Heggen,2006-02-10 As my father abused me he quoted Bible verses to show how bad I was Each Sunday I'd go to church with my family and hear that God loved me and was watching over me Then we'd go home and I'd get abused again and wonder why God didn't protect me from these people who went to church anonymous survivors This book by a psychotherapist specializing in sexual abuse confronts harsh realities But Dr Heggen also offers hope that confronting broken sexuality will bring healing for survivors of abuse for perpetrators for the church **Pure Desire** Ted Roberts,2008-04-01 Hope and Healing to Break Free From Sexual Addiction There is a battle going on Millions of victims are trapped in the struggle of sexual addiction with no apparent way out Pure Desire is the answer to this desperate cry for help from men and women who have tried to build sexual holiness into their lives and failed and failed and failed This book is also for the shattered souls of mates who are puzzled shamed and wounded by their husband's or wife's sexual bondage and secret life And this book is for the Church to come alongside those who have come to them for help Here is hope for establishing healthy personal boundaries with proven practical applications to claim Christ's healing power and presence perhaps for the first time If you someone you love or someone you are counseling struggles with sexual addiction Pure Desire is an anchor amid rough waters and the offer of a new appreciation for Christ's healing power and presence The time is now to begin walking in victory and help others to do the same Learn how to tackle this issue with confidence clarity and biblical perspective *Law for the Christian Counselor* George W. Sexual Misconduct in Counseling and Ministry Peter T. Mosgofian MA,George W. Ohlschlager MSW, JD,2009-05-01 Sexual misconduct by ministers and other Christian professionals has reached epidemic proportions One major church insurer has handled over 1 200 cases in the past eight years many involving child sexual abuse often with multiple victims How should the church respond when Christian counselors cross sexual boundaries What should be done when the healer wounds What is the church s responsibility both to misbehaving professionals and to heir victims Combining their extensive counseling experience and legal expertise the authors of this volume offer a well written practical book loaded with the thorny issues of sexual exploitation by religious professionals Here is tested wisdom that can help oA recovery strategy for victims oProactive ways to safeguard against improper sexual behavior oScreening and early intervention strategies oRestoring fallen ministers and church leaders oDealing with homosexual misbehavior seductive clients recovered memories and false allegations oAssessing legal consequences of your policies The wise counsel in this timely book can help us find remedies for a growing problem that threatens the Christian church *Counseling and Community* Rod Wilson,2003-04 Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual Wilson has created a biblically based counseling model that anchors the individual within the community The result is a perspective that encompasses all aspects of a person s life where the community becomes a helper in the counseling process The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual When this is the case we will be able to appreciate the biblical emphasis on the people of God While he prizes a relationship with individuals God s heart is with a body a fellowship a community Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process Rod Wilson PhD York University is President and Professor of Counselling and Psychology at Regent College in Vancouver B C Canada He is also the author of *Exploring Your Anger and Helping Angry People* **NIVAC Bundle 8: General Epistles, Revelation** George H. Guthrie,David P. Nystrom,Scot McKnight,Gary M. Burge,Craig S.

Keener, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
