Ulmer,1994 **The Amazing Tom Mix** Richard D. Jensen,2005-06 The Amazing Tom Mix The Most Famous Cowboy of the Movies Tom Mix was a town marshal and cowboy in the Oklahoma Territory a rodeo champion and a wild west show performer With his devil may care attitude quick wit and penchant for doing breath taking stunts on his wonder horse Tony Tom Mix went on to become the 1 movie cowboy of silent films earning millions of dollars at a time when movie tickets cost pennies While he basked in this incredible acclaim Tom Mix lived in fear that his deep dark secrets would be discovered and his career and his cherished heroic image would be destroyed Celebrated author Richard D Jensen has spent more than 30 years researching the life of Tom Mix the man hailed as the idol of every American boy With incredible detail much of it gained from hundreds of original letters records documents and eyewitness accounts The Amazing Tom Mix cuts through 100 years of public relations mythology tall tales and outright lies to bring the true and inspiring story of a man whose Saturday matinee cowboy image would become the standard for all of the movie cowboys who rode the silver screen after him Here is Tom Mix as he really was a captivating biography brilliant delightful It is a splendid book Richard S Wheeler five time Spur Award winning author of Trouble In Tombstone the most complete biography of Mix s life of trials tribulations and victories John Duncklee author of Bull By The Tale *Hollywood's Imperial Wars* Armando José Prats,2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in Hollywood s Imperial Wars The book offers a

new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood's earlier representations of Americans at war from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter*, *Apocalypse Now* and *Platoon*. As early as the mid 1940s Pratts suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period. In this context Pratts considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II. Pratts reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers. American war movies in Pratts's analysis were forever altered by the loss in Vietnam. Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events. Tracing what Pratts calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts.

The US-Mexico Border in American Cold War Film Stephanie Fuller, 2016-04-29 Through an analysis of Cold War Era films including *Border Incident*, *Where Danger Lives* and *Touch of Evil* Stephanie Fuller illustrates how cinema across genres developed an understanding of what the U S Mexico border meant within the American cultural imaginary and the ways in which it worked to produce the border.

The Baseball Filmography, 1915 through 2001, 2d ed. Hal Erickson, 2016-03-23 Since the first baseball movie *Little Sunset* in 1915 Hollywood has had an on again off again affair with the sport releasing more than 100 films through 2001. This is a filmography of those films. Each entry contains full cast and credits a synopsis and a critique of the movie. Behind the scenes and background information is included and two sections cover baseball shorts and depictions of the game in non baseball films. An extensive bibliography completes the work.

Hollywood's War with Poland, 1939-1945 M.B.B. Biskupski, 2010-01-08 This passionate carefully researched richly detailed well written study reveals the political motives behind WWII Hollywood's portrayal of Poles. Choice During World War II Hollywood studios supported the war effort by making patriotic movies designed to raise the nation's morale. Often the characterizations were as black and white as the movies themselves. Americans and their allies were heroes while everyone else was a villain. The peoples of Norway France Czechoslovakia and England were all good because they had been invaded or victimized by Nazi Germany. Yet Poland the first country to be invaded by the Third Reich was repeatedly represented in a negative light. In this prize winning study Polish historian M B B Biskupski explores why Biskupski presents a close critical study of prewar and wartime films such as *To Be or Not to Be*, *In Our Time* and *None Shall Escape*. Through memoirs letters diaries and memoranda written by screenwriters directors studio heads and actors Biskupski examines how the political climate and especially pro Soviet sentiment influenced Hollywood films of the time. Winner of the Oscar Halecki Prize A
