Skilled Facilitator Practical Wisdom For Developing Effective Groups:

The Skilled Facilitator Roger M. Schwarz, 1994-05-12 This book shows what makes a group effective and how a facilitator can improve group effectiveness by identifying patterns of behavior that are getting in the way helping the group stick to a few critical ground rules and encouraging them to deal more openly with conflict Approx **The Handbook for Working with Difficult Groups** Sandy Schuman, 2010-04-26 WE VE ALL EXPERIENCED the challenges associated with working with groups but The Handbook for Working with Difficult Groups turns the idea of difficult groups on its head Rather than view groups as inherently difficult it looks at the factors that make working with groups difficult Individual chapters focus on challenges such as involving dissenters building external perspectives reducing complaining adapting to cultural differences incorporating diversity facilitating inclusion working virtually resolving identity based conflict transforming unproductive behavior patterns preventing workplace harassment and strengthening accountability The book first provides a framework for thinking systemically about the many and varied ways in which working with a group can be difficult Building on that framework the contributors each address three basic issues How the group is difficult a description of a real group and the observable phenomena that reflect the group s difficulty Why the group is difficult an exploration of the underlying causes of the difficulty What you can do about it what you can do as a group facilitator leader or member to help the group
