Memoirs of six sisters, daughters of rev. W. Gilpin, ed. by W. Benson William Benson (of Hertford),1895 **A Reason to Dream** P. L. Byers,2015-11-21 Brenna Harris was a nurturer at heart Having lost her sister at a young age then having to watch her parents marriage fall apart she quickly learned that it was up to her to take on the responsibility to care for and protect the people around her Grant Warner preferred a solitary existence As a police detective he often found himself sitting in his car watching a suspect or going under cover with only himself as company After the falling out he had with his family the solitude suited him He didn't need nor did he want the responsibility of having to make anyone else happy Then one fateful day while working undercover to solve a murder case Grant watched helplessly as a beautiful stranger stepped forward to protect him putting her own life at risk From that moment on their lives became inherently entwined As Grant works with his department to help solve a series of murders he fights equally hard against his attraction to Brenna When she comes under threat from some unknown assailant he has no choice but to step in to protect her As much as he wants her safe being with her goes against the self imposed singular existence that he prefers Can Brenna show Grant that a life with her is worth the risk Will Grant allow her in or will he walk away from her like he did his own family **The Infamous Cherry Sisters** Darryl W. Bullock,2019-01-07 Raised in poverty on an Iowa farm the Cherry Sisters had little education and no training But they possessed a burning desire to take to the stage and show the world what they could do and what they could do was awful Their unique act was so bad it was good When the sisters took the stage they were met with rotten fruit and vegetables festering meat dead cats Riots often broke out after and sometimes during their concerts but they carried on changing attitudes and laws along the way This book follows the five women through their forty year career in vaudeville theaters across the U S Proud fearless and fiercely independent in a time when women were treated as second class citizens the Cherry Sisters insisted that their voices be heard **A Reason to Hope** P.
