The Last Paradise The Building Of Marco Island:

Last Paradise Douglas Waitley, 2010-02-28 **The Last Paradise** Douglas Waitley, 1999 The Nine Lives of Florida's Famous Key Marco Cat Austin J. Bell, 2021-09-21 The story of an iconic artifact that has prevailed over impossibly long odds this book explores the deep past of the Key Marco Cat fascinating readers with the miracle and beauty of this rare example of The Swamp Peddlers Jason Vuic, 2021-05-11 Florida has long been a beacon for retirees but for many the American dream of owning a home there was a fantasy That changed in the 1950s when the so called installment land sales industry hawked billions of dollars of Florida residential property sight unseen to retiring northerners For only 10 down and 10 a month working class pensioners could buy a piece of the Florida dream a graded home site that would be waiting for them in a planned community when they were ready to build The result was Cape Coral Port St Lucie Deltona Port Charlotte Palm Coast and Spring Hill among many others sprawling communities with no downtowns little industry and millions of residential lots In The Swamp Peddlers Jason Vuic tells the raucous tale of the sale of residential lots in postwar Florida Initially selling cheap homes to retirees with disposable income by the mid 1950s developers realized that they could make more money selling parcels of land on installment to their customers. These swamp peddlers completely transformed the landscape and demographics of Florida devastating the state environmentally by felling forests draining wetlands digging canals and chopping up at least one million acres into grid like subdivisions crisscrossed by thousands of miles of roads Generations of northerners moved to Florida cheaply but at a huge price high pressure sales tactics begat fraud poor urban planning begat sprawl poorly regulated development begat environmental destruction culminating in the perfect storm of the 21st century subprime mortgage crisis Marco Island Austin J. Bell, Kaitlin Romey, and the Marco Island Historical Society, 2018 There are few places that have undergone a more radical transformation during the past half century than Marco Island Florida Once a pristine tropical paradise with only a few hundred residents Marco Island is now one of America s most popular island destinations With a permanent population nearing 20 000 a figure that virtually doubles between the months of January and March its modern state is largely attributable to the ambitious vision of Florida's Famous Mackle Brothers The Mackles founders of the Deltona Corporation literally reshaped the island in keeping with their long term masterplan capitalizing on the unique history community pride and undeniable natural splendor that continue to make it so alluring Land of Sunshine, State of Dreams Gary R Mormino, 2008-09-01 Florida is a story of astonishing growth a state swelling from 500 000 residents at the outset of the 20th century to some 16 million at the end As recently as mid century on the eve of Pearl Harbor Florida was the smallest state in the South At the dawn of the millennium it is the fourth largest in the country a megastate that was among those introducing new words into the American vernacular space coast climate control growth management retirement community theme park edge cities shopping mall boomburbs beach renourishment Interstate and Internet Land of Sunshine State of Dreams attempts to understand the firestorm of change that

erupted into modern Florida by examining the great social cultural and economic forces driving its transformation Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America's southernmost state and the northernmost outpost of the Caribbean From the capital Tallahassee a day s walk from the Georgia border to Miami a city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida's transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain to Old South New South to Sunbelt Best Backroads of Florida Douglas Waitley, 2013-09 Follow Doug Waitley on a journey around south Florida from coast to coast through aromatic orange groves along white sand beaches and through sugar and cattle country **Easygoing Guide to Natural Florida** Douglas Waitley, 2006-11-01 Author Douglas Waitley invites you to step out of the air conditioned shopping malls and crowded amusement parks and into Natural Florida Reveals how to enjoy nature without discomfort Next in series See all of the books in this series Geography of Southwest Florida Waterways Gustavo A. Antonini,1999 This volume covers the historical geography of southwest Florida waterways from Anna Maria Sound to Lemon Bay It discusses the historical development of the Gulf Intracoastal Waterway inlet dynmaics coastal development in Venice Florida the loss of seagrasses the working waterfront of Cortez Floria and charting Sarasota Bay It includes a glossary and bibliography The Florida Historical Quarterly, 1992-07

Paving Paradise Craig Pittman, Matthew Waite, 2010-05-25 Florida possesses more wetlands than any other state except Alaska yet since 1990 more than 84 000 acres have been lost to development despite presidential pledges to protect them How and why the state s wetlands are continuing to disappear is the subject of Paving Paradise Journalists Craig Pittman and Matthew Waite spent nearly four years investigating the political expedience corruption and negligence on the part of federal and state agencies that led to a failure to enforce regulations on developers. They traveled throughout the state interviewed hundreds of people dug through thousands of documents and analyzed satellite imagery to identify former wetlands that were now houses stores and parking lots Exposing the unseen environmental consequences of rampant sprawl Pittman and Waite explain how wetland protection creates the illusion of environmental protection while doing little to stem the tide of AB Bookman's Weekly ,1998 Paradise of the Pacific ,1965 **The Rotarian**, 1966-03 Established in destruction 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **American Book Publishing Record** Cumulative 1993 R R Bowker Publishing, 1994-03 Cited in BCL3 Sheehy and Walford Compiled from the 12 monthly issues of the ABPR this edition of the annual cumulation lists by Dewey sequence some 41 700 titles for books published or

distributed in the US Entry information is derived from MARC II tapes and books submitted to R R Bowker an *The Michigan Alumnus*, 1965 In v 1 8 the final number consists of the Commencement annual **Princeton Alumni Weekly**, 1965 **The Publishers Weekly**, 1925 *Forthcoming Books* Rose Arny, 1993 <u>Field & Stream</u>, 1971-01 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations
