traugott et al 1986 the area of conditionality is revisited in a synthesis of issues and aspects with insights drawn from the wider framework of general processes of conceptualisation One major question is therefore what conceptual categories fall under conditionality or how far the notion of conditionality can be extended The volume represents the up-to-date research on most aspects of conditionality some of which include the relationship between conditionality hypotheticality and counterfactuality polarity historical perspectives concessives the acquisition of conditionals **The Works of President Edwards: Notes on the Bible** Jonathan Edwards, 1830 **A Whisper to the Living** Stuart M. earliest representative of Platonism in the Renaissance the movement which generally exercised a huge influence on the development of early modern thought Thus his treatise on the differences between Plato and Aristotle triggered the Plato Aristotle controversy of the 15th century and his ideas impacted on Italian Renaissance thinkers such as Ficino This book provides a new study of Gemistos philosophy The first part is dedicated to the discussion of his public philosophy As an important public figure Gemistos wrote several public speeches concerning the political situation in the Peloponnese as well as funeral orations on deceased members of the ruling Palaiologos family They contain remarkable Platonic ideas adjusted to the contemporary late Byzantine situation In the second most extensive part of the book the Platonism of Plethon is presented in a systematic way It is identical with the so called philosophia perennis that is the rational view of the world common to various places and ages Throughout Plethon s writings it is remarkably coherent in its framework possesses quite original features and displays the influence of ancient Middle and Neo Platonic discussions Plethon thus turns out to be not just a commentator on an ancient tradition but an original Platonic thinker in his own right In the third part the notorious question of the paganism of Gemistos is reconsidered He is usually taken for a Platonizing polytheist who gathered around himself a kind of heterodox circle The whole issue is examined in depth again and all the major evidence discussed with the result that Gemistos seems rat
