Six Womens Slave Narratives:

Six Women's Slave Narratives William L. Andrews, 1988 Six narrations by slave women about their lives during and after their years in bondage honoring the nobility and strength of African American women of that era **Six Women's Slave Narratives**, 1988 **Six Women's Slave Narratives** San Val, Incorporated, 1989-01 Includes the personal narratives of Mary Prince Old Elizabeth Mattie J Jackson Lucy A Delaney Kate Drumgould and Annie L Burton **Six Women's Slave Narratives**, 1989 **Slave Narratives (LOA #114)** William L. Andrews, Henry Louis Gates, 2000-01-15 This collection of landmark slave narratives demonstrates how a diverse group of writers challenged the conscience of a nation and laid the foundations of the African American literary tradition No literary genre speaks as directly and as eloquently to the brutal contradictions in American history as the slave narrative The works collected in this volume present unflinching portrayals of the cruelty and degradation of slavery while testifying to the African American struggle for freedom and dignity They demonstrate the power of the written word to affirm a person's and a people's humanity in a society poisoned by racism Slave Narratives shows how a diverse group of writers challenged the conscience of a nation and through their expression of anger pain sorrow and courage laid the foundations of the African American literary tradition This volume collects ten works published between 1772 and 1864 Narratives by James Albert Ukawsaw Gronniosaw 1772 and Olaudah Equiano 1789 recount how they were taken from Africa as children and brought across the Atlantic to British North America The Confessions of Nat Turner 1831 provides unique insight into the man who led the deadliest slave uprising in American history The widely read narratives by the fugitive slaves Frederick Douglass 1845 William Wells Brown 1847 and Henry Bibb 1849 strengthened the abolitionist cause by exposing the hypocrisies inherent in a slaveholding society ostensibly dedicated to liberty and Christian morality The Narrative of Sojourner Truth 1850 describes slavery in the North while expressing the eloquent fervor of a dedicated woman Running a Thousand Miles for Freedom 1860 tells the story of William and Ellen Craft's subversive and ingenious escape from Georgia to Philadelphia Incidents in the Life of a Slave Girl 1861 is Harriet Jacobs's complex and moving story of her prolonged resistance to sexual and racial oppression The narrative of the trickster Jacob Green 1864 presents a disturbing story full of wild humor and intense cruelty Together these works fuse memory advocacy and defiance into a searing collective portrait of American life before emancipation Slave Narratives contains a chronology of events in the history of slavery as well as biographical and explanatory notes and an essay on the texts Whose Story is It? Katherine Lynn Heenan, 1998 **Slave Narratives and the Writings of Freedmen** Caitlyn Paley, 2015-07-15 Learn about slavery and the fight for freedom in this book examining the stories of slave narratives and their effect on the abolitionist movement of the United States The book is complete with timeline primary sources photographs and excerpts from the time period **Down, Up, and Over** Dwight N. Hopkins, First reconstructs the cultural matrix of African American religion a total way of life formed by Protestantism American culture and the institution of slavery 1619 1865 Whites from Europe and

Blacks from Africa arrived with specific differing views of God faith and humanity Hopkins recreates their worldviews and shows how white theology sought to remake African Americans into naturally inferior beings divinely ordained into subservience The counter voice of enslaved blacks is the birth of the Spirit of liberation Back cover Hope in the Holler Anna Elaine Brown Crawford,2002-01-01 For more than three hundred years black women have embodied a theology of hope which has enabled them to overcome a history of abuse and violence While a theology of hope has been widely discussed in twentieth century theology it was born in slavery long before Jurgen Moltmann introduced it to America in 1967 Even womanist notions of hope have not explored the theological character of hope in abused black women s narratives A Elaine Brown Crawford argues that hope is the theological construct that moves black women beyond endurance and survival to transformation of their personal and communal realities This book identifies and analyzes the theological vision of hope voiced within the narratives of enslaved emancipated and contemporary black women and brings that vision into discussion with contemporary womanist theologies **Encyclopedia of African American Women Writers** Yolanda Williams Page,2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s This book surveys the world of African American women writers Included are alphabetically arranged entries on more than 150 novelists poets playwrights short fiction writers autobiographers essayists and influential scholars The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor along with a range of neglected and emerging figures Each entry is written by an expert contributor and provides a brief biography a discussion of major works a survey of the author s critical reception and primary and secondary bibliographies Literature students will value this book for its exploration of African American literature while social studies students will appreciate its examination of social issues through literature African American women writers have made an enormous contribution to our culture Many of these authors wrote during the Harlem Renaissance a particularly vital time in African American arts and letters while others have been especially active since the 1970s an era in which works by African American women are adapted into films and are widely read in book clubs Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these authors have confronted This book conveniently surveys the lives and works of African American women writers Included are alphabetically arranged entries on more than 150 African American women novelists poets playwrights short fiction writers autobiographers essayists and influential scholars Some of these figures such as Toni Morrison and Gloria Naylor are among the most popular authors writing today while others have been largely neglected or are recently emerging Each entry provides a biography a discussion of major works a survey of the writer s critical reception and primary and secondary bibliographies The Encyclopedia closes with a selected general bibliography Students and general readers will welcome this guide to the rich achievement of African American women Literature students will value its exploration of the works of these writers while

social studies students will appreciate its examination of the social issues these women confront in their works
