Now he works on the Melbourne docks loading and unloading taking shifts as they come up. But his real work is on the streets. He's in and out of police stations and courts giving character statements and providing support working to give the disaffected another chance. And all the while in the background is the memory of another fighter his mother and her devastating decline into madness. *The Fighter* is a moving and poetic portrait of a compassionate man but also a window onto the unnoticed recesses of Melbourne. A study of loss memory and displacement embodied in the lives of the previous generation the refugees from Nazism and the war in Europe. In Zable's sensitive hands each individual story of survival belongs to all.
