Skyline Queen And The Merchant Prince:

Skyline Queen and the Merchant Prince John P. Nichols, 1974-06-01 *F.W. Woolworth and the American Five and Dime* Jean Maddern Pitrone, 2007-01-23 For more than a century Woolworth's five and dime stores represented Americana mirroring the country's growth its good times and bad its foibles and its fads The chain was founded by Frank W Woolworth who in 1879 established two stores one in Utica New York which failed and was closed down and another in Lancaster Pennsylvania which succeeded and marked the beginning of the legacy of the Woolworth's Five and Tens This work is a full account of the chain its rags to riches founder Frank W Woolworth and his flamboyant and tragic descendants It traces the important role that Woolworth stores played in the sit down strikes of the 1930s the lunch counter sit ins that began in Greensboro North Carolina as part of the Civil Rights movement which tainted Woolworth's as the Big Business enemy of the downtrodden and the gradual disintegration of the five and tens during the 1980s and early 1990s The dramatic story is enhanced with important photos featuring such events as the closing of a Woolworth's in Germany by Nazi soldiers and the Greensboro sit in as well as archival photos from Woolworth's 40th 50th and 60th anniversary booklets *Skyline Queen and the Merchant Prince* John Peter Nichols, 1973 *The American Skyscraper, 1850-1940* Joseph J. Korom, 2008 The skyscraper is an American invention that has captured the public's imagination for over a century The tall building is wholly manmade and borne in the minds of those with both slide rules and computers This is the story of the skyscraper's rise and the recognition of those individuals who contributed to its development This volume is unique its approach information and images are fresh and telling The text examines America's first tall buildings the result of twelve years of in depth research by an accomplished and published architect and architectural historian Over 300 compelling photographs charts and notes make this the ultimate tool of reference for this subject Biographies woven throughout with period norms politics and lifestyles help to place featured skyscrapers in context Quite simply there is no book like this The text carefully and insightfully written is clear concise and easily digestible the text being the product of well documented original research written in an informative tone *The American Skyscraper 1850 1940 A Celebration of Height* is a richly documented journey of a fascinating topic and it promises to be a superb addition to libraries schools of architecture students of architecture and lovers of art **Point of Purchase** Sharon Zukin, 2004 Accessible smart and expansive Point of Purchase shows the incredible impact shopping has had on American life stretching from the mid 19th century to today's shopping trends from the Internet to Zagat guides **Remembering Woolworth's** Karen Plunkett-Powell, 2014-04-08 Remembering Woolworth's brings back to life all the nostalgia and magic of the famous five and dime that captured the hearts of Americans for over a century Millions of Americans have fond memories of shopping at Woolworth's wandering the aisles in search of a humble spool of Woolco thread festive Christmas decorations a goldfish or parakeet or a blue bottle of Evening in Paris perfume And who could forget the special treat of a grilled cheese sandwich or ice cream sundae at the famous lunch counter These and

countless other memories are celebrated in Karen Plunkett Powell's *Remembering Woolworth's* Packed with photos first hand remembrances vivid anecdotes and a lively well researched narrative the book tells the story of how a poor potato farmer named Frank Woolworth created a merchandising empire that touched the lives of Americans in small towns big cities and everywhere in between Chapters cover the store's humble beginnings surviving the Great Depression the civil rights sit ins Woolworth's around the globe the popularity of Woolworth's collectibles and much more **Winfield Monica Randall**,2003-05-21 This enchanting memoir explores the culture and history of a bygone era filled with enthralling stories of infamous scandals and breathtaking Gilded Age tales of New York Society 16 page photo insert *Three Strikes* Howard Zinn,Robin D.G. Kelley,Dana Frank,2002-09-16 Three renowned historians present stirring tales of labor Howard Zinn tells the grim tale of the Ludlow Massacre a drama of beleaguered immigrant workers Mother Jones and the politics of corporate power in the age of the robber barons Dana Frank brings to light the little known story of a successful sit in conducted by the counter girls at the Detroit Woolworth's during the Great Depression Robin D G Kelley's story of a movie theater musicians strike in New York asks what defines work in times of changing technology Shopping Center and Store Leases Emanuel B. Halper,2001 *We Shall Not Be Moved* M. J. O'Brien,2013-03-01 Winner of the 2014 Lillian Smith Book Award Once in a great while a photograph captures the essence of an era Three people one black and two white demonstrate for equality at a lunch counter while a horde of cigarette smoking hotshots pour catsup sugar and other condiments on the protesters heads and down their backs The image strikes a chord for all who lived through those turbulent times of a changing America The photograph which plays a central role in the book's perspectives from frontline participants caught a moment when the raw virulence of racism crashed against the defiance of visionaries It now shows up regularly in books magazines videos and museums that endeavor to explain America's largely nonviolent civil rights battles of the late 1950s and early 1960s Yet for all of the photograph's celebrated qualities the people in it and the events they inspired have only been sketched in civil rights histories It is not well known for instance that it was this event that sparked to life the civil rights movement in Jackson Mississippi in 1963 Sadly this same sit in and the protest events it inspired led to the assassination of Medgar Evers who was leading the charge in Jackson for the NAACP *We Shall Not Be Moved* puts the Jackson Woolworth's sit in into historical context Part multifaceted biography part well researched history this gripping narrative explores the hearts and minds of those participating in this harrowing sit in experience It was a demonstration without precedent in Mississippi one that set the stage for much that would follow in the changing dynamics of the state's racial politics particularly in its capital city
