perform many miraculous deeds and kill many dangerous demons before returning to Mathura where they kill the evil King Kamsa and his cronies. Thereafter Krishna is the hero and unofficial leader of his people the Yadava Vrishnis. When Mathura is besieged by enemies Krishna leads his people to abandon the town and migrate west founding the dazzling new city of Dvaraka by the sea. Krishna then repeatedly travels away from that base repeatedly to perform heroic deeds benefitting those in need including his own people his more immediate family and the gods. After narrating the stories of Krishna the Harivamsha ends by finishing the story of Janamejaya with which the Mahabharata began. The Harivamsha is a powerhouse of Hindu mythology and a classic of world literature. It begins by contextualising Vishnu's appearance as Krishna in several ways in the process presenting a variety of cosmogonical cosmological genealogical mythological theological and karmalogical materials. It then narrates Krishna's birth and adventures in detail. Presenting a wide variety of exciting stories in a poetic register that makes extensive use of natural imagery the Harivamsha is a neglected literary gem and an ideal starting point for readers new to Indian literature.
