How Do I Tax Thee? Kristin Tate, 2018-03-20 Libertarian journalist Kristin Tate provides a look into the wild world of frivolous taxation aimed at educating members of her own generation in the evils of big government In *How Do I Tax Thee* libertarian commentator and rising media star Kristin Tate takes us on a tour of the ways the government bleeds us dry in innumerable daily transactions and at various stages of life We all know the government taxes our pay federal state and local taxes are withheld by employers as are social security payments But what about the many other ways the government drains money from our wallets Have you studied your cell phone bill Customers in New York State pay an average of 24 36% in federal state and local taxes on their wireless bills They re also charged for obscure services they didn t ask for and don t understand like a universal service fund fee an FCC compliance fee a line service fee and an emergency services fee These aren t taxes strictly speaking The government imposes these administrative and regulatory costs and your wireless provider passes them along to you But the effect is exactly the same What about your cable bill Your power bill Your water bill The cost of a gallon of gas a cab ride a hotel stay and a movie ticket are all inflated by hidden fees How much of what you pay at the pump the box office or the airport is really an indirect tax In a series of short pointed fact laden humorous chapters Tate exposes the vast government shakedown that consumes up to half of your income and also explains where these hidden fees and taxes come from
