keeping dangerous secrets will their romance get a second chance or will there be too much spilled blood between them River Yates always thought his grandmother's tales about shifters and witches living among them to be just stories Until his ex Drew Preston showed up at his door naked and bloodied and in need of help After being attacked by wolves determined to tear apart the fledgling Outcast Pack Drew did the only thing he could shift and run The nearest place he might find refuge is River's house But his ex is human and when River accused him of cheating he ripped out Drew's heart While River wasn't wrong about Drew keeping secrets how could he tell a human what he is When a hunter arrives to kill the shifters that have been making trouble River is forced to confront the truth not only about Drew but also his own family Once again he'll be picking up weapons and facing off against his grandmother but this time it isn't a training exercise Discover the Outcast Pack paranormal wolf shifter romance series Join the wolves as they fight to make their pack official and fall in love along the way Each book has a new couple and a HEA with no cliffhangers and no mpreg Wolf Blood is a steamy angsty second chance romance between a hunter and shifter
